**Tea-cup Reading** A. Highlandseer,1921      **Tea-Cup Reading** Highland Seer,2015-02-01 Tea Cup Reading Fortune Telling by Tea Leaves By A Highland Seer With Illustrations Melton s described methods of pouring away the tea and shaking the cup are rarely seen most readers ask the querent to drink the tea off then swirl the cup Likewise his notion that readers give intuitive interpretations reflects his unfamiliarity with teacup reading most readers use the standard symbols that have been handed down through several generations There are however many who prefer to read by feel and intuition as stated by Melton It is traditional to read a cup from the present to the future by starting along the rim at the handle of the cup and following the symbols downward in a spiral manner until the bottom is reached which symbolizes the far future Most readers see images only in the dark tea leaves against a white or neutral background some will also read the reverse images formed by seeing the symbols that form in the white negative spaces with a clump of dark leaves forming the background Some people consider it ill advised for one to attempt tasseography using tea from a cut open tea bag or to use a symbol dictionary The reasons for these prohibitions are practical tea bag tea is cut too finely to form recognizable figures in the cup and tea leaf reading has its own historic system of symbolism that does not correspond exactly with other systems such as symbolic dream divination      *Reading Tea-leaves* Highland Seer,1995      Messages in Your Tea Cup Irene McGarvie,2009-05 Throughout history people all over the world have been able to predict future events and get advice from beyond through tea leaf reading tasseography McGarvie explains everything one needs to know to read tea leaves      *Reading Tea Leaves - Containing Information on the Interpretation of Symbols* Anon,2012-12-01 This early work on reading tea leaves is both expensive and hard to find in its first edition It contains information on the interpretation of symbols and their future predictions This is a fascinating work and is thoroughly recommended for anyone interested in reading tea leaves Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce We are republishing these classic works in affordable high quality modern editions using the original text and artwork      **Guide to Tea Leaf Symbol** Florence J Martin,2020-08-21 Tasseography is mainly the art of reading tea leaves or similar substances and using it to
