Saunders Strategies for Test Success - E-Book Linda Anne Silvestri, Angela Silvestri, 2009-08-31 Take your understanding to a whole new level with Pageburst digital books on VitalSource Easy to use interactive features let you make highlights share notes run instant topic searches and so much more Best of all with Pageburst you get flexible online offline and mobile access to all your digital books An essential resource for

any nursing student this invaluable guide gives you the tools you need to overcome test anxiety and develop effective study habits. Key topics include time management, critical thinking, and problem solving with tips to help you tackle any nursing test from a routine quiz to the NCLEX examination. You'll learn how to confidently evaluate and identify the correct answer for a variety of test question types, including alternate item formats, with chapters on the nursing process, prioritization methods, and safety strategies. The book and companion CD offer 500 practice questions to help you practice the skills you are learning and gain realistic test-taking experience. Coverage of detailed critical thinking methods offer valuable clues to help you analyze and uncover the correct answer option for all question types, including multiple choice, true or false, and alternate item format questions. Chapters on specific question content, such as prioritization, pharmacology, management, and delegation, provide numerous examples to prepare you for higher cognitive level questions. A fun two-color design features cartoons and bold designs to help visual learners become better overall test takers. Linda Silvestri's hallmark Pyramid Points in the margins highlight the most important concepts you need to learn for exam success. A companion CD includes 500 practice questions that allow you to apply the strategies learned from the text in a realistic electronic testing environment. Refocused content emphasizes comprehensive test preparation to help you develop, refine, and apply the reasoning skills you need to succeed throughout nursing school and on the NCLEX examination. A new chapter on reducing test anxiety offers simple strategies you can use to control test-induced stress and gain the confidence you need to pass exams. A new chapter on developing a structured study plan provides helpful tips for improving time management for more efficient exam preparation.
