

Functional grammar of Nunggubuyu

Jeffrey Heath

This book is a functional grammar of Nunggubuyu, an Australian Aboriginal language. It is the first grammar of this language to be published. The book is written in a functional style, which means that it is organized around the functions of the language, rather than around its grammatical structure. The book is divided into two main parts: a description of the language and a description of its grammar. The first part describes the language in terms of its phonology, morphology, and syntax. The second part describes the grammar in terms of its semantics and pragmatics. The book is written for linguists and students of linguistics. It is also a valuable resource for anyone interested in the Nunggubuyu language.

Nunggubuyu Dictionary:

Nunggubuyu Dictionary Jeffrey Heath, 1982 Nunggubuyu English dictionary with English Nunggubuyu index and thesaurus notes on lexicon style ethnobotany tape catalogue place names maps of mythical events *Nunggubuyu Dictionary* Michael R. Hore, 1990 **Verb Classification in Australian Languages** William B. McGregor, 2013-06-10 This book deals with systems of verb classification in Australian Aboriginal languages with particular focus on languages of the north west It proposes a typology of the systems according to their main formal and semantic characteristics It also makes some proposals concerning the historical origins and grammaticisation of these systems and suggestions regarding the grammatical relations involved In addition an attempt is made to situate the phenomenon of verb classification within the context of related verbal phenomena such as serial verb constructions nominal incorporation and complex predicates

Routledge Library Editions: Linguistics Various, 2021-12-02 Routledge Library Editions Linguistics brings together as one set mini sets or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from Applied Linguistics and Language Learning to Experimental Psycholinguistics and Sociolinguistics Today International Perspectives this set provides in one place a wealth of important reference sources from a wide range of authors expert in the field The Language of Hunter-Gatherers Tom Güldemann, Patrick McConvell, Richard A.

Rhodes, 2020-02-27 Offers a linguistic window into contemporary hunter gatherer societies looking at how they survive and interface with agricultural and industrial societies *The Dynamics of Nominal Classification* Ruth Singer, 2016-02-22 The use of grammatical gender in the Australian language Mawng calls into question prevailing ideas about the functions of nominal classification systems Mawng's gender system has a strong semantic basis and plays an important role in the construction of meaning in discourse Gender agreement in verbs is frequently lexicalized creating idioms called lexicalised agreement verbs that are structurally similar to noun verb idioms This book will be of interest to anyone interested in nominal classification or cross linguistic approaches to idioms **Routledge Library Editions: Linguistics Mini-set F:**

World Languages Various Authors, 2021-05-13 RLE Linguistics Mini set F gathers together a collection of out of print titles on World Languages These essential works all from key international linguists include Australian Aboriginal Grammar The Northwest Caucasian Languages Plains Cree Morphosyntax Object and Absolutive in Halkomelem Salish and The Correct Language Tojolabal Handbook of Australian Languages R.M.W. Dixon, Barry J. Blake, 1983-12-31 This handbook makes available short grammatical sketches of Australian languages Each grammar is written in a standard format following guidelines provided by the editors and includes a sample text and vocabulary text The contributions to this volume are salvage studies giving all the information that is available on four languages which are on the point of extinction and an assessment of what linguistic impressions can be inferred from the scant material that is available on the extinct languages of Tasmania **Endangered Languages of Austronesia** Margaret Florey, 2010 This book explores the challenges to

linguistic vitality confronting many minority languages in the highly diverse and geographically far flung Austronesian language family The contributions bring together Indigenous language activists and academic researchers with a long standing commitment to language documentation

Perception and Cognition in Language and Culture Alexandra Aikhenvald, Anne Storch, 2013-01-22 Every language has a way of talking about seeing hearing smelling tasting and touching In about a quarter of the world s languages grammatical evidentials express means of perception In some languages verbs of vision subsume cognitive meanings In others cognition is associated with a verb of auditory perception touch or smell Vision is not the universally preferred means of perception In numerous cultures taboos are associated with forbidden visual experience Vision may be considered intrusive and aggressive and linked with power In contrast hearing and listening are the main avenues for learning understanding and knowing The studies presented in this book set out to explore how these meanings and concepts are expressed in languages of Africa Oceania and South America

The Oxford Guide to Australian Languages Claire Bowern, 2023 This book is a wide ranging reference work covering the more than 550 Indigenous languages of Australia The chapters in the book explore typology and classification linguistic structures sociolinguistics and language variation and language in the community The final part offers sketches of a selection of languages sub groups and families

An Ethnography of Stress V. Burbank, 2011-01-31 Health inequality is a global issue This book examines the problem through an in depth look at a remote Australian Aboriginal community characterized by a degree of premature morbidity and mortality similar to that in other disadvantaged populations Its synthesis of cognitive anthropology with frameworks drawn from epidemiology evolutionary theory and social psychological and biological sciences illuminates the actions emotions and stresses of daily life While this analysis implicates structures and processes of inequality in the genesis of ill health its focus remains on the people who suffer grieve and live with the dilemmas of an intercultural life

Australian Aboriginal Grammar (RLE Linguistics F: World Linguistics) Barry Blake, 2014-01-10 This study covers a number of topics that are prominent in the grammars of Australian Aboriginal languages especially ergativity and manifestations of the hierarchy that runs from the speech act participants down to inanimates This hierarchy shows up in case marking number marking and agreement advancement and cross referencing Chapter 1 provides an overall picture of Australian languages Chapters 2 3 and 4 deal with case systems including voice alternations and other advancements Chapter 5 deals with the distribution of case marking within the noun phrase Chapter 6 deals with systems that allow the cross referencing of bound pronouns Chapter 7 deals with clauses which appear to have more than one verb Chapter 8 deals with compound and complex sentences Chapter 9 deals with word order and emphasises a theme introduced in Chapter 5 namely the widespread use of discontinuous phrases Chapter 10 draws together ergativity and various manifestations of the hierarchy and attempts to interpret their distribution The final section provides an interesting hypothesis about the evolution of core grammar in Australia

Focality and Extension in Kinship Warren Shapiro, 2018-04-20 When we think of kinship

we usually think of ties between people based upon blood or marriage But we also have other ways nowadays called performative of establishing kinship or hinting at kinship many Christians have in addition to parents godparents members of a trade union may refer to each other as brother or sister Similar performative ties are even more common among the so called tribal peoples that anthropologists have studied and especially in recent years they have received considerable attention from scholars in this field However these scholars tend to argue that performative kinship in the Tribal World is semantically on a par with kinship established through procreation and marriage Harold Scheffler long time Professor of Anthropology at Yale University has argued by contrast that procreative ties are everywhere semantically central i e focal that they provide bases from which other kinship ties are extended Most of the essays in this volume illustrate the validity of Scheffler s position though two contest it and one exemplifies the soundness of a similarly universalistic stance in gender behaviour This book will be of interest to everyone concerned with current controversy in kinship and gender studies as well as those who would know what anthropologists have to say about human nature The study of kinship once ruled the discipline of anthropology and Hal Scheffler was one of its magisterial figures This volume reminds us why Scheffler s powerful analyses of kinship systems often conflicted with the views of his more relativist contemporaries He cut through the fog of theory to emphasise the human essentials namely the importance of the social bonds rooted in motherhood and fatherhood Anthropology in its decades long retreat from the serious study of kinship has lost a great deal This volume points the way to a restoration Peter Wood National Association of Scholars

Fighting Women Victoria Katherine

Burbank,2024-06-04 Fighting is common among contemporary Aboriginal women in Mangrove Australia Women fight with men and with other women often with the other woman Victoria Burbank s depiction of these women offers a powerful new perspective that can be applied to domestic violence in Western settings Noting that Aboriginal women not only talk without shame about their angry emotions but also express them in acts of aggression and defense Burbank emphasizes the positive social and cultural implications of women s refusal to be victims She explores questions of hierarchy and the expression of emotions as well as women s roles in domestic violence Human aggression can be experienced and expressed in different ways she says and is not necessarily always wrong Fighting Women is relevant to discussions of aggression and gender relations in addition to debates on the victimization of women and children everywhere This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994
