The Empowered Mama Lisa Druxman, 2017-11-14 The Empowered Mama is a practical and interactive workbook full of simple powerful tools to help moms reconnect with themselves on the journey through motherhood. Moms often try to juggle the roles of wife, mother, and homemaker while also being professional, competent women. Many moms feel like they can't take time to replenish their bodies and minds despite their many roles. There's just not enough time in the day and it seems selfish to take time when families and work still demand more. The Empowered Mama is a practical workbook full of simple powerful tools to help you reconnect with yourself on the journey through motherhood. Author Lisa Druxman uplifts, inspires, and takes moms on a journey not just to rediscover themselves but to fall in love with motherhood again. Whether you are a working mom or a stay-at-home mom, this book will add balance to your life. Since there will never be more hours in the day, The Empowered Mama will help you maximize the hours you do have to accomplish what matters most. This guide focuses on all parts of a mom's life: work, relationships, built-up stressors, cleaning up your diet, even going green and being more mindful about the environment, all with the intuitive understanding that getting the rest of your life in order will only reap huge dividends for your family.

After giving birth, even the most confident, fit, and spiritually centered women can feel depressed, overwhelmed by the responsibilities of motherhood, and disheartened by their postpartum bodies. Erin Cox knows exactly how they feel. She wrote *One Hot Mama* as a comprehensive guide to support, nurture, and steer women through a fun and completely doable process to lose unwanted pregnancy pounds and create an exceptional life. Erin understands that weight loss is an emotional process and new mothers need to feel empowered and supported to make healthy lifestyle changes. New moms don't have the time or energy to count calories but rather need guidelines and easy-to-implement suggestions on how to improve their diet and exercise routines. Using a realistic approach that has proven to be effective, mothers will be encouraged to make positive life changes that will encourage weight loss, positive thinking, and self-love. Women who read this book will not only feel empowered and invigorated to get their bodies back in shape but the positive changes will impact every single aspect of life, allowing them to live a joyous and fulfilled life as a woman and mother, even emerging happier and healthier than before getting pregnant.

The Curse of Satan's Collar John W. Miller,2008-04-29 He was big the biggest of the litter big enough to wrestle bears and he did two maybe more but he killed many When he woke up in that black inky night he couldn t see thought he was blind and had a massive hangover from his Daddy s Cherry Jump moonshine A buzzard had died in his mouth and with it came rotten dog breath A headache like someone had hit him with a pole axe made him feel like he was dead dead as four o clock And did he smell Wow His torn bib overalls were soaked in sour mash Other than not knowing where he was he still thought he was alright and that too was a problem Was there any hope or any salvation Luckily he had been weather hardened by war He stood up and he tired to walk but ran into something It knocked him down When he fell he heard something rattle It was a trace chain attached to a leather dog collar around his neck But in the inky dark he couldn t see his hand in front of him He got up again and found the trace chain wrapped around a tree and locked Shocked he screamed out Goddamn I m chained to a tree then screamed louder They have chained me to a tree like a wild cur dog Now mad as hornet with his stinger busted he felt around and found something else about the tree This time he screamed even louder Son of a

bitch It s my goddamn tree Who in the hell would chain me to my own tree He sat back down against the family tree stunned and then realized It s got to be my family Chained me like a goddamn cur dog to a tree But which one of them would have the nerve to do this to ME Then he realized it could be only one person He stood up and screamed Mama Then he fell down again pounded the ground cried like his heart tore out He got up off the ground went into a wild man s rage then fainted with exhaustion Then he got sick tried to walk but threw up all over himself And the chain snatched him back and down into his vomit it was all over him like those bugs He pounded the ground with his fist wondering how in the world he had gotten here and where he was Again and again he got up Each time he tried to walk in another direction but the chain snatched him off his feet and back down on the ground and into his rotten vomit It didn t matter what direction he walked Finally exhausted he couldn t get back on his feet Still he kept asking himself Where in the hell am I and who in the hell put this collar on me All night he shouted and wallowed in his vomit like an itchy old fat hog taking a bath in new mud He heard no one come in the dark silent black night Thank God His vomit smell finally ran the goddamn bugs off his body and away AUTHOR
