Read the text and write the name of the means of transport under the pictures.

Three students meet in Munich. Hans, from Germany, Frank from Switzerland and Peter from Austria. They know each other from university. Hans talks about his holiday in northern Germany. 'I went to the station by bus. There I took a train to the North Sea. My parents live on an island that can only be reached by ferry. On the island I have rode a bike. I love the North Sea because I can see the ships in the distance. My parents also have a sailboat, with which I often sail to another island.

Frank says 'I like to travel to other countries. Last year I was in Spain. There I rented a car and travelled through the country. In some of the cities I have taken a tram. In Paris I took the subway. Peter then tells. 'I love the mountains and nature and have travelled around with a scooter. Unfortunately, there were many lorries on the motorways. I don't like that.'

Answer the questions

1. What kind of transport do you use to get to school?
