School Effectiveness For Whom:

School Effectiveness for Whom? Roger Slee, Sally Tomlinson, Gaby Weiner, 2003-05-20 School effectiveness research together with what is now described as the school improvement movement Barber 1996 has captured both the Conservative and New Labour imaginations as a basis for educational planning and policy making in the UK Internationally school effectiveness enjoys and expanding and enthusiastic audience This book provides a critique of this research genre particularly in the light of the recent calls for teaching to go back to the basics The editors argue that this school effectiveness research is simplistic in its analysis of educational problems Far from getting to the bottom of the problem of failing students and schools they argue these movements are merely scratching at the surface of the problems and coming up with notions for superficial improvements

School Effectiveness for Whom? Roger Slee, Sally Tomlinson, Gaby Weiner, 2003-05-20 A collection of essays that challenge the school effectiveness and school improvement movements Particular criticism is levelled at the disassociation of what goes on in schools from the world at large

School Effectiveness for Whom? Roger Slee, Gaby Weiner, Sally Tomlinson, 1998 A collection of essays that challenge the school effectiveness and school improvement movements Particular criticism is levelled at the disassociation of what goes on in schools from the world at large

International Handbook of School Effectiveness and Improvement Tony Townsend, 2007-09-21 This book reviews of the development implementation and practice of the disciplines of school effectiveness and school improvement Seven main topics are addressed History of the school effectiveness movement over the last 25 years Changes in accountability and standards Leadership in school effectiveness Changes in teacher education Impact of Diverse Populations Education Funding and its Impact and Best Practice Case Studies The contributors are active in school effectiveness research worldwide

School Effectiveness Pamela Sammons, 1999-01-01 This volume explores the influence of students background on educational outcomes ways of contextualising school performance and current issues and developments in school effectiveness research Also investigated is how the research contributes to understanding of school and classroom processes

Teaching and Learning in the Effective School Alma Harris, 2019-05-23 First published in 1999 this volume attempts to draw the literature on school effectiveness and teacher effectiveness together in one volume Its central tenet is that classroom effectiveness is central to school effectiveness and that there is much to be gained from integrating the literature on effective schooling and effective teaching Issues discussed include departments classroom communication and teacher expectation motivation and feedback

The Metrics of Teacher Effectiveness and Teacher Quality Research Andrew Skourdoumbis, Shaun Rawolle, 2020-03-05 Most developed nations measure the performance of teachers in audit evaluations of school productivity Accountability metrics such as teacher effectiveness and teacher quality dominate evaluations of student outcomes and shape education policy The Metrics of Teacher Effectiveness and Teacher Quality Research explores how these metrics distort analyses of student achievement sideline broader

contextual and systemic influences on learning reinforce input output analysis of schooling and skew the educational debate Focusing on recent phases of school education policy reform this book utilizes qualitative data from classroom teacher participants to examine how and why issues of teacher effectiveness and teacher quality figure so prominently in policy reform and why pressing matters of social class school funding and broader contextual influences are downplayed The authors use this information to suggest how teachers can develop their role as pedagogic experts in a highly scrutinized environment This book will be of great interest to education academics and postgraduate students specializing in teacher performance accountability and governance

Effective Schools Dennis M. McInerney, Martin Dowson, Shawn Van Etten, 2006-04-01 Students arrive in our classrooms with complex sociocultural histories that include family cultural physical social emotional and prior learning experiences In order to be effective schools must directly address these complex histories in meaningful relevant and creative ways The aim of this volume is to examine research on effective schooling from a sociocultural perspective with a focus on developing the capacities of diverse students in diverse educational contexts The chapters in this volume cover a wide range of important topics as listed below

Schools Making a Difference Martin Thrupp, 1999-05-16 Does an effective school really come about through the actions of teachers and school leaders or does it also require an advantaged student intake This question reflects a longstanding research debate about whether or not the social class mix of a school s student intake has much effect on individual achievement Schools Making a Difference Let s Be Realistic presents new evidence which suggests that school mix is likely to be important because of the way many school processes are deeply influenced by student intake characteristics Low socioeconomic schools face numerous intake related constraints which make them highly resistant to improvement efforts By suggesting that failing schools are often overwhelmed rather than ineffective this book provides a sympathetic reappraisal of the performance of teachers and school leaders in such schools It also offers a critical response to the often unrealistic claims of the school effectiveness and school improvement movement and a fresh critique of market reforms in education

School Effectiveness, School Improvement David Reynolds, 2004-11-01 The pressure on schools to improve and to raise achievement continues to be a dominant issue in both school and government policies School Effectiveness and School Improvement seeks to develop the debate further providing academics and practitioners alike with a summary and discussion of research on school effectiveness and school improvement up to the present new perspectives on these fields developed from other traditions of thinking and research a consideration of the role of organization theory an integrated view of these current perspectives and clear practical implications for policy and practice

School Effectiveness and School Improvement Bert.P.M. Creemers, Ton Peters, David Reynolds, 2022-02-27 School effectiveness and school improvement have different origins School effectiveness is more directed to finding out what works in education and why school improvement is practice and policy oriented and intended to change education in the desired direction However in their orientation to outcomes input processes and context

in education they also have much in common In the theoretical part different orientations have been analysed and combined in a model for effective school improvement Based on this analysis an evaluation framework was developed for the analysis of the case studies of school improvement projects in the participating countries The theoretical model and the results of the analyses of the case studies were combined in a framework of effective school improvement Improvement Through Inspection? Peter Earley, Brian Fidler, Janet Ouston, 2017-09-29 Originally published in 1996 the title of this book poses the question whether the motto of the Office for Standards in Education was an apt statement of its effects in practice Beginning with the state of knowledge about OFSTED's early impact the Editors review the range of complementary approaches to school improvement most of them driven by the schools themselves that were in operation alongside the OFSTED system of inspection at the time The major part of the book is taken up with the main quality initiatives that were at work in primary and secondary schools including Investors in People Deming TQM partnerships professional competence strategic planning and effective governorship Each chapter examines critically sometimes with the aid of case studies of good practice the benefits such approaches might bring to schools in their attempts to raise standards The book is a companion to OFSTED Inspections The Early Experience by the same Editors published and reissued simultaneously **Faith, Mission and Challenge in Catholic Education** Gerald Grace, 2015-09-25 In the World Library of Educationalists international experts compile career long collections of what they judge to be their finest pieces extracts from books key article salient research findings major theoretical and practical contributions so the world can read them in a single manageable volume Readers will be able to follow the themes and strands and see how their work contributes to the development of the field Gerald Grace is renowned internationally for his research and teaching in the areas of Catholic education spirituality leadership and effectiveness in faith schooling and educational policy In Faith Mission and Challenge in Catholic Education Gerald Grace brings together 15 of his key writings in one place Starting with a specially written Introduction which gives an overview of his career and contextualises his selection within the development of the field the chapters cover the interactions of faith mission and spirituality in the development of Catholic education how to replace ideology polemic and prejudice in discussions about faith based schooling with evidence based argument understanding the distinctive nature of concepts such as leadership and effectiveness in faith based education using mission integrity as a key concept for the evaluation of contemporary Catholic schooling examining the interactions of Catholic values Catholic curriculum and educational policy developments This book not only shows how Gerald Grace's thinking developed during his career it also gives an insight into the development of the fields to which he contributed *Perspectives on School Effectiveness and School Improvement* Michael Barber, Louise Stoll, 1997 This collection of papers presents the debate between supporters and critics of the school effectiveness movement School effectiveness research explores the different contributions schools make to pupils learning and the factors that make some schools more successful than others Politically influential helping to shape the education

policies of the two main parties it has also been used at a practical level to generate programmes and policies for school improvement Members of the Institute of Education s School Effectiveness and Improvement Centre ISEIC which leads the field in research in this area contribute papers to this volume that both describe the research and reply to criticisms of it while other contributors from both within and outside the Institute provide philosophical sociological and cross cultural critiques which are challenged in an Endpiece by Peter Mortimore and Pam Sammons
