Real Men Do:

Real Men Do It Better Lora Leigh, Susan Donovan, Lori Wilde, Carrie Alexander, 2013-11-12 In this sizzling collection from some of romance's hottest authors you'll read four sexy short stories about women who discover that real men do it better. In Lora Leigh's *FOR MAGGIE'S SAKE* Maggie Chavez from Leigh's sexy Navy SEALs series is in protective custody with a member of her former lover's SEALs team. Joe, her ex-lover, thinks Maggie is hiding information from him about a powerful drug lord and the deaths of some SEALs. He intends to seduce her and get the information before she can sell it back to the drug cartel. But when a member of the notorious crime family captures Maggie and holds her hostage at gunpoint, Joe realizes how wrong he is and only he can save her life. In Susan Donovan's *BED AND BREAKFAST*, a stressed-out corporate dynamo with designer boots and a bad attitude is sent to the New Mexico mountains to get centered or not come back to Los Angeles. She arrives at the rustic Windwalker Lodge north of Santa Fe only to find the place in the middle of a renovation and the hunky owner in a pair of lounge pants with no shirt and no idea she was coming. She plans to leave on the first available shuttle the next morning, but one of the area's notorious rains washes out the bridge and she's stuck. Though resistant at first, she eventually lets the beautiful setting and the extraordinary man give her a new perspective on life, love, and especially sex. In Lori Wilde's *SIREN'S CALL*, Annie Grave is back in her hometown, St. Augustine, looking after her grandfather's dive shop as he lies bedridden with a broken hip. Though she is a Harvard MBA with a high-powered finance job in Manhattan and a boyfriend on the brink of proposing marriage, she's never forgotten her first love, sun-bronzed dive instructor Duncan Stewart, or the day years earlier when she lost her virginity to him and he told her it was just a fling. But what she doesn't know is that Duncan has regretted that decision every day since. Afraid of not being able to hold onto a smart, sexy, beautiful woman like Annie, he pushed her away and ran away from St. Augustine. But now she's back, and so is he, and he's cooked up a plan to win her back. After all, what girl could resist the lure of buried treasure and a hot, handsome Scotsman to guide her on the hunt. In Carrie Alexander's *HIS BODY ELECTRIC*, an aloof stranger arrives at Karen Jaffe's farmhouse seeking shelter at the height of a violent lightning storm. Strange events follow: the power goes out, every clock stops, sparks fly from the visitor's fingertips. Alone in the dark with him, Karen uses her skills as a phone sex operator to seduce the mystery man, uncovering the secrets and erotic pleasures of *HIS BODY ELECTRIC*.

Corrected Convicted Accepted Apostle Joseph Paul Brown,2014-07-14 Have you lost hope in life Have you tried everything possible to get on track Have you experienced the blessed favor of abundance in your life and somehow ended up losing it all Have you recovered from your greatest mistakes in life Only you that have took a look at the back of this book can answer these questions No one else can answer for you Maybe you are on the prosperous side of living and perhaps may know of an individual who may be struggling with the battle of grabbing life by the horns while trying to come back to Jesus from a backsliding state or condition This book is a living testimony of the Apostle Joseph Paul Brown who brings to the front the many obstacles and challenges hes had to face during an early age Alongside the testimony renders many scriptures shared to empower others who have suffered loss made mistakes and turned from Christ The Job experience is not the only character ever to exist that has suffered hardship and adversity But many others have experienced all sorts of pain and suffering around the world The interesting part about pain and suffering is that no one can minimize the level of pain a person feels by measuring the capacity of the problem than judging rather the individual should have been strong enough to handle it or not But it is our job as children of God and those who are strong to bear the infirmities of the weak We are to do what we can in a wise manner to win as many souls for Christ as possible and to be a light to those in darkness even if that means sharing your life testimony and how you have overcome Be blessed by the reading of this book and let others who are in trying times in their lives know about this book that many may be strengthen and empowered to move on with their lives and go forward in Christ our Lord The Possibility Exists ...
