

The book cover has a dark brown background. In the upper left, a portion of a globe is visible, showing continents in shades of green and brown. To the right of the globe, a white dove is depicted in flight. Further right, there are two stylized birds: one in pink and one in yellow. Below these, there are several colorful, abstract, wavy lines in shades of green, yellow, and pink. A large, multi-colored abstract shape, resembling a stylized bird or a flower, is positioned on the right side of the cover. The title 'Readings in Human Development' is centered in a white, serif font. Below the title, the text 'Foreword by Amartya Sen' and 'Edited by Sakiko Fukuda-Parr and A.K. Shiva Kumar' is written in a smaller, white, serif font. The words 'SECOND EDITION' are written in a bold, white, sans-serif font. The Oxford University Press logo, 'OXFORD', is at the bottom in a white, serif font.

Handbook on Gender and Health Jasmine Gideon, 2016-05-27 This Handbook brings together a groundbreaking collection of chapters that uses a gender lens to explore health care and health policy in both the Global South and North. Empirical evidence is drawn from a variety of different settings and points to the many ways in which the gendered dimensions of health have become reworked across the globe. This collection includes insightful contributions from 56 leading authorities from Africa, the Americas, Asia, Europe, and the Middle East, offering a wealth of knowledge, theoretical reflection, and empirical detail on the essential elements surrounding gender and health. Topics covered include theoretical approaches to understanding gender and health, migration, sexuality, ageing, masculinities, climate change, and sexual and reproductive rights. Split into four thematic sections, this book strives to develop a clear road map towards achieving gender justice in health. The Handbook on Gender and Health will be an important resource for researchers, students, and instructors of health policy and family and gender studies. Contributors include G. Alvarez, M. E. Ansoléaga, L. Artazcoz, A. E. Birn, R. A. Burgess, A. Coates, I. Cortés, S. Franch, S. Del Pino, K. Devries, X. D. Berr, L. Doyal, K. Elzein, V. Escobar, B. Eveslage, C. Ewig, J. Gideon, J. True Wealth of Nations Daniel Finn, 2010-08-09 The True Wealth of Nations arises from the conviction that implementing a morally adequate vision of the economy will generate sustainable prosperity for all. It sets forth the beginnings of an architecture of analysis for relating economic life and Christian faith intellectually and experientially, and helps social scientists, theologians, and all persons of faith to appreciate the true wealth of any nation. *Constituting Economic and*

Social Rights Katharine G. Young, 2012-08-23 This book will appeal to a range of constitutional and public legal scholars and practitioners and will appeal to both audiences of human rights practice and those following legal theory. First, the book presents a breakthrough in constitutional argument about economic and social rights, long debated in constitutional rights scholarship and public law. It provides an important collection of comparative developments, new analytical constructs, and contemporary developments in rights theory. Second, the book draws on comparative constitutional law to inform and develop debates in international human rights law. This audience will learn how new approaches to interpretation, enforcement, adjudication, justiciability, and deliberation may advance international and transnational human rights advocacy, argument, and reasoning. Third, the book informs the interdisciplinary debates of food, health, care, housing, education, and water law.

Sexual Harassment and the Law in Africa Furaha-Joy Sekai Saungweme, Carol Chi Ngang, Graham Towle, 2024-03-19 Written by a team of experts from legal, forensic, and policy backgrounds, this book presents new research into sexual violence.

and harassment across Africa This first of its kind book foregrounds the work of African scholars and presents careful research analysis and case studies that consider sexual harassment from legal socio economic and cultural realities It highlights the importance of laws around sexual harassment in Africa the intersectional challenges it poses to women in the workplace and the role of the feminist movement in Africa to hold perpetrators accountable and give voice to survivors of sexual harassment The book forms part of a broader African driven research initiative on sexual harassment and the law and is written in partnership with the Africa End Sexual Harassment Initiative AESHI It also explores the need to focus on best practice benchmarks for Africa and also learning from developments in Africa Timely and relevant the book will be of great interest to legal and policy academic scholars professionals and activists working in the fields of gender policy forensic psychology and NGOs It will also be useful reading for postgraduate students of law gender studies political science and African studies

The Rise of Africa's Middle Class Henning Melber, 2016-12-15 Across Africa a burgeoning middle class has become the poster child for the Africa rising narrative Ambitious aspirational and increasingly affluent this group is said to embody the values and hopes of the new Africa with international bodies ranging from the United Nations Development Programme to the World Bank regarding them as important agents of both economic development and democratic change This narrative however obscures the complex and often ambiguous role that this group actually plays in African societies Bringing together economists political scientists anthropologists and development experts and spanning a variety of case studies from across the continent this collection provides a much needed corrective to the received wisdom within development circles and provides a fresh perspective on social transformations in contemporary Africa

Global Poverty, Ethics and Human Rights Desmond McNeill, Asunción Lera StClair, 2009-01-15 Severe poverty is one of the greatest moral challenges of our times But what place if any do ethical thinking and questions of global justice have in the policies and practice of international organizations This book examines this question in depth based on an analysis of the two major multilateral development organizations the World Bank and the UNDP and two specific initiatives where poverty and ethics or human rights have been explicitly in focus in the Inter American Development Bank and UNESCO The current development aid framework may be seen as seeking to make globalization work for the poor and multilateral organizations such as these are powerful global actors whether by virtue of their financial resources or in their role as global norm setting bodies and as sources of hegemonic knowledge about poverty Drawing on their backgrounds in political economy ethics and sociology of knowledge as well as their inside knowledge of some of the case studies the authors show how despite the rhetoric issues of ethics and human rights have for very varying reasons and in differing ways been effectively prevented from impinging on actual practice *Global Poverty Ethics and Human Rights* will be of interest to researchers and advanced students as well as practitioners and activists in the fields of international relations development studies and international political economy It will also be of relevance for political philosophy human rights development ethics and applied ethics
