We know the real estate licensing exam can be tough and very nerve wracking to prepare for. That's why we created the North Carolina Real Estate License Exam Prep NC RELEP the way we did. Since we have been managing real estate schools and developing curriculum for forty years we know how all this works or fails to work. NC RELEP is comprehensive in that it contains both key content review and testing practice. And the text review is North Carolina specific not just simplistic national content but terse relevant and accurate North Carolina laws and regulations presented as a well organized set of state key point reviews ideal for pre test memorization. But let's not dismiss the importance of the national content either. NC RELEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast. Our content is drawn from our own national textbook **Principles of Real Estate Practice** one of the most widely used principles textbooks in the country. Finally our national content as well as our question selection is further tailored to the state testing outline promulgated by AMP for North Carolina. Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state's testing service and your North Carolina license exam. A word about the test questions. NC RELEP's testing practice section consists of ten national practice tests three state practice tests and one state exam sample test.
