Remedy Eldercide, Restore Elderpride Jerry Rhoads, 2009-06 *Remedy Eldercide Restore ELDERPRIDE* will surely become an election issue Just look at the voting pool 77 million baby boomers that grew up expecting the best of everything turned 60 in 2006 If the nursing home industry does not change they can only expect the worst 36 million people have joined AARP because they want bargaining power 17 million people are already institutionalized in nursing homes and are facing extinction Millions more will have to face the possibility of one day joining the list of system victims Every American has a personal vested interest in changing this struggling industry Without a comprehensive overhaul the current health care system will be bankrupt in 2020 with the cost exceeding 4 trillion dollars annually or 36% of the GNP 6% of those costs are funding the nursing home industry That means that unless we make a change we will spend 960 billion dollars in four years to fund a system that kills its patients and bankrupts itself and its operators This book details three prevailing principles that makes this problem solvable Embrace the restorative care model Use computer technology and case management to customize care plans for each patient Pay for performance based on outcomes attained RESTORATIVE CARE remedies Eldercide the systematic institutionalization of the elderly and disabled by restoring function of the mind the body the emotions and the spirit any of these that are slighted in treating the aging process results in chronic illnesses and dependence on prescription drugs and institutional care Health Care Reform notably Obama Care does not use Health Sciences and holistic methods for establishing processes that deal with the whole person and still depend on inductive reasoning guessing and treatment rather deductive processes and prevention of such diseases using the pursuit of definable and measurable outcomes The MEDICAL MODEL symptomatic treatment and the SOCIAL MODEL elderly housing now in practice models are not the solution for managing the aging processes This book defines the problems facing society with the BOOMERS COMING at us and lays out the methods systems and outcomes that need to be pursued by physicians hospitals skilled nursing facilities home care and hospice providers It also proposes a SHIFT in the payment paradigm based on

outcomes and funding using Self Health Insurance Funding Trusts that allow the individual to manage their own health care services and costs Community Resources for Older Adults Robbyn R. Wacker, Karen A. Roberto, 2007-12-17 How have programs for older adults evolved Who uses these resources How are they delivered And what challenges do service providers face in meeting the needs of the aging baby boom generation Community Resources for Older Adults Programs and Services in an Era of Change Third Edition answers these and other critical questions by providing a theoretical framework for understanding the forces that shape older adults likelihood to seek assistance The Good Caregiver Robert L. Kane Dr., 2011-03-01 A survival guide with an insider s perspective for the millions of unprepared caregivers of aging loved ones As Americans are living longer an unprecedented number of people now require long term care during their last years More than 15 million adult children now care for their elderly parents and unsuspecting caregivers are usually unprepared financially emotionally and practically for the relentless job they will face In The Good Caregiver world renowned expert on aging and long term care Dr Robert Kane provides a road map for caregiving More than just a professional expert Dr Kane draws on his personal experience of caring for his aging mother after she struggled from a debilitating stroke Dr Kane offers heartfelt advice for those learning how to best care for their loved one and how to make thoughtful informed decisions at each stage of the caring process How does a nursing home differ from assisted living How is a homemaker different from a home health aide How far can you trust a hospital discharge planner What services does Medicare cover and much much more The Good Caregiver equips readers to deal more effectively with the challenges of day to day care and to navigate the system itself including legal financial and interpersonal hurdles Filled with stories and sidebars from other caregivers The Good Caregiver offers a candid personal approach to caregiving providing fearless answers to difficult scenarios with humor and encouragement
