Saying Good-bye to Loneliness and Finding Intimacy Craig W. Ellison,1983-01-01 An analysis of the deep seated causes of loneliness especially in a highly mobile society draws on biblical writings to suggest ways of coping with and overcoming the depressive effects of loneliness *Better than One* Valeriia Chornobai,Viktoriia Hrytsenko,2023-10-31 In the beginning God declared that it was not good for human beings to be alone Yet the ache of loneliness is rampant in our societies knowing no boundaries of age sex geography culture or religion This book offers the reader a robust theological understanding of loneliness as a multifaceted phenomenon impacting the lives of believers It identifies five different types of loneliness emotional social cultural existential and spiritual and illustrates each type through wellknown biblical narratives exploring what each narrative reveals about the relational nature of God and the humans created in his likeness Yet beyond a theological framework this book also provides practical and effective strategies for understanding and combating loneliness in the contexts of our contemporary lives It pays particular attention to the historic and contemporary challenges of singleness and celibacy especially as experienced in collectivist cultures and evangelical contexts Chornobai and Hrytsenko aim to equip all those suffering from loneliness as well as those walking alongside them whether pastors counselors or social workers to better understand the inner and outer factors impacting their experience and to find more effective strategies for coping and thriving *The Living Church* ,1983 The British National Bibliography Arthur James Wells,1968 **The Cumulative Book Index** ,1984 A world list of books in the English language *Preventing the Harmful Consequences of Severe and Persistent Loneliness* Letitia Anne Peplau,Stephen E. Goldston,1985 Loneliness Mohammadreza Hojat,Rick Crandall,1989-06 This impressive collection of articles takes stock of the progress that has been made by behavioural scientists in understanding loneliness highlighting what has been learned identifying gaps in existing knowledge and setting the research agenda for the next decade This volume presents a sampli **Healing for the City** Craig Ellison,Edward S. Maynard,2002-06-03 Healing for the City is a book for counseling urban dwellers in need whether they be inside or outside the church It focuses on the brokenness and typical problems of urban dwellers without assuming that all who live in the city suffer from serious dysfunctions This book was written to offer guidance to those who counsel in an urban setting to provide a response to the emotional relational and spiritual distress that one often encounters in the city The three parts of the book treat the distinctive elements of the urban context specific concerns of ethnic groups Asian Black Hispanic and approaches to particular pressing problems such as addictive behaviors divorce recovery single parenting sexual abuse etc Healing for the City was written for pastors social workers counselors professionals and paraprofessionals and other Christians in positions of leadership and spiritual direction *American Book Publishing Record* ,2003 **A Critical Reflexive Approach to Sex Research** Monique Huysamen,2022-06-23 A Critical Reflexive Approach to Sex Research is a methodologically focused book that offers rich insights into the often secret subjectivities of men who pay for sex in South Africa The book centres on the

interview context outlining a critical reflexive approach to understanding how knowledge is co produced by both the interviewer and the participant in research about sex By attending to the complex dynamics of the research interview this book examines the historic and contemporary relationship between sex work race coloniality sexuality masculinity femininity whorephobia and discourses of disease and contagion It draws on both empirical interview data and Huysamen s entries in her research journal to offer a unique approach to building critical reflexivity into every phase of the research process The critical reflexive approach uses an assemblage of poststructuralist and psychoanalytic theories and practices which together provide tools to interrogate how interview dynamics facilitate shape and restrain the meaning that is produced within the interview This book will be a valuable resource for anyone interested in researching sex work from intersectional and feminist decolonial perspectives as it probes critical questions surrounding how men make meaning of paying for sex their motivations for doing so and how they negotiate their identities in relation to this stigmatised practice It provides a unique offering to researchers working on sexual secret and stigmatised topics providing them with a specific set of tools and resources to incorporate reflexivity into their own sex research Encouraging the reader to look widely to draw on an array of theories and frameworks across disciplines this is fascinating reading for students and researchers in critical psychology research methods and the social sciences
