National Visions, National Blindness Leslie Dawn, 2011-11-01 In the early decades of the twentieth century Canada sought to define itself as an independent dominion with allegiance to the British Empire The visual arts were considered central to the formation of a distinct national identity and the Group of Seven's landscapes became part of a larger program to unify the nation and assert its uniqueness National Visions National Blindness traces the development of this program and illuminates its conflicted history Using newly discovered archival evidence Leslie Dawn revises common interpretations of several well known events and rescues others from obscurity He problematizes conventional perceptions of the Group as a national school and underscores the contradictions inherent in international exhibitions showing unpeopled landscapes alongside Northwest Coast Native arts and the Indian paintings of Langdon Kihn and Emily Carr Dawn examines how this dichotomy forced a re evaluation of the place of First Nations in both Canadian art and nationalism National Visions National Blindness is an elegantly written work offering new and insightful analysis and will be of great interest to readers and researchers of Canadian art history First Nations art and history tourism cultural politics museum studies and ethnographic practices

Modern Art on Display K. Porter Aichele, 2016-05-19 Modern Art on Display The Legacies of Six Collectors is structured as a sequence of case studies that pair collectors of modern art with artists they particularly favored Duncan Phillips and Augustus Vincent Tack Albert Barnes and Chaim Soutine Albert Eugene Gallatin and Juan Gris Lillie Bliss and Paul C zanne Etta Cone and Henri Matisse G David Thompson and Paul Klee The case studies are linked by a thematic focus on the integral relationship between the collectors acquired knowledge about the work they amassed and their innovative display models This focus brings a new perspective to the history of collecting and interpreting modern art in America for nearly half a century 1915 1960 By examining the books the collectors themselves read and analyzing archival photographs of their displays the author makes a case for the historical
