This book provides unique insights into the life and work of one of Ireland s most influential doctors SR STAN KENNEDY More than the story of one man s life it is an invitation to pause reflect and find deeper meaning in our own DR SABINA BRENNAN DR HARRY BARRY s life and career has been shaped by defining events a solitary childhood with chronic illness a traumatic experience in school and family tragedies that set him on a course of dedicating his life to medicine and healing Beneath the Surface tells that remarkable story From the halls of University College Dublin in the 1970s to a remote hospital in Tanzania where he would meet someone who was to have a transformative effect on his approach to health and on through decades on the front line of Irish general practice culminating in a life altering realisation that would see him change the course of his career This thought provoking and inspiring memoir shows us how by embracing compassion and love we can transform not only our own lives but the world around us *Suburgatory* Linda Keenan,2012-09-04 Suburgatory lampoons the absurdities and contradictions that Linda Keenan has witnessed since leaving New York City where she was a thoroughly

urban CNN news producer for seven years and settling down as a hapless stay at home suburban mother The original proposal for this book was picked up by Warner Brothers and you can see their imagining of Suburgatory on the ABC show of the same title Keenan was forced by the man in her life to leave her beloved New York City for a supposed suburban utopia Instead she found herself trapped in a place where conformity is king and where she often felt like she had been taken hostage by an adult Girl Scout troop So Keenan decided to train her twisted reporter s eye on the strange inhabitants of this new foreign land Thought of as a local town newspaper or website Suburgatory excoriates through satirical local news stories the mostly upper middle class American pieties and parenting obsessions targeting the all around bad behavior raging underneath the surface of those obsessively tended suburban lawns and bikini lines
