Donald X. Burt

Scene Of My Selves:

The Scene of My Selves Terence Diggory, Stephen Paul Miller, 2001 This volume collects critical essays on the generation of New York School poets who emerged in the 1950s From book cover **Scenes and Characters Illustrating Christian Truth: Trial and self-discipline, by S. Savage** Henry Ware, 1835 **A Social Theory of Freedom** Mariam Thalos, 2016-03-17 In *A Social Theory of Freedom* Mariam Thalos argues that the theory of human freedom should be a broadly social and political theory rather than a theory that places itself in opposition to the issue of determinism Thalos rejects the premise that a theory of freedom is fundamentally a theory of the metaphysics of constraint and instead lays out a political conception of freedom that is closely aligned with questions of social identity self development in contexts of intimate relationships and social solidarity Thalos argues that whether a person is free in any context depends upon a certain relationship of fit between that agent's conception of themselves both present and future on the one hand and the facts of their circumstances on the other Since relationships of fit are broadly logical freedom is a logic it is the logic of fit between one's aspirations and one's circumstances what Thalos calls the logic of agency The logic of agency once fleshed out becomes a broadly social and political theory that encompasses one's self conceptions as well as how these self conceptions are generated together with how they fit with the circumstances of one's life The theory of freedom proposed in this volume is fundamentally a political one **"Let Me Know Myself--"** Donald X. Burt, 2002 Offers reflections on what one can learn about oneself from experience and faith [This 'Me' of Mine](#) Jane Boyer, 2013-10-25 This *Me of Mine* is much more than an art exhibition it is an example of distributed practice creative networking which goes beyond the limits of the artist's studio Recipient of Arts Council England funding and private sponsorship from HomeinOne.com This *Me of Mine* has brought a thought provoking art experience to four venues in the South East of England APT Gallery Deptford London Strange Cargo Georges House Gallery Folkestone Kaleidoscope Gallery Sevenoaks and The Art School Gallery in Colchester Ipswich Museum Ipswich Curated via Twitter and online communications developed publicly from conception through to completion via blogsite www.thismeofmine.wordpress.com This *Me of Mine* is a profound exploration of the selves we know in relation to the context of contemporary society and the digital age Now This *Me of Mine* is presented in book form an exhibition on the page of the page an exhibition for the interior self and all of the unique private mental images which will happen as you read these curated pages **Beautiful Enemies** Andrew Epstein, 2006-09-21 Although it has long been commonplace to imagine the archetypal American poet singing a solitary *Song of Myself* much of the most enduring American poetry has actually been preoccupied with the drama of friendship In this lucid and absorbing study Andrew Epstein argues that an obsession with both the pleasures and problems of friendship erupts in the New American Poetry that emerges after the Second World War By focusing on some of the most significant postmodernist American poets the New York School poets John Ashbery Frank O'Hara and their close contemporary Amiri Baraka *Beautiful Enemies* reveals a fundamental paradox at the heart of postwar

American poetry and culture the avant garde's commitment to individualism and nonconformity runs directly counter to its own valorization of community and collaboration In fact Epstein demonstrates that the clash between friendship and nonconformity complicates the legendary alliances forged by postwar poets becomes a predominant theme in the poetry they created and leaves contemporary writers with a complicated legacy to negotiate Rather than simply celebrating friendship and poetic community as nurturing and inspiring these poets represent friendship as a kind of exhilarating maddening contradiction a site of attraction and repulsion affinity and rivalry Challenging both the reductive critiques of American individualism and the idealized heavily biographical celebrations of literary camaraderie one finds in much critical discussion this book provides a new interpretation of the peculiar dynamics of American avant garde poetic communities and the role of the individual within them By situating his extensive and revealing readings of these highly influential poets against the backdrop of Cold War cultural politics and within the context of American pragmatist thought Epstein uncovers the collision between radical self reliance and the siren call of the interpersonal at the core of postwar American poetry

Mother, Heal My Self JoEllen Koerner, 2003 A stirring true life story of how the daughter of a revered nurse leader was saved by a Lakota Sioux It probes the meaning of being a healer and being healed of being a mother and how spiritual issues are passed from one generation to the next

The Female Sublime from Milton to Swinburne Catherine Maxwell, 2001 This innovative study of vision gender and poetry traces Milton's mark on Shelley Tennyson Browning and Swinburne to show how the lyric male poet achieves vision at the cost of symbolic blindness and feminisation Drawing together a wide range of concerns including the use of myth the gender of the sublime the lyric fragment and the relation of pain to creativity this book is a major re evaluation of the male poet and the making of the

English poetic tradition The female sublime from Milton to Swinburne examines the feminisation of the post Miltonic male poet not through cultural history but through a series of mythic or classical figures which include Philomela Orpheus and Sappho It recovers a disfiguring sublime imagined as an aggressive female force which feminises the male poet in an act that simultaneously deprives and energises him This book will be required reading for anyone with a serious interest in the English poetic tradition and Victorian poetry **School-Shakspeare; Or, Plays and Scenes from Shakspeare ...** William Shakespeare, John Rogers Pitman, 1834 **Ballou's Monthly Magazine** , 1878 Death-bed scenes, and pastoral conversations, by John Warton, ed. by his sons William Wood, 1830 *Death-bed Scenes, and Pastoral Conversations. The Fourth Edition. [By William Wood, Vicar of Fulham.]* , 1830 **The Porosity of the Self** Laura Jane Nanni, 2024-12-30 The Porosity of the Self provides an original interpretation and comprehensive examination of the philosophy of Edmund Husserl 1859-1938 the founder of phenomenology and one of the most important and influential philosophers of the 19th-20th century The book is unique in providing an exploration of the philosophical problem of the self drawn from key texts across Husserl's work The book challenges prevailing philosophical accounts of self and personhood that are predominantly one-dimensional and that often fail to capture the intricate double-sidedness of how we experience ourselves, others and the world The book demonstrates how Husserl's philosophy offers an important alternative account of the self as porous The notion of the porosity of the self emerges through a thematic reconstruction of Husserl that emphasizes elements such as embodiment, habituality, temporality, personhood, intersubjectivity and sociality Here the case is made that the self should be understood as multidimensional, dynamic and complex by highlighting its fundamentally permeable nature The main argument of the book is that no one element of the self is experienceable in isolation and that Husserl's understanding can equally accommodate the uniqueness of subjective experience as well as social, cultural and historical interactions without yielding constitutive priority to one dimension over the other This book is unique as it strives to encourage broad engagement with Husserl's work by simplifying some of his more complex texts using clear and accessible language It shows how Husserlian phenomenology can provide a rich supplementary perspective for fields such as critical phenomenology and feminist philosophy and offers a renewed way of engaging with Husserl's philosophy **European Slavery; Or, Scenes from Married Life** Clephane Rose, 1881 **Frank Fairleigh: Scenes from the Life of a Private Pupil** Frank E. Smedley, 2023-08-22 In Frank Fairleigh *Scenes from the Life of a Private Pupil* by Frank E. Smedley, readers are transported to the Victorian era through the lens of a young protagonist navigating the challenges of a private education Smedley's writing style combines humor, wit and social commentary providing a vivid portrayal of society at that time With its engaging narrative and vivid characterizations, this novel stands out as a coming-of-age story within a unique educational setting Smedley's attention to detail and descriptive language enhance the reader's immersion into the world of Frank Fairleigh Frank E. Smedley, a 19th-century English author and lawyer, drew on his own experiences to create this semi-autobiographical work His background in law likely influenced

the meticulous portrayal of social norms and behaviors in the novel Smedley's insight into the complexities of human nature is evident throughout the story adding depth to his characters and themes Fans of classic literature and coming of age stories will appreciate Frank Fairlegh for its rich historical context engaging narrative and timeless themes Smedley's novel offers a window into Victorian society while exploring universal themes of identity education and personal growth *The Naval Officer; Or, Scenes and Adventures in the Life of Frank Mildmay.* [By Frederick Marryat.] Frank MILD MAY, 1836 **Neuron Circuits, Electronic Circuits and Self-consciousness** Masakazu Shoji, 2009 A unique and fascinating scientific detective story that traces the origins as well as the complex mechanisms of human self consciousness **The school-Shakspeare; or, Plays and scenes from Shakspeare illustr. for the use of schools, with glossarial notes selected from the best annotators by J.R. Pitman. [26 plays & extr. from 9 others & from the sonnets].** William Shakespeare, 1822 *Henry Fielding - Plays, Volume II, 1731 - 1734* Thomas Lockwood, 2007-10-11 This is the second of three volumes representing the only modern edition of Fielding's dramatic works Most of these plays have not appeared in print for a century and never previously in fully edited form Fielding is best known as a classic novelist and the author of Tom Jones but like his great model Cervantes he came to novel writing from an important first career in professional theatre He wrote twenty eight plays including comedies satiric extravaganzas and ballad operas He was the leading playwright of his generation an experimentalist and entrepreneur of dramatic form who sometimes also brought contemporary politics and public figures onto his stage with results even more dramatic off stage This volume presents nine plays from one of the most productive and successful periods of Fielding's theatre career One of them The Grub Street Opera is a ballad opera cheerfully mocking various public characters including the Prime Minister Prince of Wales and even King and Queen Another The Modern Husband is a dark comedy attacking the cynical merchandising of sex marriage and influence among what passes for polite society in 1730s London Most of the plays in this volume were major hits with long stage lives in repertory including The Lottery The Intriguing Chambermaid and two of the great Molière adaptations of the century The Mock Doctor and The Miser Fielding wrote all four of those plays as star vehicles for the great Drury Lane musical actress Catherine Clive The plays are given in critical unmodernized texts based on careful collation of the original editions with explanatory notes and commentary on sources stage history and critical reception All music is included with appendices giving complete accounts of textual variation and bibliographic history for each play
