motivation are key to young children's happiness and health. Thinking about dreams and goals can help children cope with challenges when they arise and view life through a hopeful lens. With this encouraging book, nurture children's imaginations and help them enjoy taking responsibility for their choices and goals. Back matter includes advice for motivating kids and teaching about goal setting at home, at school, and in childcare. Being the Best Me Series: From the author of the popular Learning to Get Along series comes the next book in this one-of-a-kind character development series. Each of the first seven books in the Being the Best Me series helps children learn, understand, and develop attitudes and positive character traits that strengthen self-confidence and a sense of purpose. Each book focuses on a specific attitude or character trait: optimism, self-esteem, assertiveness, resilience, integrity, forgiveness, and goal setting. Also included are discussion questions, games, activities, and additional information for adults. Filled with diversity, these social story books will be welcome in school, home, and childcare settings.

Neonatal and Pediatric Respiratory Care - E-Book Brian K. Walsh, 2018-09-06. Learn to improve the respiratory care of neonates, infants, and children. Neonatal and Pediatric Respiratory Care, 5th Edition, gives you a solid foundation in the assessment and treatment of respiratory disorders. Clear, full-color coverage simplifies the principles of respiratory care while emphasizing clinical application. A critical piece in respiratory care's total curriculum solution, this new edition includes all the changes in current clinical practice and in the education environment. Learning objectives at the beginning of each chapter break down key content into measurable behaviors, criteria, and conditions, and self-assessment questions provide an excellent review for the NBRC Neonatal/Pediatric Specialty exam. UPDATED Content reflects the latest developments in the field, meeting the needs of AD programs and BS Respiratory Care programs, which are growing in this field. NBRC exam-style assessment questions test your comprehension of the material in each chapter. Neonatal and pediatric disorders case studies provide an opportunity to see how content covered in the text applies to the more difficult areas of care for neonatal and pediatric disorders. Comprehensive test preparation is provided through coverage of all the content in the matrix for the NPS exam. Learning objectives at the beginning of each chapter highlight what you should learn by breaking down key content into measurable behaviors, criteria, and conditions. Academic and authoritative presentation of content covers all of the major topics of respiratory care for neonates, infants, and children, including both theory and application. Dedicated Quality and Safety chapter addresses quality care for the neonatal/pediatric patient. NEW Revised chapter: Invasive Mechanical Ventilation of the Neonate and Pediatric Patient conforms to the new terminology and taxonomy for modes of ventilation. NEW Additional case studies provide more application opportunities for you. NEW Revised content better correlates to the NBRC NPS exam.
