millions of job losses His vows to restore fiscal probity resulted in the most ruinous deficits and public debt in U S history He green energy program collapsed into a cesspool of crony political favoritism His vows to restore relations with hostile nations like Iran and North Korea had only deepened those nations disdain for America Despite his harsh criticisms Obama adopted nearly every plank in the Bush era anti terror policy His promise to restore science to its rightful place resulted in the most rigidly inflexible program of ideological extremism in modern memory Even more noteworthy was the fact that the new era of post partisanship he had vowed to create in Washington resulted in the worst political gridlock in living memory This book examines in detail hundreds of campaign promises Obama made while running for President contrasting those with the record of failure and broken promises left in his wake It is a story that has received too little attention until now Indian Summer: Autumn Poems and Sketches Louise Clarkson Whitelock, 2025-07-14 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Weekly Weather and Crop Bulletin* ,1972 **Weekly Weather & Crop Bulletin** ,1972 Final yearly issue includes index of special articles December through March issues contain reports of snow and ice conditions
