Albert A. Peña Jr. José Angel Gutiérrez, 2017-07-01. The political and social impact that Albert A. Peña Jr. had on the lives of Mexican Americans and later Chicanos is by all counts immeasurable. However, in part because Chicano biography has traditionally been a neglected research area among academics generally and Chicano Studies scholars specifically, his life's work has not featured prominently in any biographical work to date, making this volume the first of its kind. It provides a richly detailed documentation of Peña's life and career from blue collar worker to judge and essay writer, spanning nearly ninety years. Readers will find that at the heart of his story is a focus on grassroots organizing and politics, sharing leadership and a commitment to social justice.

All societies around the world and through time value beauty highly Tracing the evolutions of the Colombian standards of beauty since 1845 Michael Edward Stanfield explores their significance to and symbiotic relationship with violence and inequality in the country Arguing that beauty holds not only social power but also economic and political power he positions it as a pacific and inclusive influence in a country ripped apart by violence private armies seizures of land and abuse of governmental authority one hoping that female beauty could save it from the ravages of the male beast One specific means of obscuring those harsh realities is the beauty pageant of which Colombia has over 300 per year Stanfield investigates the ways in which these pageants reveal the effects of European modernity and notions of ethnicity on Colombian women and how beauty for Colombians has become an external representation of order and morality that can counter the pathological effects of violence inequality and exclusion in their country *James Agee in Context* Michael A. Lofaro,2023-01-17

It's difficult to overestimate the impact of the many new works by James Agee uncovered and published in the last twenty years These previously unknown primary works have in turn encouraged a parallel explosion of critical evaluation and reevaluation by scholars to which James Agee in Context is the latest contribution This superb collection from well known James Agee scholars features myriad approaches and contexts for understanding the author's fiction poetry journalism and screenwriting

The essays bring the reader from the streets of James Agee's New York to travel with the author from Alabama to Hollywood to Havana. Contributors explore overlapping and sometimes unique subjects, themes and accomplishments or lack thereof in Agee's uncovered works and highlight the diversity of interest that Agee's complete body of work inspires. The insightful scholarship on influence examines connections between Agee and Wright Morris, Helen Levitt, John Dos Passos, Ernest Hemingway and Stephen Crane. Such juxtapositions serve to illustrate how Agee drew on literary influences as a young man, how he used his work as a journalist to craft fiction as he was about to turn thirty and his influence upon others. The volume concludes with three poems and a short story by Agee, all previously unknown. It seems astonishing that so much remains to be discovered about this protean author, his materials and his circle. Yet the recovery and analysis of neglected texts and information mined from newspapers and magazines proves the extent to which Agee kept his mind and his work as he himself put it, patiently concentrated upon the essential quietudes of the human soul.

Havana Mark Kurlansky, 2018-03-06 A city of tropical heat, ramshackle beauty and its very own cadence, a city that always surprises. Havana is brought to pulsing life by New York Times bestselling author Mark Kurlansky. Award-winning author Mark Kurlansky presents an insider's view of Havana, the elegant, tattered city he has come to know over more than thirty years. Part cultural history, part travelogue with recipes, historic engravings, photographs and Kurlansky's own pen and ink drawings throughout, Havana celebrates the city's singular music, literature, baseball and food, its five centuries of outstanding, neglected architecture and its extraordinary blend of cultures. Like all great cities, Havana has a rich history that informs the vibrant place it is today, from the native Taino to Columbus's landing, from Cuba's status as a U.S. protectorate to Batista's dictatorship and Castro's revolution, from Soviet presence to the welcoming of capitalist tourism. Havana is a place of extremes, a beautifully restored colonial city whose cobblestone streets pass through areas that have not been painted or repaired since long before the revolution. Kurlansky shows Havana through the eyes of Cuban writers such as Alejo Carpentier and Jos Mart, and foreigners including Graham Greene and Hemingway. He introduces us to Cuban baseball and its highly opinionated fans, the city's music scene alive with the rhythm of son, its culinary legacy. Through Mark Kurlansky's multilayered and electrifying portrait, the long, elusive city of Havana comes stirring to life.
