**Pictures/Stopping Places** David B. Clarke,Valerie Crawford Pfannhauser,Marcus A. Doel,2009-05-16 Mobility has long been a defining feature of modern societies yet remarkably little attention has been paid to the various stopping places \_hotels motels and the like\_ that this mobility presupposes If the paradoxical qualities of fixed places dedicated to facilitating movement have been overlooked by a variety of commentators film makers have shown remarkable prescience and consistency in engaging with these still points around which the world is made to turn Hotels and motels play a central role in a multitude of films ranging across an immensely wide variety of genres eras and national cinemas Whereas previous film theorists have focused on the movement implied by road movies and similar genres the outstanding contributions to this volume extend the recent engagement with space and place in film studies providing a series of fascinating explorations of the cultural significance of stopping places both on screen and off Ranging from the mythical elegance of the Grand Hotel through the uncanny spaces of the Bates motel to Korean love motels the wealth of insights from a variety of theoretical perspectives that this volume delivers is set to change our understanding of the role played by stopping places in an increasingly fluid world

**The Index Guide to Travel and Art-study in Europe: a Compendium of Geographical, Historical, and Artistic Information for the Use of Americans** Lafayette Charles Loomis,1888 Library of Congress Subject Headings Library of Congress. Cataloging Policy and Support Office,2004 Art After Instagram Lachlan

MacDowall,Kylie Budge,2021-12-30 This book explores the effects of the Instagram platform on the making and viewing of art Authors Lachlan MacDowall and Kylie Budge critically analyse the ways Instagram has influenced artists art spaces art institutions and art audiences and ultimately contemporary aesthetic experience The book argues that more than simply being a container for digital photography the architecture of Instagram represents a new relationship to the image and to visual experience a way of shaping ocular habits and social relations Following a detailed analysis of the structure of Instagram the tactile world of affiliation follows aesthetics likes and attention comments the book examines how art spaces audiences and aesthetics are key to understanding its rise The book will be of interest to scholars working in art history
