Scent Of Paper

Scent Of Paper:

The Ambre Scent of Paper Nishtha Akhiyaniya, She read books as one would breathe air to fill up and live As cited by Annie Dillard books provide a safe haven for us to turn to in times of adversity Every morning I wake up eager to leave this small world behind and all it takes is the aroma and scent of Ambre emanating from the pages of my books My life is balanced by the perfect amount of love for reading and the excitement for turning over a new leaf The rustle of pages and the exquisitely penned words in the books help me escape reality and discover words for what I already know and feel But before reading I take a moment to savor the tranquility by inhaling the Ambre scent of paper and the magic that it possesses which strangely enough no one has ever thought of bottling The Ambre Scent of Paper is a piece of my heart as well as the hearts of several other writers who have poured in their sentiments into a beautifully carved book with a magical smell which will make you fall in love with reading and live a thousand lifetimes before you die **The Boy's Own Paper** ,1879 **The Repertory of Patent Inventions** ,1856 **The Perfume Thief** Timothy Schaffert,2021-08-03 A stylish sexy page turner set in Paris on the eve of World War II where Clementine a queer American ex pat and notorious thief is drawn out of retirement and into one last scam when the Nazis invade A hint of Moulin Rouge a whiff of Kristin Hannah s *The Nightingale* a little spritz of Hitchcock s *To Catch a Thief* *The Perfume Thief* is a pulse pounding thriller and a sensuous experience you ll want to savor Oprah Daily A superb novel This is historical fiction at its finest vivid and beautifully rendered Emily St John Mandel author of *The Sea of Tranquility* Clementine is a seventy two year old reformed con artist with a penchant for impeccably tailored suits Her life of crime has led her from the uber wealthy perfume junkies of belle epoque Manhattan to the scented butterflies of Costa Rica to the spice markets of Marrakech and finally the bordellos of Paris where she settles down in 1930 and opens a shop bottling her favorite extracts for the ladies of the cabarets Now it s 1941 and Clem s favorite haunt Madame Boulette s is crawling with Nazis while Clem s people the outsiders the artists and the hustlers who used to call it home are disappearing Clem s first instinct is to go to ground it s a frigid Paris winter and she s too old to put up a fight But when the cabaret s prize songbird Zoe St Angel recruits Clem to steal the recipe book of a now missing famous Parisian perfumer she can t say no Her mark is Oskar Voss a Francophile Nazi bureaucrat who wants the book and Clem s expertise to himself Hoping to buy the time and trust she needs to pull off her scheme Clem settles on a novel strategy Telling Voss the truth about the life and loves she came to Paris to escape Complete with romance espionage champagne towers and haute couture this full tilt sensory experience is a dazzling portrait of the underground resistance of twentieth century Paris and a passionate love letter to the power of beauty and community in the face of insidious hate *The Scent Keeper* Erica Bauermeister,2019-05-21 Erica Bauermeister the national bestselling author of *The School of Essential Ingredients* presents a moving and evocative coming of age novel about childhood stories families lost and found and how a fragrance conjures memories capable of shaping the course of our lives Emmeline lives an enchanted childhood on a remote

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
