Digital Scenography in Opera in the Twenty-First Century Caitlin Vincent, 2021-09-15 *Digital Scenography in Opera in the Twenty First Century* is the first definitive study of the use of digital scenography in Western opera production The book begins by exploring digital scenography's dramaturgical possibilities and establishes a critical framework for identifying and comparing the use of digital scenography across different digitally enhanced opera productions The book then investigates the impacts and potential disruptions of digital scenography on opera's longstanding production conventions both on and off the stage Drawing on interviews with major industry practitioners including Paul Barritt Mark Grimmer Donald Holder Elaine J McCarthy Luke Halls Wendall K Harrington Finn Ross S Katy Tucker and Victoria Vita Tzykun author Caitlin Vincent identifies key correlations between the use of digital scenography in practice and subsequent impacts on creative hierarchies production design processes and organisational management The book features detailed case studies of digitally enhanced productions premiered by Dutch National Opera Komische Oper Berlin Opéra de Lyon The Royal Opera Covent Garden San Francisco Opera Santa Fe Opera Théâtre Royal de la Monnaie The Metropolitan Opera Victorian Opera and Washington National Opera

The Intermediality of Contemporary Visual Arts Asun López-Varela Azcárate, 2023-11-22 *The Intermediality of Contemporary Visual Arts* explores a range of topics within the field The volume delves into the realm of intermediality within the visual arts Each chapter explores a different aspect from the evolution of Intermedial Studies over the past decades to the shifts in print typography and the emergence of cut ups within a context of resistance against conventions the concept of Visual Music and its relation to pioneering filmmaking visual representations of intimacy as they

evolve from painting to other visual formats like comics film and television and finally the transmedial potential of cultural symbols in virtual reality all of which involve greater multimodal and emotional elements that enhance audience immersion The volume closes by highlighting the need for a comprehensive approach to visual art education and pedagogical methods that foster creativity emphasizing the intermedial aspects present in contemporary visual arts Visual Experiences in

Cinquecento Theatrical Spaces Javier Berzal de Dios,2019-01-01 Through an interdisciplinary examination of sixteenth century theatre Visual Experiences in Cinquecento Theatrical Spaces studies the performative aspects of the early modern stage paying special attention to the overlooked complexities of audience experience Examining the period s philosophical and aesthetic ideas about space place and setting the book shows how artists consciously moved away from traditional representations of real spaces on stage instead providing their audiences with more imaginative and collaborative engagements that were untethered by strict definitions of naturalism In this way the book breaks with traditional interpretations of early modern staging techniques arguing that the goal of artists in this period was not to cater to a single privileged viewer through the creation of a naturalistically unified stage but instead to offer up a complex multimedia experience that would captivate a diverse assembly of theatre goers **Bleating Hearts** Mark Hawthorne,2013-11-29

Comprehensive and hard hitting Bleating Hearts examines the world s vast exploitation of animals from the food fashion and research industries to the use of other species for sport war entertainment religion labor and pleasure **Time in**

Romantic Theatre Frederick Burwick,2022-06-01 The shift in temporal modalities of Romantic Theatre was the consequence of internal as well as external developments internally the playwright was liberated from the old imperative of Unity of Time and the expectation that the events of the play must not exceed the hours of a single day externally the new social and cultural conformance to the time keeping schedules of labour and business that had become more urgent with the industrial revolution In reviewing the theatre of the Romantic era this monograph draws attention to the ways in which theatre reflected the pervasive impact of increased temporal urgency in social and cultural behaviour The contribution this book makes to the study of drama in the early nineteenth century is a renewed emphasis on time as a prominent element in Romantic dramaturgy and a reappraisal of the extensive experimentation on how time functioned **Scenery and Set**
