Maui The Demigod:

Maui the Demigod Steven Goldsberry,1989 **Legends of Maui** W. D. Westervelt,2019-09-26 The Hawaiian island of Maui is the origin of one of the greatest myths wherein the demigod Maui creates Hawaii by hauling the islands up from the ocean and sees that this new land prospers Maui s many exploits are given in this translation which is adapted from the original Hawaiian script derived from the telling of the Maui legend through many generations Though no exact date for the origin of the Maui story can be known it is certain that the fundamental structure of his narrative dates back centuries with various stories and other exploits being added by successive storytellers over many generations Evidence for the mythos is found on most of the larger Hawaiian Islands with the entire culture knowing and perpetuating the Maui with great consistency The great strength and benevolence of Maui is told while ostensibly a chieftain he possesses supernatural powers that allow the harnessing of the ocean and sun for his own ends In many respects Maui is an outsized version of an ideal traditional Hawaiian in his prime with a fantastic understanding of the weather outstanding skill at fishing and a benevolent leader to his family and clan Even in acts that seem destructive his killing of the long eel Tuna a new sprout blossoms the burial of Tuna s body results in the first coconut tree *Maui the Demigod* Katharine Luomala,1936 **Legends of Maui** William Drake Westervelt,1910 **LEGENDS of MAUI - 15 Polynesian Legends from the Hawaiian Islands** Anon E. Mouse,2018-10-01 Within this unique volume are 15 legends of Maui Legends like MAUI THE FISHERMAN MAUI LIFTING THE SKY MAUI SNARING THE SUN and twelve more captivating stories and tales from antiquity from the Polynesian people of the South Pacific These legends are not only different from the myths of other nations but they are unique in the character of the actions recorded There are three centres for these legends New Zealand in the south Hawaii in the north and the Tahitian group in the east In each of these groups of islands separated by thousands of miles there are the same legends told in almost the same way and with very little variation in names and content However Maui s deeds rank in a higher class than most of the mighty efforts of the demi gods of other nations and races and are usually of more utility The Maui legends are full of helpful imaginations which are distinctly and uniquely Polynesian in nature Here you will find adventures from the great voyages of discovery which carry fragments and hints of wonderful deeds The Maoris of New Zealand claim Maui as an ancestor of their most ancient tribes and class him as one of the most ancient of their gods calling him creator of land and creator of man even sometimes the sun himself the solar fire and the the sun god while his mother Hina was called the moon goddess NOTE MAUI Ma u i Ma oo e is a Polynesian demi god His name derives from Mohyi meaning causing to live or life applied sometimes to the gods and sometimes to chiefs as preservers and sustainers of their followers The Maui story probably contains a larger number of unique and ancient myths than that of any other legendary character in the mythology of any nation They also form one of the strongest links in the mythological chain of evidence which binds the scattered inhabitants of the Pacific into one nation They possess remarkable antiquity YESTERDAY S BOOKS FOR TODAY S

Westervelt,2017-04-02 Maui is a mythic figure that lifts up the heavens and fishes up islands from beneath the sea with his magic fishhook a folk hero that snares the sun to make it move more slowly and discovers the secret of fire Hina is a goddess that creates the finest white kapa and spreads it in the heavens as clouds She sacrificed herself for her people in a time of drought and famine and now watches over them from her home in the moon Two of the most beloved mythical figures in Polynesian folklore are the demi god Maui and his mother Hina Their stories are told in places spread over a vast geographic area from Hawai i to New Zealand Tahiti and beyond This highlights the vastness of Polynesian exploration and the connection among shared cultures thousands of miles apart These tales have origins traceable to the mythic homeland of Hawaiki and back into the mists of time They continue to have a place in modern storytelling and in the hearts of those who hear them The evocative century old writing of William Drake Westervelt combines beautifully with the contemporary artwork of Dietrich Varez A Hawai i Island resident whose artwork has been inspired by the writings of Westervelt and other early scholars Varez brings a lifetime of study and deep respect for Polynesian culture and mythology to his block prints and oil paintings He has also provided illustrations for a new edition of Westervelt s Hawaiian Legends of Volcanoes printed in 2016 by Petroglyph Press Together the works of these two remarkable men create fresh presentations reintroducing these classic tales to new generations of readers around the world **Legends of Maui - A Demi-God of Polynesia and of His Mother Hina** W. D. Westervelt,2015-10-22 This book contains an account of the legends of Maui a demi god whose story probably contains a larger number of unique and ancient myths than that of any other legendary character in the mythology of any nation There are three centres of this story new Zealand in the south Hawaii in the north and the Tahitian group in the east and what makes this ancient legend so interesting is that it forms one of the strongest links in the mythological chain of evidence which binds the scattered inhabitants of the pacific into one nation existing intact or in part in Anietyum Bowditch Efate Fiji Fotuna Gilbert Hawaii Hervey Huahine Mangaia Manihiki Marquesas Marshal to name but a few This wonderful text has been selected because of its timeless cultural value and will appeal to anyone interested in exotic mythology This book is republished now with a new introductory biography of the author **Legends of Maui** W. D. Westervelt,2003-07-01

The Maui story probably contains a larger number of unique and ancient myths than that of any other legendary character in the mythology of any nation There are three centers for these legends New Zealand in the south Hawaii in the north and the Tahitian group including the Hervey Islands in the east In each of these groups of islands separated by thousands of miles there are the same legends told in almost the same way and with very little variation in names The Maui legends form one of

the strongest links in the mythological chain of evidence which binds the scattered inhabitants of the Pacific into one people W D Westervelt was also the author of *Legends of Old Honolulu* and *Legends of Gods and Ghosts Hawaiian Mythology* He was president of the Hawaiian Historical Society for some time Folktales Told Around the World Richard M. Dorson,2024-05-31 All the selections in Richard M Dorson s *Folktales Told around the World* were recorded by expert collectors and the majority of them are published here for the first time The tales presented are told in Africa Asia the Middle East Europe North and South America and Oceania Unlike other collections derived in large part from literary texts this volume meets the criteria of professional folklorists in assembling only authentic examples of folktales as they were orally told Background information notes on the narrators and scholarly commentaries are provided to establish the folkloric character of the tales *The Water of Life* Rita Knipe,1989-08-01 Mythology flows like a subterranean stream throughout Hawai i Rita Knipe has selected a number of characteristic myths and mythological figures from the rich pantheon of Hawaiian deities As she retells their stories illustrated by Hawaii artist Dietrich Varez the transposition of such primal drama to the pages of this book becomes poetic theater The dramatic plots are myths and legends chosen from the oral traditions of unique island people but the underlying themes and symbols are archetypal and eternal Drawing parallels between Hawaiian mythology universal patterns and individual behavior the author illustrates certain basic Jungian concepts and explains how we express them in the drama of our own lives

Maui The Demigod Introduction

In the digital age, access to information has become easier than ever before. The ability to download Maui The Demigod has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Maui The Demigod has opened up a world of possibilities. Downloading Maui The Demigod provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This

convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Maui The Demigod has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Maui The Demigod. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Maui The Demigod. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Maui The Demigod, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Maui The Demigod has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
