

Party On Ice

Daniel F McAuley

Party On Ice:

Party on Ice Amy Hest,1995-10-18 The three girls featured in Pajama Party and Nannies for Hire are now planning something new a seemingly simple birthday party This true to life story becomes an adventure featuring relationships between best friends and family members an ice skating accident and great fun The fast paced action will appeal to readers who are new to chapter books School Library Journal **The Lady of the Ice** James De Mille,1870 Footsteps on the Ice Stuart D. Paine,2007-06-18 In 1933 Antarctica was essentially unexplored Admiral Richard Byrd launched his Second Expedition to chart the southernmost continent primarily relying on the muscle power of dog teams and their drivers who skied or ran beside the loaded sledges as they traveled The life threatening challenges of moving glaciers invisible crevasses and horrific storms compounded the difficulties of isolation darkness and the unimaginable cold that defined the men s lives Stuart Paine was a dog driver radio operator and navigator on the fifty six man expedition the bold and complex venture that is now famous for Byrd s dramatic rescue from Bolling Advance Weather Base located 115 miles inland Paine s diaries represent the only published contemporary account written by a member of the Second Expedition They reveal a behind the scenes look at the contentiousness surrounding the planned winter rescue of Byrd and offer unprecedented insights into the expedition s internal dynamics Equally riveting is Paine s breathtaking narrative of the fall and summer field operations as the field parties depended on their own resources in the face of interminable uncertainty and peril Undertaking the longest and most hazardous sledging journey of the expedition Paine guided the first American party from the edge of the Ross Sea more than seven hundred miles up the Ross Ice Shelf and the massive Thorne Scott Glacier to approach the South Pole He and two other men skied more than fourteen hundred miles in eighty eight days to explore and map part of Antarctica for the first time Footsteps on the Ice reveals the daily struggles extreme personalities and the matter of fact bravery of early explorers who are now fading into history Detailing the men s frustrations annoyances and questioning of their leader Paine s entries provide rare insight into how Byrd conducted his expeditions Paine exposes the stresses of living under the snow in Little America during the four month long winter night trapped in dim crowded huts and black tunnels while the men uneasily mulled over their leader s isolation at Advance Base The fates of Paine s dogs which provided some of his most difficult and rewarding experiences are also described his relationship with Jack his lead dog is an entrancing story in itself Featuring previously unpublished photographs and illustrations Footsteps on the Ice documents the period in Antarctic exploration that bridged the heroic era and the modern age of mechanized travel Depicting almost incomprehensible mental and physical duress and unhesitating courage Paine s tale is one of the most compelling stories in polar history surpassing other accounts with its immediacy and adventure as it captures the majesty and mystery of the untouched Antarctic

Greenland Ice Cap Research Program, Studies Completed in 1954 United States. Army. Corps of Engineers,1951 **The Southeastern Reporter** ,1901 The Sphere ,1903 Ice Jam Data Collection Kathleen D. White,Jon E. Zufelt,Cold

Regions Research and Engineering Laboratory (U.S.),1994 *The Complete Idiot's Guide to Homemade Ice Cream* Bobbi Dempsey,Dick Warren,2006-04-04 Scream for ice cream Homemade ice cream has a special taste that money can t buy and it is a family activity and summer tradition in many homes But for the novice homemade ice cream isn t as simple as it seems and even families that have been making it for years look for new recipes and ideas to challenge their skills and delight their taste buds More than 200 fully tested recipes ranging from the simple to the sublime Step by step instructions for making ice cream sherbet sorbet frozen yogurt and gelato as well as frozen and ice cream based drinks Topping and serving recipes and ideas **Records and Briefs of the United States Supreme Court** ,1912 **The Central Law Journal** ,1900 Vols 65 96 include Central law journal s international law list **The Northwestern Reporter** ,1919 **SIPRE Report** ,1973
