The Story Within Us Megan Sweeney, 2012-09-11 This volume features in depth oral interviews with eleven incarcerated women each of whom offers a narrative of her life and her reading experiences within prison walls The women share powerful stories about their complex and diverse efforts to negotiate difficult relationships exercise agency in restrictive circumstances and find meaning and beauty in the midst of pain Their shared emphases on abuse poverty addiction and mental illness illuminate the pathways that lead many women to prison and suggest possibilities for addressing the profound social problems that fuel crime Framing the narratives within an analytic introduction and reflective afterword Megan Sweeney highlights the crucial intellectual work that the incarcerated women perform despite myriad restrictions on reading and education in U S prisons These women use the limited reading materials available to them as sources of guidance and support and as tools for self reflection and self education Through their creative engagements with books the women learn to reframe their own life stories situate their experiences in relation to broader social patterns deepen their understanding of others experiment with new ways of being and maintain a sense of connection with their fellow citizens on both sides of the prison fence

The Discourse of Reading Groups David Peplow, Joan Swann, Paola Trimarco, Sara Whiteley, 2015-11-19 Of interest in their own terms as a significant cultural practice reading groups also provide a window on the everyday interpretation of literary texts While reading is often considered a solitary process reading groups constitute a form of social reading where interpretations are produced and displayed in discourse The Discourse of Reading Groups is a study of such joint conceptual activity and how this is necessarily embedded in interpersonal activity and the production of reader identities Uniquely in this context it draws on and seeks to integrate ideas from both cognitive and social linguistics The book will be of interest to scholars in literacy studies as well as cultural and literary studies the history of reading applied linguistics and sociolinguistics digital technologies and educational research

Reading behind Bars Jill Grunenwald, 2019-07-02 A fascinating look into a world many of us never see and a powerful story about one woman's journey to find her own strength with a clear message of the importance of books and information for all Booklist American Library Association starred review Shortlisted for the 2020 Social Justice Advocacy Book Award by In the Margins Book Awards In December 2008 twenty-something Jill Grunenwald graduated with her master's degree in library science ready to start living her dream of becoming a librarian But the economy had a different idea As the Great Recession reared its ugly head jobs were scarce After some searching however Jill was lucky enough to snag one of the few librarian gigs left in her home state of Ohio The catch The job was behind bars as the prison librarian at a men's minimum security prison Talk about

baptism by fire As an untested twentysomething woman to say that the job was out of Jill s comfort zone was an understatement She was forced to adapt on the spot speedily learning to take the metal detectors hulking security guards and colorful inmates in stride Over the course of a little less than two years Jill came to see past the bleak surroundings and the orange jumpsuits and recognize the humanity of the men stuck behind bars They were just like every other library patron persons who simply wanted to read to be educated and entertained through the written word By helping these inmates Jill simultaneously began to recognize the humanity in everyone and to discover inner strength that she never knew she had At turns poignant and hilarious Reading behind Bars is a perfect read for fans of Orange is the New Black and Shakespeare Saved My Life

Moore, 2009-07-20 Although people may not realize it the modern Christmas book market carries on a Victorian legacy An explosion of Christmas print matter reinvigorated and regularized the holiday during the mid Victorian period infusing Christmas with emotionally charged expectations of reading Tara Moore elucidates the evolution of Christmas publishing trends that dictated authors writing schedules and reflected gift giving rituals As Victorian shopping customs evolved publishers satisfied consumers with a range of holiday print matter including novels ghost stories periodicals children s books and poetry Ultimately *Victorian Christmas in Print* analyzes how the revitalized holiday and the flurry of texts supporting it contributed to English national identity

Reading and the Reference Librarian Juris Dilevko, Lisa Gottlieb, 2014-10-16 Reference librarians are no longer expected to know much about the information they find they are merely expected to find it Technological competency rather than knowledge has become the order of the day In many respects reference service has become a matter of typing search terms into a library s online catalog or a web search engine and providing the patron with the results of the search Calling for a re intellectualization of reference librarianship this book suggests another approach to providing quality reference service reading The authors surveyed both academic reference librarians and public library reference personnel in the United States and Canada about their reading habits From the 950 responses the authors present findings about the extent to which librarians read newspapers periodicals fiction and nonfiction and recount and analyze stories about how reading has

made them better librarians The authors also report that North American professors in the humanities and social sciences believe that the best reference librarians are those who have wide ranging subject based knowledge as opposed to the type of process based functional knowledge that is increasingly dominating the curricula of many Library and Information Science programs
