Odd Man Out A Biography Of Lord Soper Of Kingsway:

Odd Man Out William Purcell,1983 A History of the Methodist Church in Great Britain, Volume Four Rupert E. Davies,A. Raymond George,Gordon Rupp,2017-06-14 With this volume the publication of A History of the Methodist Church in Great Britain comes to its appointed end The project of writing it was initiated by the Methodist Conference of 1953 and the lapse of time since then has made it possible to include at appropriate points the results of the continuing research into the origins and nature of Methodism but the chance and changes of this mortal life which are bound to impinge on the progress of so complex an enterprise together with the heavy involvement of all the contributors in ecclesiastical ecumenical and academic affairs have made this period much longer than the General Editors would have wished From the Preface

Historical Dictionary of Methodism Charles Yrigoyen Jr.,Susan E. Warrick,2005-03-16 In 2003 Methodists celebrated the 300th anniversary of the birth of their founder John Wesley Today there are more than 300 Methodist denominations in 140 nations Covering the activities of this group that plays an important role in the ecumenical movement through its many social and charitable activities in world affairs this book offers more than 400 entries that describe important events doctrines and the church founders leaders and other prominent figures who have made notable contributions It also includes a list of commonly used acronyms chronology of historical events introductory essay on the history of Methodism 15 page black and white photo spread bibliography listing of important libraries and depositories of Methodist materials The impressive list of contributors includes more than 60 specialists who are academics administrators pastors and theologians *Battles of Conscience* Tobias Kelly,2022-05-05 A ground breaking new study brings us a very different picture of the Second World War asking fundamental questions about ethical commitments Accounts of the Second World War usually involve tales of bravery in battle or stoicism on the home front as the British public stood together against Fascism However the war looks very different when seen through the eyes of the 60 000 conscientious objectors who refused to take up arms and whose stories unlike those of the First World War have been almost entirely forgotten Tobias Kelly invites us to spend the war five of these individuals Roy Ridgway a factory clerk from Liverpool Tom Burns a teacher from east London Stella St John who trained as a vet and ended up in jail Ronald Duncan who set up a collective farm and Fred Urquhart a working class Scottish socialist and writer We meet many more objectors along the way people both determined and torn and travel from Finland to Syria India to rural England Edinburgh to Trinidad Although conscientious objectors were often criticised and scorned figures such as Winston Churchill and the Archbishop of Canterbury supported their right to object at least in principle suggesting that liberty of conscience was one of the freedoms the nation was fighting for And their rich cultural and moral legacy of humanitarianism and human rights from Amnesty International and Oxfam to the US civil rights movement can still be felt all around us The personal and political struggles carefully and vividly collected in this book tell us a great deal about personal and collective freedom conviction and faith war and peace and pose questions just as relevant today Does conscience make

us free Where does it take us And what are the costs of going there An excellent book DAILY TELEGRAPH A moving tribute SPECTATOR *Historical Dictionary of Methodism* Jennifer Woodruff Tait, Christopher J. Warrick, 2009-07-23 In 2003 Methodists celebrated the 300th anniversary of the birth of their founder John Wesley Today there are more than 300 Methodist denominations in 140 nations Covering the activities of this group that plays an important role in the ecumenical movement through its many social and charitable activities in world affairs this book offers more than 400 entries that describe important events doctrines and the church founders leaders and other prominent figures who have made notable contributions It also includes a list of commonly used acronyms chronology of historical events introductory essay on the history of Methodism bibliography listing of important libraries and depositories of Methodist materials The impressive list of contributors includes more than 60 specialists who are academics administrators pastors and theologians **Dissent or Conform?** Alan Wilkinson, 2010-03-25 Dissent or Conform examines how churches reacted to and were affected by the two world wars Its underlying theme however is how the Church can be a creatively dissenting community focusing on how easily the church can turn into a conforming community that only encourages the occurrence of uncreative dissenters the ones who criticize the power without offering solutions and leading to a real change Wilkinson opposes this trait of the church especially given the impact that it has on society as a messenger of the gospel To this end the author depicts religious groups during three periods of time English Nonconformity among the free churches before WWI pacifists and pacifiers between the two wars and Christianity during WWII focusing on how church history interacts with the developments in history and society This book is of particular interest to social and church historians of the 20th century and to all interested in the history and ethics of war and pacifism It will also appeal to those attracted by the interaction between church and society Portrait of Soper William Purcell, 1972 **England, Ireland, Scotland, Wales** Keith Robbins, 2008-09-05 Keith Robbins building on his previous writing on the modern history of the interlocking but distinctive territories of the British Isles takes a wide ranging innovative and challenging look at the twentieth century history of the main bodies at once national and universal which have collectively constituted the Christian Church The protracted search for elusive unity is emphasized Particular beliefs attitudes policies and structures are located

in their social and cultural contexts Prominent individuals clerical and lay are scrutinized Religion and politics intermingle highlighting for churches and states fundamental questions of identity and allegiance of public and private values in a century of ideological conflict violent confrontation in Ireland two world wars and protracted Cold War The massive change experienced by the countries and people of the Isles since 1900 has encompassed shifting relationships between England Ireland and Northern Ireland Scotland and Wales the end of the British Empire the emergence of a new Europe and latterly major immigration of adherents of Islam Hinduism Sikhism and other faiths from outside Europe developments scarcely conceivable at the outset Such a broad contextual perspective provides an essential background to understanding the puzzling ambiguities evident both in secularization and enduring Christian faith Robbins provides a cogent and compelling overview of this turbulent century for the churches of the Isles **British Book News** British Council,1983 Includes no 53a British wartime books for young people **Books and Bookmen** ,1972 Oxford Dictionary of National Biography: Smillie-Sprott Henry Colin Gray Matthew,Brian Harrison,2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 *British Book News* ,1983 *Christian Socialism* Alan Wilkinson,1998 The triumph of the New Right and the collapse of Communism forced the Left to redefine socialism Some discovered an alternative in the Christian Socialist tradition which became much better known when Tony Blair and other noted figures described how their political beliefs derived from their Christian faith **Valiant for Peace** Jill Wallis,1991 **Faithful Uncertainty** Lynne Price,1996 British Books in Print ,1986 **Whitaker's Cumulative Book List** ,1983 **British Paperbacks in Print** ,1985 *The Spectator* ,1949
