Hallowed Eve, Hallowed Day Joseph Rogers, 2012-07-03 In Part 1 The Night of the Boy with the Heart of Fire Justin Jordan is troubled by nightmares in which he is pursued relentlessly by a black cowled ghoul in a carriage Justin fears that these nightmares are not merely bad dreams He believes that a demon might be trying to possess him or kill him In this battle of good against evil Justin is helped by two mysterious girls who appear at his hour of greatest need In Part 2 The Day of the Girl with the Broken Heart Justin meets a young woman named Philomena As their budding romance grows dark forces rise up in full force and threaten to destroy both of them Excerpt Justin you need to become more actively involved in the world the smaller girl added You can t achieve your mission by hiding in the backroom of a dark house It is a time for action and active engagement the taller girl said Engagement in more ways than one the smaller girl said with a cheerful grin What does that mean Justin asked You ll see she said enigmatically That s what I m afraid of Be not afraid It s time for the next of your Halloween surprises the taller girl declared What is it If we told you It wouldn t be a surprise he completed the sentence for her That is correct Now it is your turn to go trick or treating You re kidding Kidding is not inherent to our

nature the taller girl said Her tone reminded Justin that he was not dealing with children despite their appearance All right He felt certain that it was best to go along with whatever they advised Come with us the small blonde said Justin and his two companions walked five blocks to their first destination He supposed that their trio appeared to be a young father taking his two daughters trick or treating The girls stopped in front of a small dilapidated house that was in need of painting and many other repairs You are going reverse trick or treating Justin the taller girl declared cheerfully What is reverse trick or treating Justin asked Instead of receiving something from each place that you visit you are going to give something the smaller girl explained We are going to take you to visit persons who are desperately poor and you are going to give them money I don't have much money and I have very little money with me he objected We will see to it that you have what you need to do your good deeds How You certainly ask a lot of questions Justin the smaller girl said He was about to ask another question then decided that silence was the wiser way to proceed Justin walked up onto the front porch on which a porch light was illuminated
