If You Don'T Mind My Saying So John Calvert, 2016-08-01 This is an age in which even the most honest and intelligent debate on social topics is risky Free inquiry which was once the pride of higher education has almost disappeared as our politicized campuses have become one party systems tolerating little dissent from the established orthodoxy The ideology of multiculturalism in particular has led to demands for conformity in education and in society in general and even threatens the liberties of Western civilization Debate on fundamental issues has become rare and nowhere is it rarer than in higher education which at one time exulted in debate and in defending unpopular views This happens because almost all institutions of higher education are today dominated by a narrow portion of the political spectrum fashion and rigid consensus not debate determine campus policy The essays in this book deal with topics that in some quarters are in questionable taste such as why American students rank at the bottom in international tests Celebrating diversity may be a bad idea Artificial intelligence may eliminate all human jobs Demographic change threatens Americas 2 party system Marshmallows may make kids smarter We need the common core Etc etc Whatever the political stance of the reader it is my hope that they will find these essays thought provoking **So As I Was Saying . . .** Frank Mankiewicz, Joel Swerdlow, 2024-05-01 I first met Robert Kennedy because I spoke Spanish I spoke Spanish because the U S Army taught me that before sending me to France Belgium and Germany to fight Hitler s Army This makes complete sense if you are familiar with military bureaucracy Such is the trademark wit of Frank Mankiewicz With his dry sense of humor and self deprecating humility despite his many accomplishments Frank s voice speaks from the pages of So as I was Saying in a way that is both conversational and profound Before he died in 2014 Frank s fascinating life took him from Beverly Hills to the battlefields of Europe from the halls of power in Washington D C to the far corners of the world A lifelong student of humanity and mentor to many including presidents Frank was a loving father husband and friend and his legacy is will endure for generations Born into Hollywood royalty but determined to make his own way Frank served in World War Two wrote speeches for Robert Kennedy ran a presidential campaign carried messages to Fidel Castro served as president of National Public Radio helping create Morning Edition and as regional director for the Peace Corps Naturally such a long and interesting life gave rise to a myriad of opinions and Frank was not afraid to share them In this intriguing insightful and often humorous memoir Frank recalls his favorite memories while sharing his opinions on everything from Zionism to smartphones Imbued with the personality of one of the twentieth century s most gifted raconteurs So As I Was Saying invokes nostalgia for the past even as it gives hope for the future Northwest Anthropological Research Notes Roderick Sprague, Deward E.
