

McFarlane Legacy

Elliot Kendall

Mcfarlane Legacy:

The King, the Crown, and the Duchy of Lancaster Helen Castor, 2000-08-03 In 1399 Henry Bolingbroke duke of Lancaster seized the throne of England to become Henry IV From 1399 therefore the Lancastrian kings unlike their royal predecessors commanded not only the public authority of the crown but also the private power of the Duchy of Lancaster Until now this has been seen simply as an advantage to the Lancastrian crown and as an uncontroversial part of the evolution of a royal affinity during the later middle ages However this study makes clear that profound tensions existed between the role of the king and that of his alter ego the duke of Lancaster This book examines the complex relationship between the king the crown and the Duchy of Lancaster at both a national and a local level focusing particularly on the north midlands and East Anglia and in so doing sheds light on the nature and functioning of the late medieval English monarchy Romance and the Gentry in Late Medieval England Michael Johnston, 2014-06-19 Romance and the Gentry in Late Medieval England offers a new history of Middle English romance the most popular genre of secular literature in the English Middle Ages Michael Johnston argues that many of the romances composed in England from 1350 1500 arose in response to the specific socio economic concerns of the gentry the class of English landowners who lacked titles of nobility and hence occupied the lower rungs of the aristocracy The end of the fourteenth century in England witnessed power devolving to the gentry who became one of the dominant political and economic forces in provincial society As Johnston demonstrates this social change also affected England s literary culture particularly the composition and readership of romance Romance and the Gentry in Late Medieval England identifies a series of new topoi in Middle English that responded to the gentry s economic interests But beyond social history and literary criticism it also speaks to manuscript studies showing that most of the codices of the gentry romances were produced by those in the immediate employ of the gentry By bringing together literary criticism and manuscript studies this book speaks to two scholarly communities often insulated from one another it invites manuscript scholars to pay closer attention to the cultural resonances of the texts within medieval codices simultaneously it encourages literary scholars to be more attentive to the cultural resonances of surviving medieval codices English Political Culture in the Fifteenth Century Michael Hicks, 2003-09-02 English Political Culture in the Fifteenth Century is a new and original study of how politics worked in late medieval England throwing new light on a much discussed period in English history Michael Hicks explores the standards values and principles that motivated contemporary politicians and the aspirations and interests of both dukes and peasants alike Hicks argues that the Wars of the Roses did not result from fundamental weaknesses in the political system but from the collision of exceptional circumstances that quickly passed away Overall he shows that the era was one of stability and harmony and that there were effective mechanisms for keeping the peace Structure and continuities Hicks argues were more prominent than change **Lordship and Literature** Elliot Kendall, 2008-05-08 In a sustained new reading of John Gower s major English poem Confessio Amantis 1390 3 Elliot Kendall shows how deeply the great household

shaped the way Gower and his contemporaries including Chaucer Clanvowe chroniclers and parliamentary petitioners imagined their world *Parliament and Political Pamphleteering in Fourteenth-century England* Clementine Oliver, 2010 Sixty years before the advent of the printing press the first political pamphlets about parliament were circulated in the city of London These handwritten pamphlets reported on victories against the crown and point to the existence of a market of readers hungry for news of parliament *Die Gegenwart des Feudalismus* Natalie Fryde, Pierre Monnet, Otto Gerhard Oexle, 2002 Britische franz sische und deutsche Historiker erforschen in diesem Band die kulturellen gesellschaftlichen und politischen Bedingungen unter denen in England Frankreich und Deutschland das Ph nomen des Feudalismus konstituiert wurde **The Harm Paradox** Nicolette Priaux, 2007-03-06 Offering the first comprehensive theoretical engagement with actions for wrongful conception and birth The Harm Paradox provides readers with an insightful critique into the concepts of choice responsibility and personhood Raising fundamental questions relating to birth abortion family planning and disability Priaux challenges the law s response that enforced parenthood is a harmless outcome and examines the concept of autonomy gender and women s reproductive freedom It explores a wealth of questions including Can a healthy child resulting from negligence in family planning procedures constitute harm sounding in damages when so many see its birth as a blessing Can a pregnancy constitute an injury when many women choose that very event Are parents really harmed when they choose to keep their much loved but unwanted child Why don t women seek an abortion if the consequences of pregnancy are seen as harmful An exciting and original contribution to the fields of medical law and ethics tort law and feminist jurisprudence this is an excellent resource for both students and practitioners *Nobility and Kingship in Medieval England* Andrew M. Spencer, 2014 This book reassesses the relationship between Edward I and his earls and the role of English nobility in thirteenth century governance *Humphrey, Duke of Gloucester (1390-1447) and the Italian Humanists / by Susanne Saygin* Susanne Saygin, 2002 This study reconstructs the relations between the fifteenth century English patron of Italian Renaissance humanism Humphrey Duke of Gloucester 1390 1447 his Italian middlemen and several Italian humanists with regard to the social and political context of their shared literary interests **Richard II and the Rebel Earl** A. K. Gundy, 2013 The reign of Richard II and the circumstances of his deposition have long been subject to intense debate This new interpretation of the politics of the late fourteenth century offers an in depth survey of Richard s reign from the perspective of one of the leading nobles who came to oppose him Thomas Beauchamp the Appellant Earl of Warwick This is the first full length study of one of Richard II s opponents to explore not only why the Earl rebelled against the King but also why Richard lost his throne Rather than offering the traditional explanation of a subject grown too mighty Alison Gundy sets Warwick s rule in the context of the political and constitutional framework of the period The interplay of local and national events helps to reveal Warwick s motives as a long serving member of the nobility faced with a king determined to rule in a manner contradictory to contemporary political structures **What is Masculinity?** J. Arnold, S. Brady, 2011-06-14 Across

history the ideas and practices of male identity have varied much between time and place masculinity proves to be a slippery concept not available to all men sometimes even applied to women This book analyses the dynamics of masculinity as both an ideology and lived experience how men have tried and failed to be Real Men *The Fifteenth-century Inquisitions Post Mortem* Michael Hicks, 2012 Essays offering a guide to a vital source for our knowledge of medieval England The Inquisitions Post Mortem IPMs at the National Archives have been described as the single most important source for the study of landed society in later medieval England Inquisitions were local enquiries into the lands held by people of some status in order to discover whatever income and rights were due to the crown on their death and provide details both of the lands themselves and whoever held them This book explores in detail for the first time the potential of IPMs as sources for economic social and political history over the long fifteenth century the period covered by this Companion It looks at how they were made how they were used and their accuracy and develops our understanding of a source that is too often taken for granted it answers questions such as what they sought to do how they were compiled and how reliable they are while also exploring how they can best be used for economic demographic place name estate and other kinds of study Michael Hicks is Professor of Medieval History University of Winchester Contributors Michael Hicks Christine Carpenter Kate Parkin Christopher Dyer Matthew Holford Margaret Yates L R Poos J Oeppen R M Smith Sean Cunningham Claire Noble Matthew Holford Oliver Padel **Fourteenth Century England VIII** J. S. Hamilton, 2014 Fourteenth Century England has quickly established for itself a deserved reputation for its scope and scholarship and for admirably filling a gap in the publication of medieval studies HISTORY Drawing on a diverse range of documentary literary and material evidence the contributors to this volume examine several inter related topics on political social and cultural matters in late medieval England Aspects of both arms production and armigerous society are explored from the emergence of royal armourers in the early fourteenth century to the social implications of later armour and armorial bearings Another major focus is the church and religion more broadly The nature and significance of the ceremonial entry the adventus of bishops is explored as well as the legal impact of provisions in shaping church state relations in mid century Religious constructs of women are considered in a comparative analysis of orthodox and Lollard texts Finally a group of papers looks at aspects of politics at the centre with an examination of the queenship of Isabella of France and the issue of the Mortimer inheritance in the early years of Richard II J S Hamilton is Professor and Chair Department of History Baylor University Contributors Beth Allison Barr Philip Caudrey Katherine Harvey Mark King Malcolm Mercer Shelagh Mitchell Lisa Benz St John Charlotte Whatley *A Short History of the Wars of the Roses* David Grummitt, 2014-01-20 The Wars of the Roses c 1455 1487 are renowned as an infamously savage and tangled slice of English history A bloody thirty year struggle between the dynastic houses of Lancaster and York they embraced localised vendetta such as the bitter northern feud between the Percies and Nevilles as well as the formal clash of royalist and rebel armies at St Albans Ludford Bridge Mortimer's Cross Towton Tewkesbury and finally Bosworth when the usurping

Yorkist king Richard III was crushed by Henry Tudor. Powerful personalities dominate the period: the charismatic and enigmatic Richard III immortalized by Shakespeare; the slippery Warwick the Kingmaker who finally overreached ambition to be cut down at the Battle of Barnet; and guileful women like Elizabeth Woodville and Margaret of Anjou who for a time ruled the kingdom in her husband's stead. David Grummitt places the violent events of this complex time in the wider context of fifteenth-century kingship and the development of English political culture. Never losing sight of the traumatic impact of war on the lives of those who either fought in or were touched by battle, this captivating new history will make compelling reading for students of the late medieval period and Tudor England as well as for general readers.

Loyalty to the Monarchy in Late Medieval and Early Modern Britain, c.1400-1688 Matthew Ward, Matthew Hefferan, 2020-06-30. This book explores the place of loyalty in the relationship between the monarchy and their subjects in late medieval and early modern Britain. It focuses on a period in which political and religious upheaval tested the bonds of loyalty between ruler and ruled. The era also witnessed changes in how loyalty was developed and expressed. The first section focuses on royal propaganda and expressions of loyalty from the gentry and nobility under the Yorkist and early Tudor monarchs as well as the fifteenth-century Scottish monarchy. The chapters illustrate late medieval conceptions of loyalty, exploring how they manifested themselves and how they persisted and developed into early modernity. Loyalty to the later Tudors and early Stuarts is scrutinised in the second section, gauging the growing level of dissent in the build-up to the British Civil Wars of the seventeenth century. The final section dissects the role that the concept of loyalty played during and after the Civil Wars, looking at how divergent groups navigated this turbulent period and examining the ways in which loyalty could be used as a means of surviving the upheaval.

England's Northern Frontier Jackson W. Armstrong, 2020-11-12. Explains the history of England's northern borderlands in the fifteenth century within a broader social, political, and European context.

Maintenance in Medieval England Jonathan Rose, 2017-06-22. Identifying for the first time the true nature of maintenance, this study uses primary sources to reach new findings on its lawfulness.

The Wars of the Roses Christine Carpenter, 1997-11-13. This is a new interpretation of English politics during the extended period beginning with the majority of Henry VI in c. 1437 up to the accession of Henry VII in 1509. The later fifteenth century in England is a somewhat baffling and apparently incoherent period which historians and history students have found consistently difficult to handle. The large-scale revisionism inspired by the classic work of K. B. McFarlane led to the first real work on politics, both national and local, but has left the period in a disjointed state. Much material has been unearthed but without any real sense of direction or coherence. This book places the events of the century within a clearly delineated framework of constitutional structures, practices, and expectations in an attempt to show the meaning of the apparently frenetic and purposeless political events which occurred within that framework and which sometimes breached it. At the same time, it takes cognisance of all the work that has been done on the period, including recent and innovative work on Henry VI.

John Gower and the Limits of the Law Conrad van Dijk, 2013. An examination of the ways

in which Gower's poetry engages with contemporary law and legal questions. It has long been thought that John Gower was probably a lawyer before turning to poetry and this study reveals his active engagement with contemporary legal debates. They include constitutional questions, jurisdictional issues, private vengeance, jurisprudential concepts such as equity and the *rigor iuris* and aspects of criminal law. The author argues that the *Confessio Amantis* in particular demonstrates Gower's uncertainty about how to reconcile the ideal of a just law with alternative modes of justice such as self-help, royal discretion and divine will. The book also examines the parallel development of the *exemplum* and *casus* in medieval literature. *Exempla* frequently create a sense of narrative closure by means of some form of punishment or as Gower would put it, vengeance. How then do we set Gower's reputation as a sympathetic writer alongside his frequent desire for closure and punishment? What are the limits of exemplarity and law? These questions are answered by reading Gower in relation to the volatile politics of the Ricardian period and in comparison with the poetic concerns of contemporary writers such as Chaucer and Langland. In so doing, the book provides a searching introduction to the intersection between literature and law in the late fourteenth century. Dr Conrad van Dijk is Assistant Professor of English at Concordia University College of Alberta, Edmonton, Canada.

Encyclopedia of the Wars of the Roses John A. Wagner, 2001-07-12. This authoritative A-Z encyclopedia of the Wars of the Roses provides accurate and concise descriptions of the major battles and events and the principal historical figures and issues involved. For centuries, historians agreed about the Wars of the Roses, seeing them as four decades of medieval darkness and chaos when the royal family and the nobility destroyed themselves fighting for control of the royal government. Even Shakespeare got into the act, dramatizing, popularizing and darkening this viewpoint in eight plays. Today, based on new research, this has become one of the most hotly controversial periods in English history. Historians disagree on fundamental issues such as dates and facts as well as interpretation. Most argue that the effects of the wars were not as widespread as once thought and some see the traditional view of the era as merely Tudor propaganda. A few even claim that England during the late 15th century was a society organized for peace. Historian John A. Wagner brings readers up to date on the latest research and thinking about this crucial period of England's history.

Right here, we have countless ebook **Mcfarlane Legacy** and collections to check out. We additionally offer variant types and along with type of the books to browse. The okay book, fiction, history, novel, scientific research, as skillfully as various other sorts of books are readily handy here.

As this Mcfarlane Legacy, it ends in the works beast one of the favored book Mcfarlane Legacy collections that we have. This is why you remain in the best website to see the unbelievable ebook to have.

Mcfarlane Legacy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Mcfarlane Legacy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mcfarlane Legacy has opened up a world of possibilities. Downloading Mcfarlane Legacy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mcfarlane Legacy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mcfarlane Legacy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mcfarlane Legacy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Mcfarlane Legacy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Mcfarlane Legacy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Mcfarlane Legacy Books

What is a Mcfarlane Legacy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Mcfarlane Legacy PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Mcfarlane Legacy PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Mcfarlane Legacy PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Mcfarlane Legacy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
