Zachary Cotler, 2014-11-12 Winner of the 2014 Colorado Prize for Poetry Supplice is the second installment in T Zachary Cotler's sonnet sequence that began with Sonnets to the Humans Supplice the systematic infliction of physical and or mental torture is both the subject and the main character of this sequence These are amatory sonnets but with love and rhyme tortured into broken and boneset textures Supplice herself the dark lady of these sonnets is difficult to pin down with an epithet Is she the angel of reality banality popular culture pornography uncertainty or economic and environmental crisis She has something to do with the history of cruelty and pain with the devaluation of traditional ideas of beauty and with the silence and science that have replaced divinity A moving love triangle is to be found in these pages the

vertices of which appear to be Supplice the reader writer and one's unobtainable ideal Supplice is Cotler's third book of poems In keeping with his previous books this is a high velocity lyricism of angular elegiac multi dimensional pieces seamlessly joined      *Scared Text* Eric Baus,2011-11-01 Marvelously sustained and densely rhythmic this tightly constructed whole is built of parts that at each level all the way down to the phrase constitute poems in themselves Baus manages to keep a cast of words in constant replay until many of them take on the presence of character and some emerge as characters themselves Minus and Iris for instance keeping the whole on the verge of a narrative project that remains always just barely out of reach just barely in another world in which language and animal endlessly interleave Baus has opened a new literary field the linguistic bestiary a new zoo where words pace like fauves behind ever thinning bars Cole Swensen contest judge and author of *Greensward Ours* and *The Glass Age*      **Family System** Jack Christian,2012-11-15 Winner of the 2012 Colorado Prize for Poetry selected by Elizabeth Willis Family System is one of the most specific and clarifying books of poetry I've ever read It is filled with choices made to be made not made handled with a poetic understanding that what seems arbitrary will be inevitable when said with the right words while singing the right songs This is a stand out first book introducing a first rate original talent doing powerful work making quintessentially lyrical choices Don't miss this book Dara Wier It seems that Jack Christian's brain is able to produce tiny lucid creatures have them run and sprinkle over a map of an unknown world with joy speed and delight Even stranger he's somehow the spiritual offspring of very different ancestors Pascal's *Esprit de Geometrie* and Scandinavian mythology I was eulogizing a squirrel in a shoebox Brilliant Toma alamun

tragedy these poems enact the relationships heartbreaks and small heroic efforts that make up our working lives Think there s nothing poetic about annoying coworkers endless meetings and stained coffee mugs Think again While tragedy provides the organizational structure for this collection humor plays a central role This collection transforms office politics and paper clips into a funny and critical examination of the mortal rat race If you ve ever been fired let go unemployed underemployed or overlooked these poems are for you Begun on stolen reams of printer paper this book reclaims the hours of our lives we give out of necessity to others in order to survive *Our State* ,1999 *Intimacy* Catherine Imbriglio,2013-11-12 Winner of the 2013 Colorado Prize for Poetry *Intimacy* is a series of experimental poems that play with resist and acknowledge complicity with received concepts of intimacy that circulate in this media centric age Undertaking an expansive understanding of the word intimacy each poem contains a word or set of words that modifies the noun uncovering the attending associative and often contradictory obligations that arise in our relations with one another **Carolina Comments** ,1999 **The Lesser Fields** Rob Schlegel,2011-05-18 Rob Schlegel has a mind of winter Like the painter Morandi Schlegel makes a world of absence and deprivation our world the world of human mortality feel like plenitude Imagine wanting to discover the place where you yourself have not yet happened Now imagine creating this place in a language of hard won precision a diction and syntax so elegantly austere that the smallest gesture becomes an explosion of possibility The result is a book that feels rivetingly contemporary while resembling nothing else a book that seems shockingly intimate while giving nothing away The Lesser Fields is a guide book to the world we ve always known but never truly seen James Longenbach final judge In The Lesser Fields Rob Schlegel takes a lit match to the surfaces of his words in an act of poetic arson Thus the poet wanders a landscape whose commonplace markers fish sea trees birds are made disquietingly strange Before my mind Can shape it presence Finishes a thought in my fingers The natural world of language manifests with an incendiary beauty at once tender and dangerous reckless and precise This poetry burns subtly but the heat is unmistakable Elizabeth Robinson *Who's who in Poetry in America* ,1941 **Annulments** Zach Savich,2011-05-18 Winner of the 2010 Colorado Prize for Poetry It is the poet who undistracted by the imbecile telegraphy of this moment dares to sustain a sustaining sound I most esteem and most warmly embrace Zach Savich has written a book both intimate and vast both tender and acidly candid And with his long poem The Mountains Overhead he has entered that visionary company of poets who by overturning Babel lay the heavens at our feet Donald Revell Sparse spare these lines nonetheless overflow with a sheer and brilliant imagination The crows hearing our voices through wires the horses hold themselves like torches the sun a dial tone The tension between minimalism of form and maximalism of concept and feeling gives this work a vivid oddly crystalline momentum The central long poem unfolds one small leaf at a time yet resists accumulation instead it presents us again and again with the opportunity to immerse ourselves in the slightly uncanny what would it be to sing instead of to say This book gives us an intimation Cole Swensen
