The Inspector Barnaby Mysteries Caroline Graham,2023-07-11 The first three Chief Inspector Barnaby mysteries the basis for the British crime drama Midsomer Murders The Killing at Badger s Drift After a spinster is murdered in the seemingly quaint village of Badger s Drift her best friend kicks up a fuss attracting attention from Detective Chief Inspector Barnaby When Barnaby and his eager beaver deputy begin poking around they uncover a swamp of ugly scandals and long suppressed resentments seething below the picture postcard prettiness Murder most pleasing a corking good mystery Los Angeles Times Death of a Hollow Man A leading man is murdered during a performance in a small English village and Inspector Barnaby and his deputy are on the case While Barnaby may lack certain skills as a theater critic he is just the man to catch a killer A theatrical whodunit worthy of a deep bow The New York Times Death in Disguise The Lodge of the Golden Windhorse has provided the citizens of Compton Dando with splendid fodder for gossip prompting speculation of arcane rituals and bizarre sexual practices But with the murder of the commune s leaders the rumor mill goes into overdrive Now Chief Inspector Barnaby must separate rumor from reality in a case where the facts are often stranger than fiction Wonderfully funny with such solid traditional underpinnings as good plotting judiciously dropped clues and a luminescent turn of phrase a likely to be New Age classic Kirkus Reviews

Death in Disguise Caroline Graham,2014-10-15 The English inspector confronts a cultist enclave where mysticism meets murder in the series that inspired the ITV crime drama Midsomer Murders The Lodge of the Golden Windhorse has provided the citizens of Compton Dando with splendid fodder for gossip prompting speculation of arcane rituals and bizarre sexual practices But with the murder of the commune s leaders the rumor mill goes into overdrive Now Chief Inspector Barnaby must separate rumor from reality in a case where the facts are often stranger than fiction The residents of the Windhorse commune may have been seeking the simple life but they re all concealing complicated pasts or past lives Macavity Award winning author Caroline Graham once again demonstrates why she is simply the best detective writer since Agatha Christie The Sunday Times UK

Better Homes and Gardens ,1989 *Perry Boys* Ian Hough ,2007-04-22 In the late 1970s a small body of violent young trend setters exploded out of England s north west to bewilder terrify and eventually enlighten the rest of the country Their novel hooligan style came to be known as the casual movement with its wedge haircut and obsession with expensive designer clothing and training shoes but the story of how its original perpetrators emerged from disparate beginnings has never yet been completely detailed Ian Hough came of age at the epicentre of the explosion in 1979 in north Manchester where outsiders branded these unlikely looking pretenders Perry Boys due to the Fred Perry polo shirts they wore with their narrow cords effeminate hairstyles and Adidas Stan Smith trainers Hough witnessed the sudden ramping up of an age old

rivalry between Manchester and Liverpool's Scallies as the two cities football hooligans realised each was a carbon copy of the other and how they all in turn were embracing a form of organised violence thievery and thinking that was yet to see the light of day elsewhere in the UK As the enlightened tribes of the north west dug in for the long war slashing each other with craft knives and engaging in battles involving thousands the rest of Britain began to pick up the styles for themselves He describes in vivid and often humorous prose how the Perry Boys waged a style war on their lesser evolved peers within Manchester kick starting a national fashion eruption whose tremors are still being felt today The book moves confidently through the 80s underground as the psychedelic fragments of what came to be termed the Rave scene gravitate from the council estates and football stadia of Manchester into the nightclubs where the jaded Perry Boys were waiting all along Manchester's subsequent descent into rampant mayhem in the form of gangsters drug dealers and music now bathed in the strange purple glow of hallucinogenic drugs like Ecstasy spawned the Madchester scene of modern urban legend The sense of unreality and optimism which accompanied Manchester United's domestic and European successes later became inextricably dovetailed to the scene in the city and Hough takes the reader on an intense trip through those heady times Rounding the book off with the story of how this unlikely new style had proved contagious across the UK and how its perpetrators proceeded to travel the globe in search of greener pastures Hough describes the mass exodus of young people many of whom exported the philosophy of the Perry mindset grafting and simply travelling for its own sake around the globe This book is for anyone who is interested in how things began whether it was football hooligan culture or the Rave mentality as the world grew smaller It is a testament to those who lead and a mesmerising read for those who have followed
