Nightingale's Lament Simon R. Green, 2004-04-27 The name's John Taylor I work the garish streets of the Nightside the hidden heart of London where it's always three A.M. where human creatures and otherworldly gods walk side by side in the endless darkness of the soul I have a talent for finding things People property no problem But now I'm after something different A local diva called the Nightingale has cut herself off from her family and friends and I've been hired to find out the reason I'm also wondering why her suicide prone fans think she has a voice to die for Literally To get the truth I'll have to lend an ear to the most enticingly beautiful and deadly voice in all of the Nightside and survive *Poetic reader, for the use of schools* Poetic reader, 1881 *Nightingale's Song* Denise Robins, 2014-02-27 It all happens so fast Celia's long lost father appears and announces that he is a millionaire Now in his last days he wants to share his life and his wealth with his only kin his daughter Celia is taken from her drab London flat to her father's fabulous villa in Monte Carlo There she meets Philippe the dashing handsome Frenchman who sweeps her into a confusion of fiery passion And Geoffrey the solid good looking Englishman whose love for her is quiet and dependable Then suddenly her father dies and Celia is a millionairess Now the ugly question nags at her heart does the man she desperately loves want her for herself or for her money *Golden Hours*, 1879 *Stray Leaves.
