SEEKING WISDOM

EDITED BY DAVID F. FORD AND GRAHAM STANTON

Reading Texts Seeking Wisdom Scripture And Theology

Kevin J. Vanhoozer

Reading Texts Seeking Wisdom Scripture And Theology:

Reading Texts, Seeking Wisdom David F. Ford, Graham Stanton, 2004 Eighteen leading scripture scholars and theologians engage with key issues and texts to do with scripture and theology They look at how the Bible and theology have come together in the past in Judaism the early Church the Middle Ages early modernity and the 20th century How is current biblical scholarship to be related to past insights and modern methods Contributors debate how wisdom is to be related to faith and to reason Reading Texts, Seeking Wisdom - Scripture and Theology David F. and Stanton Ford (Graham), 2003

Reading Texts, Seeking Wisdom David F. Ford, Graham Stanton, 2003 Wisdom is both a theme in scripture and desirable in biblical interpretation and theology It should prove a fruitful focus for this volume which engages with key issues and texts dealing with scripture and theology The contributors look at how the Bible and theology have come together in the past in Judaism the early Church the Middle Ages early modernity and the 20th century They question how current biblical scholarship is to be related to past insights and modern methods and debate how wisdom is to be related to faith and reason They also discuss Jesus as the wisdom of God Scripture and Theology Tomas Bokedal, Ludger Jansen, Michael Borowski, 2023-08-21 The academic disciplines of Biblical Studies and Systematic Theology were long closely linked to one another However in the modern period they became gradually separated which led to increasing subject specialization but also to a lamentable lacuna within the various branches of Divinity As the lack of dialogue between Biblical Studies and the various theological disciplines increased a minority group of scholars in the past few decades reacted and sought to re-establish the time honoured bonds between the disciplines The present volume is part of this intellectual response with contributions from scholars of various professional and denominational backgrounds Together the book's 25 chapters seek to reinvigorate the crucial cross disciplinary dialogue involving biblical narrative historical systematic theological and philosophic theological perspectives The book opens the horizon to contemporary research and fills a lamentable research gap with a number of fresh contributions from scholars in the respective sub disciplines *Scripture's Doctrine and Theology's Bible* Markus Bockmuehl, Alan J. Torrance, 2008-11 A team of world renowned scholars explores on what grounds and to what extent the New Testament shapes and prescribes Christian theology **The Doctrine of Scripture** Brad East, 2021-08-27 When Holy Scripture is read aloud in the liturgy the church confesses with joy and thanksgiving that it has heard the word of the Lord What does it mean to make that confession And why does it occasion praise The doctrine of Scripture is a theological investigation into those and related questions and this book is an exploration of that doctrine It argues backward from the church's liturgical practice presupposing the truth of the Christian confession namely that the canon does in fact mediate the living word of the risen Christ to and for his people What must be true of the sacred texts of Old and New Testament alike for such confession and the practices of worship in which they are embedded to be warranted By way of an answer the book examines six aspects of the doctrine of Scripture its source nature attributes ends

interpretation and authority The result is a catholic and ecumenical presentation of the historic understanding of the Bible common to the people of God across the centuries an understanding rooted in the church s sacred tradition in service to the gospel and redounding to the glory of the triune God Scriptural Interpretation Darren Sarisky,2012-08-21 In Scriptural Interpretation Sarisky brilliantly draws together Patristic Theology and a theological interpretation of Scripture in the modern day to examine Scripture s central place in the life of the Church and ordinary believers Examines the importance of scriptural interpretation in the life of Christians and of the church Draws together two lively discussions a study of the theology of the Cappadocian fathers and a discussion of theological interpretation of Scripture in the twentieth and twenty first centuries Covers an impressive historical range from Basil of Caesarea right up to the work of the major contemporary thinkers Stanley Hauerwas and Rowan Williams Offers a sophisticated understanding of many Patristic thinkers an area of huge current interest in the field and challenges accepted readings of the theology of Basil of Caesarea **Evangelical Christians and Popular Culture** Robert H. Woods Jr.,2013-01-09 This three volume collection demonstrates the depth and breadth of evangelical Christians consumption critique and creation of popular culture and how evangelical Christians are both influenced by and influence mainstream popular culture covering comic books to movies to social media Evangelical Christians and Popular Culture Pop Goes the Gospel addresses the full spectrum of evangelical media and popular culture offerings even delving into lesser known forms of evangelical popular culture such as comic books video games and theme parks The chapters in this 3 volume work are written by over 50 authors who specialize in fields as diverse as history theology music psychology journalism film and television studies advertising and public relations Volume 1 examines film radio and television and the Internet Volume 2 covers literature music popular art and merchandise and Volume 3 discusses public figures popular press places and events The work is intended for a scholarly audience but presents material in a student friendly accessible manner Evangelical insiders will receive a fresh look at the wide variety of evangelical popular culture offerings many of which will be unknown while non evangelical readers will benefit from a comprehensive introduction to the subject matter **The Bible in Worship** Victoria Raymer ,2018-02-27 Biblical proclamation is central to Christian worship The Bible witnesses to the foundational experiences of the Church Its proclamation invites worshippers into encounter with Christ the living Word The Bible in Worship seeks to make visible how the Bible is encountered in the worship of mainstream Western churches Focusing in turn on the Roman Catholic Reformed and Anglican traditions Victoria Raymer offers a detailed and lively consideration of the contemporary practices of proclamation in each considers their respective patterns of reading the Bible as part of public worship and reflects on the place the Bible takes in daily prayer Raymer also draws our attention towards the role the psalms play in contemporary formal liturgy and offers a chapter on how the Bible is weaved into less formal forms of worship including contemporary sung worship Offering a truly holistic study of the scripture in worship the book will resource readers to reflect on how proclamation invites response in understanding and

resolve and to consider how it might do so more effectively *John Webster* Jordan Senner, 2021-12-16 Jordan Senner captures the systematic shape logic and development of his thought from the vantage point of the God creature relation Webster s development is depicted in terms of three phases Christocentric Trinitarian and Theocentric culminating in a conceptual analysis of three key aspects of his mature theology his doctrine of divine perfection theory of mixed relations and concept of dual causality Senner illustrates this heuristic framework for interpreting Webster s theology through an exploration of different aspects of his account of the God creature relation Christology hypostatic relation ecclesiology redemptive relation bibliology communicative relation and theological theology rational relation This volume not only provides a dynamic introduction to Webster s theology as a whole but it also includes fascinating forays into the complexities of Webster s engagement with Barth and Aquinas raising interesting questions for constructive theological dialogue that is neither straightforwardly Protestant nor Catholic **Renaming Abraham's Children** Robert B. Foster, 2016-07-25 In this study Robert B Foster explores the intersection between the interpretation of Scripture and the construction of communal identities He argues that in Rom 9 Paul applies prophetic texts from Malachi Hosea and Isaiah to the story of Abraham s children in Genesis These interpretive maneuvers enable Paul to extrapolate from the patriarchal narratives a specific construal of election it is the ironic privilege of being simultaneously God s chosen and rejected people This understanding of election he in turn applies to Gentile Christ followers the remnant and all Israel in order to build for them an all encompassing yet differentiated Abrahamic identity for the messianic age **Dictionary for Theological Interpretation of the Bible** Kevin J. Vanhoozer, 2005-11 This groundbreaking reference tool introduces key names theories and concepts for interpreting Scripture The Domain of the Word John Webster, 2012-06-28 The book brings together a set of related studies on the nature of Scripture and of Christian theology by one of the most prominent representatives of Protestant theology of our time After a brief introduction on the setting of the book and its major themes the first part of the volume examines topics on the nature and interpretation of Scripture A comprehensive proposal about Scripture and its interpretation is followed by a study of Scripture as the embassy of the risen Christ and by three related chapters analyzing the ways in which widely different major modern theologians Barth T F Torrance and Rowan Williams have understood the nature and interpretation of the Bible The second part of the volume makes a cumulative proposal about the nature and tasks of Christian theology examining the fundamental principles of systematic theology the distinctive role and scope of reason in Christian theology the relation of theology to the humanities and the vocation of theology to promote the peace of the church

Proverbs and Ecclesiastes Amy Plantinga-Pauw, 2015-03-18 In this new volume in the Belief series Amy Plantinga Pauw reveals how the biblical books of Proverbs and Ecclesiastes while often overlooked are surprisingly relevant for Christian faith today Both biblical books probe everyday human experiences They speak to those who seek meaning and purpose in an uncertain world and encourage us to look for God s presence in human life not in divine visions or messages They show

openness to wisdom insights from many sources urging us to find the commonalities and connections of our wisdom with those of our religious neighbors Ultimately these books affirm that true wisdom whatever its human source comes from God Pauw includes reflections for preaching and teaching throughout her study

A Companion to the Theology of John Webster Michael Allen, R. David Nelson, 2021-06-10 An overview and analysis of John Webster's seminal contributions to Christian theology At the time of his death John Webster was widely hailed as one of the leading Christian theologians in the world Over the course of three decades he produced groundbreaking studies on the theologies of Eberhard Jüngel and Karl Barth and especially since the turn of the millennium numerous books and essays on various themes in Christian dogmatics He then intended to write an encyclopedic systematic theology a project he was unable to complete No substitute is possible for that lost opus but the contributors offer this volume as an homage to Webster and an aid to those who want to learn from him A Companion to the Theology of John Webster begins with an introductory section on Webster's theological development then continues into an extensive overview of Webster's contributions to contemporary discussions of particular doctrines An epilogue suggests how Webster's theology might have unfolded had he lived longer and imagines the continuing influence of his work on the enterprise of Christian dogmatics Readers hoping to understand the legacy of this great theologian and also those eager for fresh insights into the present state and future trajectories of contemporary Protestantism will find much to offer here

Locations of God Mark G. Brett, 2019-09-10 The Hebrew Bible is hardly what might be called a unified account of the national history of Israel The texts with their myriad genres and competing perspectives show the forming and reforming of Ancient Israel's social body in a number of geographical settings The communities are shown in and out of political power We read about in fighting and peace good kings and bad freedom and subjugation Ultimately the Hebrew Bible is a text about nationhood and empire in the ancient world Critical reflection on the intersections of religious and political life which includes such topics as sovereignty leadership law peoplehood hospitality redemption creation and eschatology can be broadly termed Political Theology In Locations of God Mark G Brett focuses primarily on the historical books of the Bible comparing them with selected prophetic and wisdom books setting all of them against the lived realities under the shadow of successive empires Brett suggests that national ideas and their imperial alternatives were woven into the biblical traditions by authors who enjoyed very little in the way of political sovereignty Using political theology to motivate the discussion Brett shows us just how the earthly situation of ancient Israel contributed to its theology as reflected in the Hebrew Bible

The Church's Book Brad East, 2022-04-26 What role do varied understandings of the church play in the doctrine and interpretation of Scripture In The Church's Book Brad East explores recent accounts of the Bible and its exegesis in modern theology and traces the differences made by divergent and sometimes opposed theological accounts of the church Surveying first the work of Karl Barth then that of John Webster Robert Jenson and John Howard Yoder following an excursus on interpreting Yoder's work in light of his abuse East delineates the distinct understandings of Scripture

embedded in the different traditions that these notable scholars represent In doing so he offers new insight into the current impasse between Christians in their understandings of Scripture one determined far less by hermeneutical approaches than by ecclesiological disagreements East's study is especially significant amid the current prominence of the theological interpretation of Scripture which broadly assumes that the Bible ought to be read in a way that foregrounds confessional convictions and interests As East discusses in the introduction to his book that approach to Scripture cannot be separated from questions of ecclesiology in other words how we interpret the Bible theologically is dependent upon the context in which we interpret it

The Oxford Handbook of Early Christian Biblical Interpretation Paul M. Blowers, Peter W. Martens, 2019-05-16 The Bible was the essence of virtually every aspect of the life of the early churches The Oxford Handbook of Early Christian Biblical Interpretation explores a wide array of themes related to the reception canonization interpretation uses and legacies of the Bible in early Christianity Each section contains overviews and cutting edge scholarship that expands understanding of the field Part One examines the material text transmitted translated and invested with authority and the very conceptualization of sacred Scripture as God's word for the church Part Two looks at the culture and disciplines or science of interpretation in representative exegetical traditions Part Three addresses the diverse literary and non literary modes of interpretation while Part Four canvasses the communal background and foreground of early Christian interpretation where the Bible was paramount in shaping normative Christian identity Part Five assesses the determinative role of the Bible in major developments and theological controversies in the life of the churches Part Six returns to interpretation proper and samples how certain abiding motifs from within scriptural revelation were treated by major Christian expositors The overall history of biblical interpretation has itself now become the subject of a growing scholarship and the final part skilfully examines how early Christian exegesis was retrieved and critically evaluated in later periods of church history Taken together the chapters provide nuanced paths of introduction for students and scholars from a wide spectrum of academic fields including classics biblical studies the general history of interpretation the social and cultural history of late ancient and early medieval Christianity historical theology and systematic and contextual theology Readers will be oriented to the major resources for and issues in the critical study of early Christian biblical interpretation

Revelation and the Word of God Paul Avis, 2024-05-02 A unique work of Fundamental Theology Revelation and the Word of God explores key issues of divine revelation as open questions They include Why is revelation so elusive Existential and philosophical problems of revelation in the context of apologetics The self revelation of God in mystery What does it mean to say as the Bible does that God speaks and acts How does revelation relate to the Bible history religious experience and the church The relational and personalist dimensions of revelation What the biblical Wisdom tradition contributes to our understanding of revelation The threefold form of the Word of God Jesus Christ the incarnate Word Logos and Wisdom Sophia of God the Scriptures that witness to him and the church's proclamation kerygma in preaching sacraments and other

ways The role of hermeneutics cultural constraints and imagination in the reception of revelation Critique including Feminist Theology of claimed revelation Is there revelation today How do developments in doctrine and practice relate to divine revelation The liturgy as a vehicle of the Word of God The Word in pastoral practice Jesus Christ as the crown and criterion of divine revelation according to the Fourth Gospel *The Hermeneutics of Tradition* Craig Hovey, Cyrus P. Olsen, 2014-11-18 The Hermeneutics of Tradition presents the latest scholarship on tradition as a concept and reality in the development of Christian cultures One aim is to show that traditions are upheld communicated and developed within a recognizable set of interpretive guidelines or rules and that analysis of these sets both requires and reveals a hermeneutics of tradition The work of the authors included here presents the precarious integrity of traditions and the often tenuous hold upon those traditions exercised by the hermeneutics that drive dynamics of preservation and change As scholars and religious worshippers continue ancient traditions of receiving strangers with generous hospitality the coherence of tradition serves conversations about where our true differences lie

Reviewing **Reading Texts Seeking Wisdom Scripture And Theology**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**Reading Texts Seeking Wisdom Scripture And Theology**," an enthralling opus penned by a highly acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
