Real James Herriot An Authorized Biography:

The Real James Herriot Jim Wight, 2000-10-26 Take a trip down memory lane and read about the life of Britain's most beloved vet who charmed us all with his bestselling tales of veterinary life in Yorkshire A wonderful glorious insight into the life of the man behind the books 5 Reader Review Moving A book I shall treasure and read several times 5 Reader Review _____ After qualifying as a vet in 1939 Alf Wight aka James Herriot moved to a veterinary practice in Thirsk Yorkshire It wasn't until he was over fifty when his first book of stories about life as a Yorkshire vet *If Only They Could Talk* was published giving birth to some of Yorkshire's most famous and much loved literary characters and later becoming the popular BBC television series *All Creatures Great and Small* Not only did his books have great success but they also inspired many to take up the profession in what was known as the Herriot effect Although he brought fame and fortune to himself and those around him he remained an intensely private person respected and trusted by those whose animals he cared for and adored by millions of fans Written by his son with touching insight this illuminating biography reveals the real man behind the title *The World's Most Famous Vet* _____ Readers are captivated by *The Real James Herriot* Fascinating A wonderful and worthy testament 5 Reader Review A real insight into the life of someone you feel you knew and loved 5 Reader Review Extremely poignant gives great insight into those unforgettable tales of a Yorkshire Vet 5 Reader Review *The Real James Herriot* James Wight, 2011-04-27 No one is better poised to write the biography of James Herriot than the son who worked alongside him in the Yorkshire veterinary practice when Herriot became an internationally bestselling author Now in this warm and poignant memoir Jim Wight talks about his father the beloved veterinarian whom his family had to share with half the world Alf Wight aka James Herriot grew up in Glasgow where he lived during a happy rough and tumble childhood and then through the challenging years of training at the Glasgow Veterinary College The story of how the young vet later traveled to the small Yorkshire town of Thirsk aka Darrowby to take the job of assistant vet is one that is well known through James Herriot's internationally celebrated books and the popular *All Creatures Great and Small* television series But Jim Wight's biography ventures beyond the trials and tribulations of his father's life as a veterinarian to reveal the man behind the stories the private individual who refused to allow fame and wealth to interfere with his practice or his family With access to all of his father's papers correspondence manuscripts and photographs and intimate remembrances of all the farmers locals and friends who populate the James Herriot books only Jim Wight could write this definitive biography of the man who was not only his father but his best friend NOTE This edition does not include a photo insert [The Wonderful World of James Herriot](#) James Herriot, 2022-10-27 The perfect gift for fans of *All Creatures Great and Small* this is a charming collection of classic stories from James Herriot's much loved books with insights into his life and work from his children Rosie and Jim With astute observations and boundless humour country vet Herriot captures the spirit of the Yorkshire Dales and of rural communities on the cusp of change before tractors and machines had taken over and modern medicines and antibiotics

transformed veterinary work Along the way a beloved cast of characters emerges from the squabbling brothers Tristan and Siegfried to Herriot's hapless courtship and eventual family life with Helen Anderson But it's the animals which are at the heart of Herriot's stories Whether he's dodging a raging bull on a risky artificial insemination assignment becoming pen pals with Tricki Woo the spoilt Pekingese pooch or the inevitable trials and tribulations of lambing season there's never a dull moment in Herriot's company At times moving and often laugh out loud funny The Wonderful World of James Herriot will delight fans old and new I grew up reading James Herriot's books and I'm delighted that thirty years on they are still every bit as charming heartwarming and laugh out loud funny as they were then Kate Humble on the works of James Herriot
