Gigantic Faith Bishop Hersel W. Johnson, 2025-09-03 This book Gigantic Faith was written by Bishop Hersel W Johnson PhD to show in many instances how I used the gift of faith In 1 Corinthians we are told about the nine gifts of the Spirit and it says that they are given to every man to profit withal When I read this I asked God to give me the gift of faith I found out that there were two different kinds of faith the faith that every man is born with called the measure of faith and the gift of faith With the measure of faith some of the things that are prayed for will be answered but with the gift of faith almost everything that you can imagine can be answered In Isaiah 45 11 it says Thus sayeth the Lord the Holy One of Israel and his maker ask of me of things to come concerning my sons and concerning the works of my hands Command ye me This level of faith is much higher than the measure of faith and few attain to it even though it is open to anyone that desires it and is willing to trust God that far The Heavens even the Heavens are the Lords but the earth hath he given to the children of men Psalm 115 16 This means that whatever things circumstances or situations that need to be changed that can be put into words can be answered I found out that even the weather to a certain extent can be controlled especially destructive storms floods earthquakes and fires I found that whatever Jesus did we can also do with the gift of faith It is true we don t have the power to do these things but are given authority in the name of Jesus to do these miraculous feats You have to trust the Lord with your life in order to prove His word true This book is undeniable proof that God is not dead and that He is concerned with His creation with many incidents that are written and many more that were not recorded This book spans the gamut from simple prayers that were answered to prayers and trust that only a living deity could perform I am blessed and humbled that He would use me in this day of super intellectuals in science and philosophy who constantly try to prove that God does not exist If we are faithful to Him and trust Him with our lives He will bestow on us this gigantic faith Dr Bill Winston says that we have no idea of the power and authority that God has bestowed on us
