Tom Miller

Panama Hat Trail A Journey From South America:

The Panama Hat Trail Tom Miller, 2017-10-10 Critically acclaimed author Tom Miller reveals the making and marketing of one Panama hat from the straw fields of Ecuador's coastal lowland to a hat shop in Southern California Along the way the hat becomes a literary device allowing Miller to give us his impressions from the tributaries of the Amazon to the mountainsides of the Andes The Panama Hat Trail is at once a study in global economics and a lively travelogue

The Panama Hat Trail Tom Miller, 1986

Moon Quito Bethany Pitts, 2019-12-17 Quito is at once a vibrant young city and a traditional Sierra town steeped in ancient culture and tucked between misty mountain peaks Get to know both sides of this beautiful city with Moon Quito Explore the City Navigate by district or by activity with color coded maps or follow a guided walk through Quito's most interesting neighborhoods See the Sights Stroll the cobblestone streets of Quito's Old Town a UNESCO World Heritage Site and bask in the gilded glow of la Compañía church Hike through cloud forests spot Andean bears at a wildlife reserve or climb the rugged Pichincha Volcano Learn about the history of Ecuador's indigenous people at museums of pre-Columbian art and witness Guayasamin's masterpiece at the Capilla del Hombre Get a Taste of the City Eat with the locals at one of Quito's markets or savor innovative takes on traditional Ecuadorian cuisine Bars and Nightlife Linger at a café dance the night away at the trendiest clubs or bar hop through la Mariscal Expert Advice Experience Quito like an insider with tips from local Bethany Pitts on where to eat where to stay and how to get around including advice on supporting local businesses and respectfully engaging with the culture Itineraries and Day Trips Spend a day or a full week in Quito and explore nearby Calderón Guayllabamba Mindo and more Full Color Photos and Detailed Maps Handy Tools Background on the landscape climate and history health and safety information a Spanish phrasebook volunteer opportunities and travel tips for families with kids seniors travelers with disabilities and LGBTQ travelers With Moon Quito's practical tips and local know-how you can plan your trip your way Exploring more of South America Check out Moon Chile or Moon Galapagos Islands

Ecuador David W. Schodt, 2019-03-05 A country often neglected in discussions of Latin America Ecuador offers intriguing insights into the interwoven patterns of continuity and change characteristic of the region In this introduction to Ecuador Dr Schodt begins with a discussion of culture and geography especially critical for understanding this country where the physical partitioning by the Andes has had profound economic and political consequences and where cultural and linguistic differences further divide the population The author then considers Ecuador's early history emphasizing the importance of patterns imposed by regionalism and structured by the nation's colonial heritage This leads to a discussion of the cacao and banana booms and of the consequences of these periods of economic bonanza for domestic politics that focuses on the expansion of the electorate and the emergence of two competing populist movements In the final chapters Dr Schodt examines the political and economic implications of the petroleum boom emphasizing the growing role of the state in the Ecuadorian economy This analysis of the petroleum period concludes with a discussion of Ecuador's prospects for the future

taking account of the conjuncture of the dramatic increase in Ecuador's external indebtedness that took place in the late 1970s and early 1980s the election in 1984 of a government committed to reversing the growth of state intervention in the economy and the sharp decline in 1986 in the world price of petroleum [Going Places](#) Robert Burgin,2013-01-08

Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read alike with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives [Going Places A Reader's Guide to Travel Narratives](#) meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading interests The book examines the subgenres of the travel narrative genre in its seven chapters categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read alike and related reads by shared key topics The author has also identified award winning titles and spotlighted further resources on travel lit making this work an ideal guide for readers advisors as well a book general readers will enjoy browsing [The Rough Guide to Ecuador & the Galápagos Islands \(Travel Guide eBook\)](#) Rough Guides,2016-09-01 The new edition of The Rough Guide to Ecuador is a comprehensive guide to this culturally and ecologically diverse country straddling both hemispheres It includes in depth information on Ecuador's varied wildlife and vibrant indigenous communities plus coverage of some of the most awe inspiring scenery in South America from the Amazon rainforest to the heights of the Andes via beautiful sandy beaches We cover all of Ecuador's highlights from colonial cities to off the beaten track villages snowcapped volcanoes to rolling cloudforests plus details on the best festivals throughout the year As well as coverage of mainland Ecuador including in depth chapters on the two main cities Quito and Guayaquil we have a section dedicated to the Galapagos Islands the world's best wildlife destination With detailed accurate maps inspiring photography insider reviews on the best hotels and restaurants and reliable transport and safety advice throughout The Rough Guide to Ecuador will ensure you won't miss a thing during your trip **The Ecuador Reader** Carlos de la Torre,Steve Striffler,2009-01-16 An interdisciplinary anthology of work from and about Ecuador including nonfiction poetry journalism history and cultural analysis with many primary resources never before published in English **The Cultural History of Plants** Sir Ghilleen Prance,Mark Nesbitt,2012-10-12 This valuable reference will be useful for both scholars and general readers It is both botanical and cultural describing the role of plant in social life regional customs the arts natural and covers all aspects of plant cultivation and migration and covers all aspects of plant cultivation and migration The text includes an explanation of plant names and a list of general references on the history of useful plants **La Chulla Vida** Jason Pribilsky,2022-09-01 Chronicling the experience of young Andean families as their lives extend between Ecuadorian highlands and New York City this book takes an in depth look at transnational labor migration and gender identities Jason Pribilsky offers an engrossing and sensitive

account of the ways in which young men and women in these two locales navigate their lives exploring the impact of gender generation and new forms of wealth in a single Andean community Migration has been a part of the Andes for centuries yet the effects of transnational labor on the individuals and communities remain largely undocumented Pribilsky draws upon firsthand observations of everyday lives to explore issues of consumption transnational marriages and the evolving roles of men and women Pribilsky presents a study that is both engaging and challenging a vital contribution to the fields of Latin American studies and immigration studies **American Studies** Jack Salzman,1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology **The Rough Guide to Ecuador & the Galápagos Islands** Rough Guides,Sara Humphreys,Stephan Küffner,2016-09-20 The Rough Guide to Ecuador the Gal pagos Islands is the definitive travel guide to this captivating country In depth coverage of Ecuador s incomparable wildlife vibrant indigenous cultures and awe inspiring scenery takes you to the most rewarding spots from the Amazon rain forest to the heights of the Andes to glorious laid back beach resorts and stunning color photography brings the land to life on the pages Discover Ecuador s highlights with expert advice on exploring the best colonial cities participating in ancient festivals scaling volcanoes and learning Spanish straddling the Equator and swimming with turtles penguins sea lions and even sharks This guidebook includes extensive coverage of the capital Quito and the Gal pagos Islands the world s premier wildlife destination Easy to use maps reliable advice on how to get around and insider reviews of the best hotels restaurants bars clubs and shops for all budgets ensure that you won t miss a thing Make the most of your time with The Rough Guide to Ecuador the Gal pagos Islands

Unpacked Blake C. Scott,2022-11-15 Unpacked offers a critical novel perspective on the Caribbean s now taken for granted desirability as a tourist s paradise Dreams of a tropical vacation have become a quintessential aspect of the modern Caribbean as millions of tourists travel to the region and spend extravagantly to pursue vacation fantasies At the beginning of the twentieth century however travelers from North America and Europe thought of the Caribbean as diseased dangerous and according to many observers the white man s graveyard How then did a trip to the Caribbean become a supposedly fun and safe experience Unpacked examines the historical roots of the region s tourism industry by following a well traveled sea route linking the US East Coast with the island of Cuba and the Isthmus of Panama Blake C Scott describes how the cultural and material history of US imperialism became the heart of modern Caribbean tourism In addition he explores how advances in tropical medicine perceptions of the tropical environment and development of infrastructure and transportation networks opened a new playground for visitors **A Sense of Place** Michael Shapiro,2004 In A Sense of Place journalist travel writer Michael Shapiro goes on a pilgrimage to visit the world s great travel writers on their home turf to get their views on their

careers the writer's craft and most importantly why they chose to live where they do and what that place means to them The book chronicles a young writer's conversations with his heroes writers he's read for years who inspired him both to pack his bags to travel and to pick up a pen and write Michael skillfully coaxes a collective portrait through his interviews allowing the authors to speak intimately about the writer's life and how place influences their work and perceptions In each chapter Michael sets the scene by describing the writer's surroundings placing the reader squarely in the locale whether it be Simon Winchester's Massachusetts Redmond O Hanlon's London or Frances Mayes's Tuscany He then lets the writer speak about life and the world and through quiet probing draws out fascinating commentary from these remarkable people For Michael it's a dream come true to meet his mentors for readers it's an engaging window onto the twin landscapes of great travel writers and the world in which they live *Gabriel García Moreno and Conservative State Formation in the Andes* Peter V. N.

Henderson, 2009-09-15 This book explores the life and times of Ecuador's most controversial politician within the broader context of the new political history addressing five major themes of nineteenth century Latin American history the creation of political networks the divisiveness of regionalism the bitterness of the liberal conservative ideological divide the complicating problem of caudillismo and the quest for progress and modernization Two myths traditionally associated with García Moreno's rule are debunked The first is that he created a theocracy in Ecuador Instead the book argues that he negotiated a concordat with the Papacy giving the national government control over the church's secular responsibilities and subordinated the clergy many of whom were highly critical of García Moreno to the conservative state A second frequently repeated generalization is that he created a conservative dictatorship out of touch with the liberal age in which he lived Instead the book argues that moderates held sway during the first nine years of García Moreno's period of influence and only during his final term did he achieve the type of conservative state he thought necessary to advance his progressive nation building agenda In sum this book enriches our understanding of many of the notions of state formation by suggesting that conservatives like García Moreno envisioned a program of material progress and promoting national unity under a very different formula from that of nineteenth century liberals **The Rough Guide to Ecuador and the Galapagos: Travel**
