Real Monty The Autobiography Of Colin Montgomerie:

Real Monty Colin Montgomerie, Lewine Mair, 2002-10-28 The Real Monty Colin Montgomerie, Lewine Mair, 2002

Colin Montgomerie has been Europe's No 1 golfer for the last eight years in succession an unparalleled achievement in the professional era. He is universally regarded as the best player never to win a major title twice losing in playoffs. Born in Scotland into a keen golfing family, Colin showed exceptional promise while still a small boy. His family insisted he complete his education so he took a management degree in the USA before turning professional in 1986. In his early years he was as famous for his fiery temperament as for his play culminating in a watershed incident in which he threatened a spectator who coughed during his backswing. Determined to conquer his emotions, Colin concentrated on improving his game with spectacular results. His new found self control stood him in good stead particularly in the 1999 Ryder Cup where he withstood constant abuse from American fans and went on to defeat his close friend Payne Stewart on the 18th green hours before Stewart was killed in a bizarre plane crash. Montgomerie's autobiography is the story of a prodigious talent, a hothead who reformed his ways. It is about the most famous golfer in the world who has never won a major but who is determined to do so. And it is about the hero of the most controversial and charged Ryder Cup in history. **Monty** Colin

Montgomerie, 2012-05-17. The autobiography of Colin Montgomerie, the triumphant Ryder Cup captain and one of Britain's most successful golfers. Colin Montgomerie is a golfing legend. Ranked Europe's No 1 for an unparalleled seven years in a row, he is equally renowned as a player of great passion. The son of a keen Scottish golfing family, Colin was already showing his prodigious talent as a young boy. After completing his education in America where he benefited from a golf scholarship, Colin turned professional in 1987, beginning a truly remarkable career. Even with more than 40 international tournament victories and eight European Order of Merit titles to his name, Monty is perhaps best known for his amazing contributions to the European Ryder Cup team, eight times as a player winning five times and undefeated in singles, and most recently as a victorious European Ryder Cup captain amid unforgettable scenes at Celtic Manor in October 2010. Montgomerie's autobiography is the story of both a fantastic talent and a complex personality, and of a golfer who remains determined to add to his already impressive achievements. It is a book about one of the greatest golfing characters in the world, trying to achieve a personal and professional balance. And it is about a true hero of the Ryder Cup. *Historical Dictionary of Golf* Bill

Mallon, Randon Jerris, 2011-01-21. Golf has been called the greatest of all games, but it has also been derided by none other than Mark Twain as nothing more than a good walk spoiled. Traditional teaching holds that golf originated in Scotland around the 15th century. However, there is historical evidence of games similar to golf being played in the low countries of Europe back in the 13th century. Over the many centuries of golf's evolution, the balls used have changed greatly, as have the clubs, the holes, the courses, and the entire game itself. The *Historical Dictionary of Golf* presents a comprehensive history of the game through a chronology, an introductory essay, a bibliography, photos, and over 300 cross-referenced dictionary entries on

places teams terminology and people including Arnold Palmer Greg Norman Lee Trevino Jack Nicklaus Annika Sorenstam Lorena Ochoa Phil Mickelson and of course Tiger Woods Appendixes of the members of the World Golf Hall of Fame the Major Championships of Golf the International Team Events and the Professional Tour Awards are also included [Restored Lives](#) Erik Castenskiold,2013-10-10 A book for anyone trying to recover relationship breakdown separation or divorce
