Readings From Educational Leadership Students At Risk:

Students at Risk Ronald S. Brandt,1990 Readings from Educational Leadership Association for Supervision and Curriculum Development,1990 *Readings from Educational Leadership* Ronald S. Brandt,1993 Resources in Education ,2001-10 **Encyclopedia of Educational Leadership and Administration** Fenwick W. English,2006-02-16 The SAGE Encyclopedia of Educational Leadership and Administration presents the most recent theories research terms concepts ideas and histories on educational leadership and school administration as taught in preparation programs and practiced in schools and colleges today With more than 600 entries written by more than 200 professors graduate students practitioners and association officials the two volumes of this encyclopedia represent the most comprehensive knowledge base of educational leadership and school administration that has as yet been compiled **Assessing Educational Leaders** Douglas B. Reeves,2008-07-10 As school systems search for ways to develop and retain effective leaders a new vision for leadership assessment becomes increasingly vital This revised edition provides the information and tools necessary to successfully evaluate all types of educational leaders and improve both individual and organizational performance Incorporating the 10 Dimensions of Leadership this field tested resource is based on research theory and best practices in leadership organizational effectiveness and personnel evaluation The author a national expert on educational leadership and accountability focuses on three critical concepts of leadership the dramatic impact of leadership on student achievement equity and staff morale the role of both personal predispositions and acquired knowledge skills on effectiveness and how evaluation can be used to improve performance instead of merely rendering an assessment This updated edition includes new features such as sample hallmarks of performance excellence practical insights into the distinction between evaluating and assessing leaders a new leadership assessment and coaching tool for providing confidential feedback to senior leaders examples of real world applications By implementing this multidimensional leadership assessment system school districts can improve teaching learning and leadership at every level Publisher s website **Engaging the Hispanic Learner** Michele Wages,2014-11-07 Every year a new group of students walks through the classroom door and the question arises what can I do differently to better help my Hispanic students This is one of the most fundamental questions every teacher must ask The reason being quite simply that the percentage of Hispanic students in U S classrooms is increasing dramatically each year In the past education s overall approach was to let Hispanic learners simply adapt to the typical U S Anglo dominated classroom culture The expectation was they would acclimate themselves to the current norms In fact it was almost as if there was an unspoken rule that it was the student s responsibility to figure out how to fit in If arguably that indeed was the situation it is certainly no longer true Given the seismic shift in percentages it s time for schools and teachers to proactively develop learning environments that will support these students in the best possible way In *Engaging The Hispanic Learner* Dr Michele Wages helps education take an enormous step forward in addressing this increasingly complex issue The research

she cites is almost shockingly compelling After reading this book there should be no doubt in anyone's mind that the issue is real the issue is important and that successfully dealing with it soon is critical

Case Studies on Educational

Administration Theodore J. Kowalski, 2008 This book immerses prospective administrators in the realities of practice Problem solving and decision making skills are addressed through the use of open ended case studies Effective practice in school administration requires both leadership and management In today's reform minded information based society practitioners must be able to frame problems correctly and then make effective decisions to ameliorate them As leaders district and school level administrators are expected to focus on what should be done to improve schools as managers they are expected to focus on how to do things successfully The cases in this book are designed to make students think about common problems of practice by encouraging them to bridge theory and practice More precisely the cases are intended to hone four essential practitioner skills

- 1 The ability to frame a problem correctly
- 2 The ability to develop and evaluate alternative solutions to a defined problem
- 3 The ability to use data and other facts to counter the influence of politics and emotion in decision making
- 4 The ability to grow professionally by engaging in reflective practice
