Paper Caper:

The Paper Caper Tim Topps, 2015-12-22 The Paper Caper starts at the beginning of the Cold War in a very laid back army depot full of staff visibly unwinding after the previous war. It follows the newly commissioned but determinedly unmilitary Tim Topps who arrives at the immense depot in 1947. Along with regimental and storehouse duties Tim is immediately appointed Editor of the depot's weekly newspaper which he has never seen or even heard of. Expecting a newsroom bursting with activity when he makes his way to meet his staff the new editor is met with a small private who is currently operating the paper single handedly at a desk in the far corner of the Print Pubs shed. To no surprise the paper itself can mostly be found holding a portion of chips at the end of the week. It is soon revealed that Tim's true role as Editor is to expand the paper using it to trap a Communist sleeper who MI5 have discovered planted within the civilian staff. He is to be aided by a charming and efficient ATS Corporal with whom he is doomed to strictly contrary to army regulations fall in love. Tim and his assistant eventually narrow down the suspects to one officer but all is not as it seems. They are led on a chase beyond the depot to ruined castles up and down the Welsh border coming to the end of their journey near a fishing village in the south of France. Here they will confront their enemy for the last time. The Paper Caper is a light hearted novel that will appeal to fans of history and military novels. Chasing Paper Caper Clarion Books, 2020-10 When VILE operative Paperstar steals the Magna Carta from a special exhibit in Mumbai Carmen Sandiego tries to get them back while also avoiding ACME agents who are determined to take her inches. **The Great Toilet Paper Caper** Gary Hogg, 1995 Spencer is determined to break a world record. Chris enlists her friend Lisa for one mystery and her little brother Joey for the other. All this takes place in a very quiet little town where nothing exciting ever happens. **Oliver Jeffers** Martin Salisbury, 2025-07-24 A phenomenon of 21st century bookmaking Oliver Jeffers has carved an extraordinary career that shows no sign of slowing. Still only in his forties he has published an array of hugely popular books both as illustrator and author-illustrator. This overview of his life and work so far charts his passion for the environment and his quest to understand humanity's major challenges and the impact this has had on his creative and intellectual output. The list of Jeffers's accomplishments is long and glittering. He has held numerous one man shows in both the UK and the USA and was appointed an MBE in 2022 for services to the arts. Most importantly however he has tirelessly pushed the boundaries of what a picturebook can be. His regular exploration of existential issues whether through illustration or other media such as site specific installation or film has exerted a major influence on the practice of authorial picturebook making. This addition to Thames Hudson's acclaimed Illustrators series is the first book to focus closely on Oliver Jeffers's practice as an illustrator offering an in depth analysis of his processes influences styles and subjects as they have changed over time. Jedoch gibt es in Forschung und Unterrichtspraxis derzeit kaum Anstöße wie der Transfer dieses vermeintlich kindlichen Literaturmediums in die Sekundarstufe gelingen kann. Dieser Band legitimiert Picturebooks als komplex angelegte Textform, die sich auch mit fortgeschrittenen Lernenden zu Kompetenz- und inhaltsorientierter Arbeit im Englischunterricht anbietet. Die im Band versammelten konzeptuellen und empirischen Perspektiven zeigen angehenden und praktizierenden Lehrkräften konkret auf, wie vielfältig Picturebooks den Unterricht bereichern können. Eine große Bandbreite praktischer Beispiele verdeutlicht ihr Potenzial für den Englischunterricht der Sekundarstufen von der Förderung verschiedener Literacies und literarischen Lernens bis hin zur Fokussierung von Themen wie Umwelt, sozialer Gerechtigkeit oder kultureller Diversität **Oliver Jeffers (The Illustrators)** Martin Salisbury, 2025-07-01 An overview of the life and work of the Northern Irish illustrator, bookmaker, painter, designer, activist, and global superstar in the world of visual communication. A phenomenon of twenty-first century bookmaking, Oliver Jeffers's energy and curiosity has driven an extraordinary career that shows no sign of slowing. Only in his forties has he published an array of hugely popular books, both as illustrator and author, including *How to Catch a Star* and *Begin Again*. This overview of his life and work so far will chart his passion for the environment and his quest to understand humanity's major challenges and the impact this has had on his creative and intellectual output. The list of Jeffers's accomplishments is long and glittering; he has been granted numerous one-man shows both in the United Kingdom and the United States and was appointed an MBE in 2022 for services to the arts. Most importantly, however, he has tirelessly pushed the boundaries of what a picturebook can be, both in terms of structure and content. His regular exploration of existential issues, both through illustration and other media such as site-specific installation, has exerted a major influence on the practice of authorial picturebook making. His works have been translated into multiple languages and into other media, including full-length animated films such as *Lost and Found* *Radio Drama* Martin Grams, Jr., 2024-10-16 The free-standing radios of the middle decades of the 20th century were invitingly rotund and proudly displayed, nothing like today's skinny televisions hidden inside entertainment centers. Radios were the hub of the family's after-dinner activities, and children and adults gorged themselves on western adventure series like *The Lone Ranger*, police dramas such as *Calling All Cars*, and the varied offerings of *The Cavalcade of America*. Shows often aired two or three times a week, and many programs were broadcast for more than a decade, comprising hundreds of episodes. This book includes more than 300 program logs, many appearing in print for the

first time drawn from newspapers script files in broadcast museums records from NBC ABC and CBS and the personal records of series directors Each entry contains a short broadcast history that includes directors writers and actors and the broadcast dates and airtimes A comprehensive index rounds out the work The Great Paper Caper Oliver
