Committee on Finance, 1922 *Wallace Stevens and the Actual World* Alan Filreis, 2014-07-14 The work of Wallace Stevens has been read most widely as poetry concerned with poetry and not with the world in which it was created deemed utterly singular it seems to resist being read as the record of a life and times In this critical biography Alan Filreis presents a detailed challenge to this exceptionalist view as he traces two major periods of Stevens's career from 1939 to 1955 the war years and the postwar years Portraying Stevens as someone whose alternation between cultural comprehension and ignorance was itself characteristically American Filreis examines the poet's impulse to disguise and compress the very fact of his debt to the actual world By actual world Stevens meant historical conditions often in order to impugn his own interest in such externalities as the last resort of a man whose famous interiority made him feel desperately irrelevant In light of events ranging from the U S entry into World War II to the Cold War Filreis shows how Stevens was driven to make a close approach to reality in an effort to reconcile his poetic language with a cultural language Wallace Stevens and the Actual World is not only an impressive feat of historical recovery and analysis but also a pleasure to read It will be useful to anyone interested in the relationship between American politics and literature during World War II and the Cold War Milton J Bates Marquette University Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Statesman's Year-Book** M.
