Presenting selected histories in Asia Africa Europe and the Americas this work discusses political and economic issues marriage practices motherhood and enslavement and religious beliefs and spiritual development Famous women including Hatshepsut Hortensia Aisha Hildegard of Bingen and Sei Shonangan are discussed as well as lesser known and anonymous women Both primary and secondary source readings are included [Gateway to the Great Books](#) Encyclopaedia Britannica, Inc, 1990-10-01 Gateway to the Great Books are great writings which selections include short stories plays essays scientific papers speeches and letters Each selection represents a primary original and fundamental contribution to ones understanding of the universe and themselves There are over 135 Authors 225 Selections and 95 original illustrations Selections include works from Ernest Hemingway F Scott Fitzgerald T S Eliot Mark Twain and more This set will help introduce oneself to good literature and the Great Books of the Western World *A History of World Societies, Volume 1: To 1600* John P. McKay, Bennett D. Hill, John Buckler, Roger B. Beck, Clare Haru Crowston, Patricia Buckley Ebrey, Merry E. Wiesner-Hanks, 2011-10-05 A History of World Societies introduces students to the global past through social history and the stories and voices of the people who lived it Now published by Bedford St Martin s and informed by the latest scholarship the book has been thoroughly revised with students in mind to meet the needs of the evolving course Proven to work in the classroom the book s regional and comparative approach helps students understand the connections of global history while providing a manageable organization With more global connections and comparisons more documents special features and activities that teach historical analysis and an entirely new look the ninth edition is the most teachable and accessible edition yet Test drive a chapter today Find out how **Readings in Medieval History, Volume II** Patrick Geary, 2016-04-01 Patrick J Geary s highly acclaimed collection of source materials on the medieval period is well known for offering an excellent selection of substantial excerpts or whole documents wherever possible from the most widely studied historical texts This much anticipated fifth edition features a larger format as well as enlarged type to make the collection more reader friendly Study questions have been added at the end of each section to help students focus on key points in the text Volume II includes new material on the Black Death as well as new readings on Western Europe and the Mongols A color photo section has been added introducing students to fascinating medieval art such as the two earliest images of Joan of Arc and the Sachsenspiegel *A History of Russia Volume 1* Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss s accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying

each chapter as well as a general bibliography a glossary and chronological and genealogical lists Inquiry-Based Lessons in World History Jana Kirchner,Andrew McMichael,2021-09-03 Spanning the time period from 15 000 BCE to 1500 CE Inquiry Based Lessons in World History Vol 1 focuses on creating global connections between people and places using primary sources in standards based lessons With sections on early humans the ancient world classical antiquity and the world in transition this book provides teachers with inquiry based ready to use lessons that can be adapted to any classroom and that encourage students to take part in the learning process by reading and thinking like historians Each section contains chapters that correspond to the scope and sequence of most world history textbooks Each inquiry lesson begins with an essential question and connections to content and literacy standards followed by primary source excerpts or links to those sources Lessons include step by step directions incorporate a variety of literacy strategies and require students to make a hypothesis using evidence from the texts they have read Grades 7 10 Environmental Movements around the World Timothy Doyle,Sherilyn MacGregor,2013-12-09 An unprecedented study of environmentalism environmental movements and efforts at greening across the globe written by culturally embedded scholars with both academic expertise and first hand experience with grassroots advocacy Protection of our planet its people and its natural resources has been a topic of numerous debates in many nations for the past 50 years Each hemisphere continent and country has environmental challenges unique to the region giving birth to green movements all over the world Until now very few resources have compiled the political scientific economic philosophical and religious viewpoints of these programs in one place This two volume work provides a comprehensive collection of the ideas and actions that inform environmentalism at local national and regional levels across the globe Environmental Movements around the World Shades of Green in Politics and Culture includes viewpoints from experts in the fields of political science history international relations environmental studies and sociology that enable readers to compare and contrast different cultures attitudes and solutions towards environmental issues Providing both a broad view of international efforts to protect the earth while also spotlighting very specific examples of environmentally motivated strategies the set explores the political strategies and cultural perspectives behind conservation and environmental activism in countries worldwide *A World History of War Crimes* Michael S. Bryant,2015-12-17 A World History of War Crimes provides a truly global history of war crimes and the involvement of the legal systems faced with these acts Documenting the long historical arc traced by human efforts to limit warfare from codes of war in antiquity designed to maintain a religiously conceived cosmic order to the gradual use in the modern age of the criminal trial as a means of enforcing universal norms this book provides a comprehensive one volume account of war and the laws that have governed conflict since the dawn of world civilizations Throughout his narrative Michael Bryant locates the origin and evolution of the law of war in the interplay between different cultures While showing that no single philosophical idea underlay the law of war in world history this volume also proves that war in global civilization has rarely

been an anarchic free for all Rather from its beginnings warfare has been subject to certain constraints defined by the unique needs and cosmological understandings of the cultures that produce them Only in late modernity has law assumed its current international humanitarian form The criminalization of war crimes in international courts today is only the most recent development of the ancient theme of constraining when and how war may be fought *The Publishers' Circular and General Record of British and Foreign Literature* ,1870 **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1891 *The Nation* ,1888 *The Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1891 **Athenaeum and Literary Chronicle** ,1848 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1977 **Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record** ,1891 **A Monthly List of All New Books Published in Great Britain** ,1844 The Athenaeum ,1890 **Publisher and Bookseller** ,1896 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series *International Review of Biblical Studies, Volume 54 (2007-2008)* Bernhard Lang,2009-04-30 Formerly known by its subtitle Internationale Zeitschriftenschau f r Bibelwissenschaft und Grenzgebiete the International Review of Biblical Studies has served the scholarly community ever since its inception in the early 1950 s Each annual volume includes approximately 2 000 abstracts and summaries of articles and books that deal with the Bible and related literature including the Dead Sea Scrolls Pseudepigrapha Non canonical gospels and ancient Near Eastern writings The abstracts which may be in English German or French are arranged thematically under headings such as e g Genesis Matthew Greek language text and textual criticism exegetical methods and approaches biblical theology social and religious institutions biblical personalities history of Israel and early Judaism and so on The articles and books that are abstracted and reviewed are collected annually by an international team of collaborators from over 300 of the most important periodicals and book series in the fields covered *Danes in Wessex* Ryan Lavelle,Simon Roffey,2015-11-30 There have been many studies of the Scandinavians in Britain but this is the first collection of essays to be devoted solely to their engagement with Wessex New work on the early Middle Ages not least the excavations of mass graves associated with the Viking Age in Dorset and Oxford drew attention to the gaps in our understanding of the wider impact of Scandinavians in areas of Britain not traditionally associated with them Here a multidisciplinary and interdisciplinary approach to the problems of their study is presented While there may not have been the same degree of impact discernible particularly in place names and archaeology as in those areas of Britain which had substantial influxes of Scandinavian settlers Wessex was a major theater of the Viking wars in the reigns of Alfred and thelred Unr d Two major topics the Viking wars and the Danish landowning elite figure strongly in this collection but are shown not to be the sole reasons for the presence of Danes or items associated with them in Wessex Multidisciplinary approaches evoke Vikings and Danes not just through the written record but through their impact on real and imaginary landscapes and via the objects they

owned or produced The papers raise wider questions too such as when did aggressive Vikings morph into more acceptable Danes and what issues of identity were there for natives and incomers in a province whose founders were believed to have also come from North Sea areas if not from parts of Denmark itself Readers can continue for themselves aspects of these broader debates that will be stimulated by this fascinating and significant series of studies by both established scholars and new researchers
