Dismantling Contemporary Deficit Thinking Richard R. Valencia, 2010-09-13 Deficit thinking is a pseudoscience founded on racial and class bias It blames the victim for school failure instead of examining how schools are structured to prevent poor students and students of color from learning Dismantling Contemporary Deficit Thinking provides comprehensive critiques and anti deficit thinking alternatives to this oppressive theory by framing the linkages between prevailing theoretical perspectives and contemporary practices within the complex historical development of deficit thinking Dismantling Contemporary Deficit Thinking examines the ongoing social construction of deficit thinking in three aspects of current discourse the genetic pathology model the culture of poverty model and the at risk model in which poor students students of color and their families are pathologized and marginalized Richard R Valencia challenges these three contemporary components of the deficit thinking theory by providing incisive critiques and discussing competing explanations for the pervasive school failure of many students in the nation s public schools Valencia also discusses a number of proactive anti deficit thinking suggestions from the fields of teacher education educational leadership and educational ethnography that are intended to provide a more equitable and democratic schooling for all students

Knowledge Goes Pop Clare Birchall, 2020-05-26 A voice on late night radio tells you that a fast food joint injects its food with drugs that make men impotent A colleague asks if you think the FBI was in on 9 11 An alien abductee on the Internet claims extra terrestrials have planted a microchip in her left buttock Julia Roberts in Porn Scandal shouts the front page of a gossip mag A spiritual healer claims he can cure chronic fatigue syndrome with the energizing power of crystals What do you believe Knowledge Goes Pop examines the popular knowledges that saturate our everyday experience We make this information and then it shapes the way we see the world How valid is it when compared to official knowledge and why does such mis information cause so much institutional anxiety Knowledge Goes Pop examines the range of knowledge from conspiracy theory to plain gossip and its role and impact in our culture

Students of Color and

the Achievement Gap Richard R. Valencia, 2015-03-05 Students of Color and the Achievement Gap is a comprehensive landmark analysis of an incontrovertible racialized reality in U S K 12 public education the relentless achievement gap between low socioeconomic students of color and their economically advantaged White counterparts Award winning author and scholar Richard Valencia provides an authoritative and systemic treatment of the achievement gap focusing on Black and Latino Latina students He examines the societal and educational factors that help to create and maintain the achievement gap by drawing from critical race theory an asset based perspective and a systemic inequality approach By showing how racialized opportunity structures in society and schools ultimately result in racialized patterns of academic achievement in schools Valencia shows how the various indicators of the achievement gap are actually symptoms of the societal and school quality gaps Following each of these concerns Valencia provides a number of reform suggestions that can lead to systemic transformations of K 12 education Students of Color and the Achievement Gap makes a persuasive and well documented case that school success for students of color and the empowerment of their parents can only be fully understood and realized when contextualized within broader political economic and cultural frameworks *Magill's Legal Guide* Timothy L.
