## **Scepter And The Star Jewish Messianism In Light Of The Dead Sea Scrolls:**

**The Scepter and the Star** John J. Collins, 2010-11-12 John J Collins here offers an up to date review of Jewish messianic expectations around the time of Jesus in light of the Dead Sea Scrolls He breaks these expectations down into categories Davidic priestly and prophetic Based on a small number of prophetic oracles and reflected in the various titles and names assigned to the messiah the Davidic model holds a clear expectation that the messiah figure would play a militant role In sectarian circles the priestly model was far more prominent Jesus of Nazareth however showed more resemblance to the prophetic messiah during his historical career identified as the Davidic Son of Man primarily after his death In this second edition of *The Scepter and the Star* Collins has revised the discussion of Jesus and early Christianity completely rewritten a chapter on a figure who claims to have a throne in heaven and has added a brief discussion of the recently published and controversial Vision of Gabriel

**The Scepter and the Star** John Joseph Collins, 1995 In *The Scepter and the Star* John J Collins turns to the Dead Sea Scrolls to shed new light on the origins meaning and relevance of messianic expectations The first Christians were Jews who believed that Jesus of Nazareth was the messiah the Christ Christians could be called followers of the messiah Other Jews did not accept this claim and so the Christians went their own way and grew into a separate religion The disagreement about the identity of the messiah is the root difference between Judaism and Christianity The recent disclosure of the full corpus of the Dead Sea Scrolls now makes it possible to see this disagreement in a fuller context than ever before The most stunning revelation of the new evidence is the diversity of messianic expectations in Judaism around the beginning of the common era The Hebrew word messiah means anointed one According to the scrolls the messiah could be a warrior king in the line of David a priest a prophet or a teacher He could be called the Son of God Jesus of Nazareth fitted the expectations some Jews of the time had of the messiah The majority of Jews however had quite different expectations

**Reading the Gospel of John's Christology as Jewish Messianism** Benjamin Reynolds, Gabriele Boccaccini, 2018-07-17 The essays in *Reading the Gospel of John's Christology as Jewish Messianism* Royal Prophetic and Divine Messiahs seek to interpret John's Jesus as part of Second Temple Jewish messianic expectations The Fourth Gospel is rarely considered part of the world of early Judaism While many have noted John's Jewishness most have not understood John's Messiah as a Jewish messiah The Johannine Jesus who descends from heaven is declared the Word made flesh and claims oneness with the Father is no less Jewish than other messiahs depicted in early Judaism John's Jesus is at home on the spectrum of early Judaism's royal prophetic and divine messiahs

**Angels Associated with Israel in the Dead Sea Scrolls** Matthew L. Walsh, 2019-12-16 A well known characteristic of the sectarian Dead Sea Scrolls are their assertions that membership in the Qumran movement included present and eschatological fellowship with the angels but scholars disagree as to the precise meaning of these claims To gain a better understanding of angelic fellowship at Qumran Matthew L Walsh utilizes the early Jewish concept

that certain angels were closely associated with Israel Moreover these angels which included guardians and priests were envisioned within apocalyptic worldviews that assumed that realities on earth corresponded to those of the heavenly realm A comparison of non sectarian texts with sectarian compositions reveals that the Qumran movement s lofty assertions of communion with the guardians and priests of heavenly Israel would have made a significant contribution to their identity as the true Israel

Paul, a New Covenant Jew Brant Pitre, Michael P. Barber, John A. Kincaid, 2019-08-08 After the landmark work of E P Sanders the task of rightly accounting for Paul s relationship to Judaism has dominated the last forty

years of Pauline scholarship Pitre Barber and Kincaid argue that Paul is best viewed as a new covenant Jew a designation that allows the apostle to be fully Jewish yet in a manner centered on the person and work of Jesus the Messiah This new covenant Judaism provides the key that unlocks the door to many of the difficult aspects of Pauline theology Paul a New Covenant Jew is a rigorous yet accessible overview of Pauline theology intended for ecumenical audiences In particular it aims to be the most useful and up to date text on Paul for Catholic Seminarians The book engages the best recent scholarship on Paul from both Protestant and Catholic interpreters and serves as a launching point for ongoing Protestant Catholic dialogue

*Apocalypticism and Mysticism in Ancient Judaism and Early Christianity* John J. Collins,Pieter G. R. Villiers,Adela Yarbro Collins,2018-09-24 The nature and origin of Jewish mysticism is a controversial subject This volume explores the subject by examining both the Hebrew and Aramaic tradition Dead Sea Scrolls 1 Enoch and the Greek philosophical tradition Philo and also examines the Christian transformation of Jewish mysticism in Paul and Revelation It provides for a nuanced treatment that differentiates different strands of thought that may be considered mystical The Hebrew tradition is mythical in nature and concerned with various ways of being in the presence of God The Greek tradition allows for a greater degree of unification and participation in the divine The New Testament texts are generally closer to the Greek tradition although Greek philosophy would have a huge effect on later Christian mysticism The book is intended for scholars and advanced students of ancient Judaism and early Christianity

*Jesus and Divine Christology* Brant Pitre,2024-08-15 Did Jesus see himself as divine Since the beginning of the quest for the historical Jesus scholars have dismissed the idea that Jesus could have identified himself as God Such high Christology is frequently depicted as an invention of the councils of Nicaea and Chalcedon centuries later Yet recent research has shown that the earliest Jewish followers of Jesus already regarded him as divine Brant Pitre tackles this paradox in his bold new monograph Pitre challenges this widespread assumption and makes a robust case that Jesus did consider himself divine Carefully explicating

the Gospels in the context of Second Temple Judaism Pitre shows how Jesus used riddles questions and scriptural allusions to reveal the apocalyptic secret of his divinity Moreover Pitre explains how Jesus acts as if he is divine in both the Synoptics and the Gospel of John Carefully weighing the historical evidence Pitre argues that the origins of early high Christology can be traced to the historical Jesus s words and actions Jesus and Divine Christology sheds light on long neglected yet key evidence that the historical Jesus saw himself as divine Scholars and students of the New Testament and anyone curious about the Jewish context of early Christianity will find Pitre s argument a necessary and provocative corrective to a critically underexamined topic

**Aposynagōgos and the Historical Jesus in John** Jonathan Bernier,2013-09-12 In Aposynagōgos and the Historical Jesus in John Jonathan Bernier utilizes the critical realist hermeneutics developed by Bernard Lonergan and Ben F Meyer to survey historical data relevant to the Johannine expulsion passages John 9 22 12 42 16 2 He evaluates the major two contemporary interpretative traditions regarding these passages namely that they describe not events of Jesus lifetime but rather the implementation of the Birkat ha Minim in the first first century or that they describe not historical events at all but serve only to construct Johannine identity Against both traditions Bernier argues that these passages plausibly describe events that could have happened during Jesus lifetime

**Translation Theory and the Old Testament in Matthew** Woojin Chung,2017-09-04 In Translation Theory and the Old Testament in Matthew Woojin Chung employs a rigorous method of Skopos theory to examine Matthew s citation technique in his infancy narrative and locates the specific purpose of his use of Scripture He argues that the complex nature of the formulaic quotations and allusion in Matthew 1 2 can be understood in light of new methodological insights The way Matthew cites the Old Testament for his communicative purpose is congruent to the approach of a Skopos translator who is motivated by a specific purpose of translation The theory of interpretation of his use of Scripture therefore can be informed by the theory and method of translation
