The Golden Thread Patt Mills, 2009-04 After worrying with this situation of God all of my live I am reconciled that there is no God of the relationship I have always been taught God started this whole thing with a Big Bang Not if he looked anything like us or cared what we do especially in this pitiable state of evolution By studying our past we find that Man has always had a sense of longing to be better someone or something to worship but he was wise enough to call it what it is his ideas This does not encompass the other side of the coin or dark side of our beings which I have covered in this book We have discovered that we are so small in the whole scheme of things an infinitesimal amount of energy like one grain of sand in the whole desert of all our world Here we are one small atom in the galaxies of space temporarily ruled by one set of mammals does it really make a difference what we learn I suppose it does make a difference to us not that we can do anything about it except to try

The Golden Thread Michael Joyce, *The Golden Thread and other Plays* Emilio Carballido, 2013-12-06 Emilio Carballido was one of the most innovative and accomplished of Mexico's playwrights and one of the outstanding creators in the new Latin American theater By his mid forties he had already produced an impressive body of works in two very different veins On the one hand he mastered the techniques of the well made play On the other he developed a richly rewarding vein of fantasy sometimes poetic sometimes comic sometimes macabre and sometimes all three The plays in this volume are in the latter vein ranging from surrealist farce in *The Intermediate Zone* to the grotesqueries of *The Time and the Place* from tragicomedy in *Theseus* to the dreamlike permutations of *The Golden Thread* But even at his

most fantastic Carballido never loses his remarkable gift for characterization his peevish Minotaur his raffish Nahual were jaguar are wholly believable monsters **Golden Threads** John J. Volpe With his continental charm and dazzling smile he enters their lives with disturbing consequences In a few short weeks an event of heart breaking proportions breaks the trust between the two sisters souring Claudia s outlook throughout her working life She severs all ties with Maria for the next forty years The sisters tread their own paths neither able to share their burdens with the one person who knows them better than they know themselves The bond between the sisters is stretched to breaking point until a chance encounter leads to a miracle Claudia and Maria both find unexpected happiness and can finally share their joy together Author Monica Carly has created a gripping tale with engaging characters and an intriguing plot that will absorb the reader right up until its feel good ending The Golden Thread is a work of romantic fiction with a twist and has been inspired by the author s love of Jane Austen Her writing style is comparable to Michele Roberts and Joanna Trollope It s a lovely story elegant writing There s an intricate web of relationships and Carly handles them well It s a light feel good read but with some twists in the plot which I certainly wasn t expecting a very enjoyable read The Book Bag
