

Most people in 6 South and Southeast Asian countries believe in God or unseen beings

% in each country who say they ...

Note: Respondents were asked separately if they believe in God or if they think there are unseen beings in the world, like deities or spirits.

Source: Survey conducted June 1-Sept. 4, 2022, among adults in six South and Southeast Asian countries. Read Methodology for details.

"Buddhism, Islam and Religious Pluralism in South and Southeast Asia"

Nusayrialawi Religion

Saul Silas Fathi

Nusayrialawi Religion:

The Nuṣayrī - 'Alawīs Yaron Friedman,2009-11-23 Friedman offers new and updated research on the Nusayr Alaw sect today a leading group in Syria covering a variety of aspects and focusing on the Middle Ages A century after Dussaud's *Histoire et religion des Nosair* s 1900 he reviews the history and religion of the sect in the light of old documents used by orientalists in the nineteenth century documents that became available in the twentieth century and later sources of the Nuayr Alaw sect published most recently in Lebanon Also studied in depth for the first time is the question of the identity of the sect through the Alaw Sunn Sh triangle The Alawis of Syria Michael Kerr,Craig Larkin,2015 A wide ranging exploration of the cultural and historical hinterland of Syria's powerful Shia minority **Cycle of Fear** Leon Goldsmith,2015-05-15 The Alawites are a key component to the current civil war in Syria Journalist Robert D Kaplan compared Hafez al Assad's coming to power to an untouchable becoming maharajah in India or a Jew becoming tsar in Russia an unprecedented development shocking to the Sunni majority population which had monopolized power for so many centuries 31 In 1971 al Assad declared himself president of Syria a position the constitution at the time permitted only for Sunni Muslims The author shows how the political behavior of Alawites has long been shaped by the group's insecurity and lack of true integration into society A History of the 'Alawis Stefan Winter,2016-09-20 The Alawis or Alawites are a prominent religious minority in northern Syria Lebanon and southern Turkey best known today for enjoying disproportionate political power in war torn Syria In this book Stefan Winter offers a complete history of the community from the birth of the Alawi Nusayri sect in the tenth century to just after World War I the establishment of the French mandate over Syria and the early years of the Turkish republic Winter draws on a wealth of Ottoman archival records and other sources to show that the Alawis were not historically persecuted as is often claimed but rather were a fundamental part of Syrian and Turkish provincial society Winter argues that far from being excluded on the basis of their religion the Alawis were in fact fully integrated into the provincial administrative order Profiting from the economic development of the coastal highlands particularly in the Ottoman period they fostered a new class of local notables and tribal leaders participated in the modernizing educational political and military reforms of the nineteenth century and expanded their area of settlement beyond its traditional mountain borders to emerge from centuries of Sunni imperial rule as a bona fide sectarian community Using an impressive array of primary materials spanning nearly ten centuries *A History of the Alawis* provides a crucial new narrative about the development of Alawi society **The Future of Religious Minorities in the Middle East** John Eibner,2017-11-22 *The Future of Religious Minorities in the Middle East* addresses the domestic and international politics that have created conditions for contemporary religious cleansing in the Middle East It provides a platform for a host of distinguished scholars journalists human rights activists and political practitioners The contributors come from diverse political cultural and religious backgrounds each one drawing on a deep wellspring of scholarship experience sobriety and passion Collectively they make a major contribution to understanding

the dynamics of the mortal threat to the social pluralism upon which the survival of religious minorities depends

Peacemaking, Religious Belief and the Rule of Law Paul J. Zwier, 2017-12-14 This book offers a new way of understanding the role of the mediator in teaching parties the interrelationship between sustainable peace forgiveness and international justice It argues that the arrival of social media presents new opportunities for reaching sustainable peace agreements through their use in gathering the detailed information that can match victims and perpetrators of past atrocities The author aims to advance a more expansive understanding of the subjects and limitations of making peace in the shadow of international law by examining the concepts of mediation and forgiveness that exist alongside law To that end the book offers an account of the role of the mediator that emerges from the interplay between Ricoeurian imagination and forgiveness and predicts ever greater opportunities for making peace and protecting human rights that can be facilitated by a harnessing of social media as a tool for making peace with justice The author also aims to examine how strategies for sustaining the peace must combat the inevitable frustrations with democracy that can lead to a slide into dictatorship Assad Obama and the UN leadership and their decisions concerning making and maintaining peace in Syria are used as case studies to examine the interplay between a leaders religious beliefs faith in democracy and rule of law and impulses towards totalitarianism

Gods and Religions Saul Silas Fathi, 2023-12-22 **Conflict in the Modern Middle East** Jonathan K. Zartman, 2020-03-19 This book provides detailed coverage of all the key conflict related developments since the Arab Spring a seminal event that began in December 2010 and continues to have major influence on events in the Middle East North Africa and beyond This important reference offers readers a thorough understanding of the nature of the various conflicts that have erupted in the Middle East and North Africa following the Arab Spring Clear and concise explanations of important concepts related to Islam ideology and ethnicity and the economic social and cultural forces propelling conflict and revolution in the region will enable readers to gain insight into key developments there Biographical and organizational profiles combined with succinct overviews of each country provide a strong research foundation for students The book offers detailed descriptions of the minority groups that have suffered violence from both the countries and the societies around them sometimes generating refugee flows that engage neighboring states in security issues It also discusses the role of women in the region during these turbulent times Primary source documents and a chronology highlight political struggles to reach durable agreements and develop institutions to meet basic human needs in the modern Middle East *The Geography of Religion* Roger W. Stump, 2008-04-04 The only book of its kind this balanced and accessibly written text explores the geographical study of religion Roger W Stump presents a clear and meticulous examination of the intersection of religious belief and practice with the concepts of place and space He begins by analyzing the factors that have shaped the spatial distributions of religious groups including the seminal events that have fostered the organization of religions in diverse hearths and the subsequent processes of migration and conversion that have spread religious beliefs The author then

assesses how major religions have diversified as they have become established in disparate places producing a variety of religious systems from a common tradition Stump explores the efforts of religious groups to control secular space at various scales relating their own uses of particular spaces and the meanings they attribute to space beyond the boundaries of their own communities Examining sacred space as a diverse but recurring theme in religious belief the book considers its role in religious forms of spatial behavior and as a source of conflict within and between religious groups Refreshingly jargon free and impartial this text provides a broad comparative view of religion as a focus of geographical inquiry

Middle Eastern Minorities Ibrahim Zabad, 2017-03-27 This is a comprehensive survey of minorities in the Middle East with a special focus on the post Arab Spring era Minority communities in the Middle East are the most susceptible to the turbulence engulfing the region the majority may suffer physical violence and socioeconomic loss but minorities could potentially vanish Instead of ushering in democracy and inclusive politics the revolutionary upheavals have prompted chaos and fear and reinforced the resurgence of Islamic fundamentalism throughout the region Zabad uses historical sources as well as first hand interviews to vividly describe the current status of minorities in the Middle East explaining attitudes towards the revolutionary upheavals as well as the various strategies they used to avail themselves of the opportunities presented and to confront the risks posed The question of ethnic sectarian and religious minorities is situated in the context of the broader history of the region in order to explain the underlying institutional and ideological factors that caused their predicament and problematized their relationship with the majority The book provides a rich trove of information and insights generated from ten case studies that covered the Shi'a in Saudi Arabia Bahrain Lebanon and Egypt the Druze the Alawites Christians and Kurds in Syria the Copts in Egypt and the Zaydis in Yemen

Shi'i Islam Moojan Momen, 2015-11-05 From infallible Imams to Ayatollahs in Iran Shi'ism has long been a prominent if misunderstood branch of Islam It regards Ali Muhammad's son in law as the Prophet's legitimate successor But theological differences between the Shi'ah and Sunni Muslims have led to sectarian violence massacres and the desecration of holy sites In this Beginner's Guide Dr Moojan Momen offers an accessible and comprehensive overview of Shi'ism tracing the history of the community its leadership and doctrines from its inception to modern times Packed with useful tables family trees and text boxes this engaging and up to date guide is a perfect introduction to the historical and geopolitical causes of religious tensions still troubling the Middle East today

Refugee Encounters at the Turkish-Syrian Border Şule Can, 2019-10-08 The Turkish Syrian borderlands host almost half of the Syrian refugees with an estimated 1.5 million people arriving in the area following the outbreak of the Syrian civil war This book investigates the ongoing negotiations of ethnicity religion and state at the border as refugees struggle to settle and to navigate their encounters with the Turkish state and with different sectarian groups In particular the book explores the situation in Antakya the site of the ancient city of Antioch the cradle of civilizations and now populated by diverse populations of Arab Alawites Christians and Sunni Turks The book demonstrates that urban refugee encounters at the margins of the

state reveal larger concerns that encompass state practices and regional politics Overall the book shows how and why displacement in the Middle East is intertwined with negotiations of identity politics and state Faced with an environment of everyday oppression refugees negotiate their own urban space and refugee status challenging resisting and sometimes confirming sectarian boundaries This book s detailed analysis will be of interest to anthropologists geographers sociologists historians and Middle Eastern studies scholars who are working on questions of displacement cultural boundaries and the politics of civil war in border regions Routledge Handbook of Minorities in the Middle East Paul S Rowe,2018-09-20 The Routledge Handbook of Minorities in the Middle East gathers a diverse team of international scholars each of whom provides unique expertise into the status and prospects of minority populations in the region The dramatic events of the past decade from the Arab Spring protests to the rise of the Islamic state have brought the status of these populations onto centre stage The overturn of various long term autocratic governments in states such as Tunisia Egypt Libya and Yemen and the ongoing threat to government stability in Syria Iraq and Lebanon have all contributed to a new assertion of majoritarian politics amid demands for democratization and regime change In the midst of the dramatic changes and latent armed conflict minority populations have been targeted marginalized and victimized Calls for social and political change have led many to contemplate the ways in which citizenship and governance may be changed to accommodate minorities or indeed if such change is possible At a time when the survival of minority populations and the utility of the label minority has been challenged this handbook answers the following set of research questions What are the unique challenges of minority populations in the Middle East How do minority populations integrate into their host societies both as a function of their own internal choices and as a response to majoritarian consensus on their status Finally given their inherent challenges and the vast sweeping changes that have taken place in the region over the past decade what is the future of these minority populations What impact have minority populations had on their societies and to what extent will they remain prominent actors in their respective settings This handbook presents leading edge research on a wide variety of religious ethnic and other minority populations By reclaiming the notion of minorities in Middle Eastern settings we seek to highlight the agency of minority communities in defining their past present and future **The Syrian Uprising** Raymond Hinnebusch,Omar Imady,2018-02-02 Most observers did not expect the Arab spring to spread to Syria for a number of seemingly good reasons Yet with amazing rapidity massive and unprecedented anti regime mobilization took place which put the regime very much on the defensive what began as the Syrian Uprising in March 2011 has evolved into one of the world s most damaging and protracted conflicts Despite over six years having passed since the inception of the Syrian Uprising this phenomenon remains difficult to fully grasp both in terms of underlying forces and long term implications This book presents a snapshot of how the Uprising developed in roughly the first two to three years 2011 2013 and addresses key questions regarding the domestic origins of the Uprising and its early trajectory Firstly what were the causes of the conflict both in terms of structure

contradictions and crisis within the pre Uprising order and agency choices of the actors Why did the Uprising not lead to democratization and instead descend into violent civil war with a sectarian dimension With all 19 chapters addressing an aspect of the Uprising the book focuses on internal dynamics whilst a subsequent volume will look at the international dimension of the Uprising Taking an innovative and interdisciplinary approach that seeks to capture the full complexity of the phenomenon this book contributes significantly to our understanding of the Syrian conflict and will therefore be a valuable resource for anyone studying Middle Eastern Politics

Turkey's Relations with the West and the Turkic Republics

Idris Bal, 2017-11-22 This title was first published in 2000 An analysis of the relations between Turkey the West and the newly independent Turkic Republics in the context of the Turkish Model proposed and supported by the West as a possible model for development in the Turkic Republics It summarizes the Turkish Model of development as applied in Turkey including its shortcomings and discusses the role of Turkey in the area after the collapse of the Soviet Union from the point of view of both the West and Turkey itself It also analyzes the possible reasons why the Turkish Model was proposed and how the Turkic Republics received it and why it declined from favour in a short period of time

Nonviolent Activism in Islam

Hayat Alvi, 2021-08-18 In this book author Hayat Alvi's purpose and focus are to illustrate the legal basis for Islamic nonviolent activism as Maulana Abul Kalam Azad promoted and exemplified Maulana Azad's endorsement of nonviolent civil disobedience as a means to expel British colonial rule from India poses a strong counterargument against Islamist extremism and a legal precedent for nonviolent activism in Islam Millions of Indian Muslims participated under Maulana Azad and Mahatma Gandhi's leadership in nonviolent civil disobedience against the British Raj These facts indicate that there is such a thing as nonviolent activism in Islam Abul Kalam Azad introduced nonviolent Jihad in the form of civil disobedience As a legitimate religious authority trained as an Islamic jurist and scholar he endorsed Mahatma Gandhi's nonviolent civil disobedience and activism to free India from British colonial rule A highly respected Islamic scholar and jurist Maulana Azad's endorsement of nonviolent civil disobedience provides the legal precedent for nonviolent activism in Islam Contemporary Muslim leaders and activists can learn lessons from Maulana Azad's example and as Alvi's thoroughly researched book shows can be an argument against blind dogma extremism and militancy in the modern era

Non-Sunni Muslims in the Late

Ottoman Empire Necati Alkan, 2022-02-24 The Alawis or Alawites are a minority Muslim sect predominantly based in Syria Turkey and Lebanon Over the course of the 19th century they came increasingly under the attention of the ruling Ottoman authorities in their attempts to modernize the Empire as well as Western Protestant missionaries Using Ottoman state archives and contemporary chronicles this book explores the Ottoman government's attitudes and policies towards the Alawis revealing how successive regimes sought to bring them into the Sunni mainstream fold for a combination of political imperial and religious reasons In the context of increasing Western interference in the empire's domains Alkan reveals the origins of Ottoman attempts to civilize the Alawis from the Tanzimat period to the Young Turk Revolution He compares

Ottoman attitudes to Alawis against its treatment of other minorities including Bektashis Alevis Yezidis and Iraqi Shi'a. An important new contribution to the literature on the history of the Alawis and Ottoman policy towards minorities this book will be essential reading for scholars of the late Ottoman Empire and minorities of the Middle East. Syria through Jihadist Eyes Nibras Kazimi, 2013-09-01. With field notes accumulated in a Syrian environment not generally hospitable to research and inquiry Nibras Kazimi provides a unique view of the Syrian regime and its base at home filling a void in our understanding of the intelligence barons and soldiers who run that country. He offers a look at the tactical propagandists and strategic ingredients required in jihadist eyes for a successful jihad and whether those ingredients are available in Syria.

Syria as an Arena of Strategic Competition Jeffrey Martini, Erin York, William Young, 2013-03-13. Less than two years since the beginning of the uprising in Syria localized protests have morphed into full blown civil conflict and external actors have become involved as well. RAND conducted an analytic exercise to generate a greater understanding of the parties and issues in play including the actors their motivations and potential impact of their activities. **Area Handbook for Syria** Richard F. Nyrop, 1971. Attempts to provide a comprehensive study of the dominant social political and economic aspects of Syrian society and to identify the pattern of behaviour characteristic of its members.

Nusayrialawi Religion Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nusayrialawi Religion PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nusayrialawi Religion PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources

available. In conclusion, the availability of Nusayrialawi Religion free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Nusayrialawi Religion Books

1. Where can I buy Nusayrialawi Religion books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Nusayrialawi Religion book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Nusayrialawi Religion books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Nusayrialawi Religion audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Nusayrialawi Religion books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
