Number Six The Prisoner:

Prison Breaks Tomas Max Martin, Gilles Chantraine, 2018-02-12 This edited collection analyses the prison through the most fundamental challenge it faces escapes The chapters comprise original research from established prison scholars who develop the contours of a sociology of prison escapes Drawing on firm empirical evidence from places like India Tunisia Canada the UK France Uganda Italy Sierra Leone and Mexico the authors show how escapes not only break the prison but are also fundamental to the existence of such institutions how they are imagined designed organized justified reproduced and transformed The chapters are organised in four interconnected themes resistance and everyday life politics and transition imaginaries and popular culture and law and bureaucracy which reflect how escapes are productive local historical and equivocal social practices and integral to the mysterious intransigence of the prison The result is a critical and theoretically informed understanding of prison escapes which has so far been absent in prison scholarship and which will hold broad appeal to academics and students of prisons and penology as well as practitioners

Media Analysis Techniques Arthur Asa Berger, 2017-12-28 This book provides a concise thought provoking and cleverly written introduction to major theories in media analysis and it gives students new perspectives on the media they use Donna Halper Lesley University In the Sixth Edition of Media Analysis Techniques author Arthur Asa Berger once again provides students with a clearly written user friendly hands on guide to media criticism The book empowers readers to make their own analyses of the media rather than just accept how others interpret the media Media Analysis Techniques begins by examining four basic techniques of media interpretation semiotic theory Marxist theory psychoanalytic theory and sociological theory that Berger considers critical for creative people to acknowledge if they are to understand how their creations translate to the real world Application chapters then link popular culture to these four theories Written in an accessible style that demystifies complex concepts Media Analysis Techniques includes learning exercises a glossary study guides and the author's own illustrations New to the Sixth Edition A new chapter on discourse analysis offers students techniques for analyzing the language in texts New content on psychological impact of social media shows that there are often negative consequences to using social media Increased coverage of technology and social media helps readers apply time tested analysis techniques to the latest media Updated examples from popular culture bring theory to life New drawings and photo images illustrate concepts and enhance the visual attractiveness of this book New material around generational differences describe to students how each generation interacts with media differently particularly the millennials New discussions by thinkers who have made major impacts on popular culture such as Daniel Chandler on semiotic codes Michel Foucault on change in cultures Mark Gottdiener on sign vehicles in semiotic theory Guy Debord on the Society of Spectacle Mark Thompson et al on Marx's neglect of egalitarian political culture Marcel Danesi on myth and popular culture Ernest Kris on the Oedipus Complex Sigmund Freud on the purposes of jokes Clotaire Rapaille on the new Global code Teun van Dyk on discourse analysis and ideology Wolfgang Iser on
