Fountas,Gay Su Pinnell,2000 Interactive Writing is specifically focused on the early phases of writing and has special relevance to prekindergarten kindergarten grade 1 and 2 teachers Reading, Writing, and Talk Mariana Souto-Manning,Jessica Martell,2016-05-14 This book invites readers to

consider ways in which their language and literacy teaching practices can better value and build upon the brilliance of every child. In doing so it highlights the ways in which teachers and students build on diversities as strengths to create more inclusive and responsive classrooms. After inviting readers to consider and better understand the diverse language and literacy practices of diverse children it offers invitations for teachers to make these practices foundational in their own classrooms and to consider meaningful possibilities for learning authentically with young children in primary grades. It features chapters that focus on oral language reading and writing development all while recognizing that these are not separate. In each of these chapters readers are invited to consider diverse possibilities, perspectives and points of view in practice within primary grades classrooms. Throughout it offers ways to foster classroom learning communities where racially, culturally and linguistically diverse children are supported and valued.

Handbook of Research on Teaching Literacy Through the Communicative and Visual Arts, Volume II James Flood, Shirley Brice Heath, Diane Lapp, 2015-04-22. The Handbook of Research on Teaching Literacy Through the Communicative and Visual Arts Volume II brings together state of the art research and practice on the evolving view of literacy as encompassing not only reading, writing, speaking and listening but also the multiple ways through which learners gain access to knowledge and skills. It forefronts as central to literacy education the visual, communicative and performative arts and the extent to which all of the technologies that have vastly expanded the meanings and uses of literacy originate and evolve through the skills and interests of the young. Inclusive Educational Practice Teresa Grainger, Janet Tod, 2013-10-28. First Published in 2001. An inclusive education is one which seeks to respond to individual differences through an entitlement of all learners to common curricula. Armstrong and Barton 2000. This book attempts to respond to this definition of inclusion by examining the principles of the literacy curriculum and a range of pedagogic practices. The complex relationships between inclusion, literacy and learning are acknowledged and it is argued that quality learning in language and literacy can work towards increased equity and involvement within the classroom community.

Teaching Literature to Adolescents Richard Beach, Deborah Appleman, Bob Fecho, Rob Simon, 2011-03-04. Designed to introduce prospective English teachers to current methods of teaching literature in middle and high school classrooms, this popular textbook explores a variety of innovative approaches that incorporate reading, writing, drama, talk and media production. Each chapter is organized around specific questions that English educators often hear in working with preservice teachers. The text engages readers in considering the dilemmas and issues facing literature teachers through inquiry based responses to authentic case narratives. A Companion Website <http://teachingliterature.pbworks.com> provides resources and enrichment activities inviting teachers to consider important issues in the context of their own current or future classrooms.
