Hip Pocket Sleaze John Harrison,2012-09-28 *Hip Pocket Sleaze* is an introduction to the world of vintage lurid adult paperbacks Charting the rise of sleazy pulp fiction during the 1960s and 1970s and reviewing many of the key titles the book takes an informed look at the various genres and markets from this enormously prolific era from groundbreaking gay and lesbian themed books to the Armed Services Editions Influential authors publishers and cover artists are profiled and interviewed including the godfather of gore H G Lewis cult lesbian author Ann Bannon fetish artist par excellence Bill Ward and many others A companion to *Bad Mags* Headpress guide to sensationalist magazines of the 1970s *Hip Pocket Sleaze* also offers extensive bibliographical information and plenty of outrageous cover art **Theatrical Costume, Masks, Make-Up**

and Wigs Sidney Jackson Jowers,2013-10-15 First published in 2000 Routledge is an imprint of Taylor Francis an informa company **Subject Guide to Books in Print** ,1997 **Books in Print** ,1991 **Library Literature** H.W. Warman's Antique and Collectibles Price Guide Ellen Schroy,1998 Considered the definitive general price guide to antiques and collectibles this book contains more than 500 collecting categories with tens of thousands of updated price listings and hundreds of photos of the most popular antiques and collectibles *Warman's Antiques and Collectibles Price Guide* Harry L. Rinker,1996-04 An antiques price guide for more than 50 000 items with detailed descriptions **Library Literature** ,1998 **The Official Rinker Price Guide to Collectibles** Harry L. Rinker,2000-10-10 This fourth edition of the Harry L Rinker Official Price Guide to Collectibles has more coverage of collectibles than any other book on the market Here you ll find furniture decorative accessories and giftware along with the traditional character and personality items ceramic glass and toys Each category includes a brief history collecting tips reference books periodicals collector clubs and vital information on reproductions It s a complete document of the 20th century American lifestyle **Books in Print 1997-98** R R Bowker Publishing,1997 *The Illusion of Free Markets* Bernard E. Harcourt,2012-11-12 It is widely believed today that the free market is the best mechanism ever invented to efficiently allocate resources in society Just as fundamental as faith in the free market is the belief that government has a legitimate and competent role in policing and the punishment arena This curious incendiary combination of free market efficiency and the Big Brother state has become seemingly obvious but it hinges on the illusion of a supposedly natural order in the economic realm *The Illusion of Free Markets* argues that our faith in free markets has severely distorted American politics and punishment practices Bernard Harcourt traces the birth of the idea of natural order to eighteenth century economic thought and reveals its gradual evolution through the Chicago School of economics and ultimately into today s myth of the free market The modern category of liberty emerged in reaction to an earlier integrated vision of punishment and public economy known in the eighteenth

century as police This development shaped the dominant belief today that competitive markets are inherently efficient and should be sharply demarcated from a government run penal sphere This modern vision rests on a simple but devastating illusion Superimposing the political categories of freedom or discipline on forms of market organization has the unfortunate effect of obscuring rather than enlightening It obscures by making both the free market and the prison system seem natural and necessary In the process it facilitated the birth of the penitentiary system in the nineteenth century and its ultimate culmination into mass incarceration today Warman's Antiques and Collectibles Price Guide Ellen Tischbein
