Big Pharma, Women, and the Labour of Love Thea Cacchioni, 2015-07-27 In 2010 Thea Cacchioni testified before the US Food and Drug Administration against flibanserin a drug proposed to treat low sexual desire in women dubbed by the media the pink Viagra She was one of many academics and activists sounding the alarm about the lack of science behind the search for potentially lucrative female sexual enhancement drugs In her book *Big Pharma Women and the Labour of Love* Cacchioni moves beyond the search for a sexual pharmaceutical drug for women to ask a broader question how does the medicalization of female sexuality already affect women's lives Using in depth interviews with doctors patients therapists and other medical practitioners Cacchioni shows that whatever the future of the pink Viagra heterosexual women often now feel expected to take on the job of managing their and their partners sexual desires Their search for sexual pleasure can be a labour of love work that is enjoyable for some but a chore for others An original and insightful take on the burden of heterosexual norms in an era of compulsory sexuality Cacchioni's investigation should open up a wide ranging discussion about the true impact of the medicalization of sexuality

Ageless Suzanne Somers, 2007-12-31 In this 1 New York Times bestseller Suzanne Somers reveals the secrets to a younger healthier and sexier you What if you could really feel better as you get older or age without illness What could be better than having your doctor tell you that you have the bones of a twenty year old or the heart of a thirty year old Follow the advice in *Ageless* and you'll discover your own internal fountain of youth Jam packed with updated information on bioidentical hormone replacement and antiaging *Ageless* will change your life forever Suzanne talks about Antiaging medicine and how it can help work against the environmental assault that is making us sick Menopause which can become an enjoyable passage once the body is in perfect hormonal sync with bioidentical hormone replacement therapy Why so many hysterectomies are unnecessary how birth control pills may have contributed to the rise of them and how to restore your body to perfect hormonal balance after having one The importance of sleep and the healing work that nature does during this time

The Passion Prescription Laura Berman, 2006-02-01 The definitive guide to a sexual makeover for women of all ages In *The Passion Prescription* Dr Laura Berman the nation's leading sex therapist offers women a step by step guide for making over

their sex lives in just 10 weeks Whether married or single young or old every woman can find the tools to create the sex life she wants and deserves Each chapter explores a different facet of women s sexuality including tailored recommendations and homework designed to deliver every woman to sexual satisfaction at the end of the 10 weeks And since sex is always a couples issue a Guy s Guide at the end of each chapter summarizes the key points that he needs to know Dr Berman also fills in the information gap about medical interventions for women s sex lives She offers women up to the minute medical guidance for optimizing their sexual health Her approach includes quizzes for getting to the root of specific sexual challenges and resources for finding the care women need This ultimate sexual makeover guide includes results from two groundbreaking new studies One sheds light on the myths surrounding vibrators letting all women in on the secret benefits that vibrators hold for their sex lives including enhanced libido better relationships and even better quality of life The second study introduces women to the little discussed concept of genital self image and how it affects their sexual satisfaction

The Energies of Love Donna Eden,David Feinstein,2016-01-19 The bestselling authors of Energy Medicine and Energy Medicine for Women present a complete program for using energy medicine to heal and strengthen romantic relationships A relationship begins with the meeting of two unique energies This union of energies though invisible determines the way you communicate fight love and want to be loved In this groundbreaking book the bestselling authors of Energy Medicine draw on the real life experiences of couples who have attended their popular Energies of Love workshops as well as their own experience as husband and wife to show how an understanding of your energy system and that of your partner can help you build a more harmonious and loving bond We all have different ways of making sense of the world around us but when faced with conflict especially with those we care most about we tend to revert to one of four Energetic Stress Styles Visuals are extremely passionate and inspire others to care about the things they care about but in moments of conflict their take on the situation can overshadow what is actually occurring undermining their ability to empathize with their partner Kinesthetics are generous compassionate and accepting of other people but their caring nature pulls them in too many directions They try to meet others needs at the expense of their own which can cause mounting resentment Digitals are rational and principled and have a gift for quickly understanding complex situations but they can become closed to others perspectives and feelings Tonals have a gift for understanding others and their dilemmas but during moments of conflict their ability to read between the lines can morph into hearing what was never said felt or thought According to the authors the strongest relationships are those in which the two parties feel that they are partners on a shared spiritual journey By helping you better understand your own unique energy system as well as that of your partner you will be able to recognize your strengths as a couple and avoid the pitfalls The Energies of Love serves as a powerful resource for anyone who wishes to build a rich partnership while maintaining the spark that keeps a relationship exciting
