Awakening from Cancer Mary G. Montgomery, 2008 In 2004 Mary Montgomery was diagnosed with breast cancer Instead of pursuing traditional health care she researched alternative methods and found North America's best and longest practicing Oriental Medicine physicians During an acupuncture session with him her life dramatically changed As soon as he closed the door behind him I became aware of my Guides in the room I didn't really see them I felt their presence And a sense of urgency in the air Then they spoke We can cure you quickly if you make a promise to us Thus began a series of conversations that showed Mary how to walk through the nightmare of cancer and out the other side

Operation Synapse William Croft, 2013-03-22 In 1980 Professor Robert Smyth a man who carries an unearthly secret is teaching pathology at the University of Wisconsin Madison His lecture makes clear to his students that the practice of treating the energy based human body with pharmaceuticals has proliferated within the last one hundred years and is now the leading cause of death in society What's more the use of pesticides has brought an additional load of poisons to the human and animal body Continual use of these chemicals has led to great insurance risk for the industry forcing them to cover up these problems and distract the public from their effects The insurance industry joins with bioterrorists who are masters in disease generation in order to manufacture and inflict a highly infectious artificial disease on society a biological weapon one that they are now capable of activating telepathically Humanity's only hope may be a couple who has traveled back in time to prevent this plague from destroying all human and animal life on the planet In this science fiction thriller only time will tell if a pathologist and his spiritual partner both travelers from the future can save humanity from a terrifying biological weapon

truth actually is and many have found the answers they sought Yet we often find ourselves confused as to how to apply the understandings we have achieved Now that I know how do I use that knowledge to find lasting freedom What are my responsibilities Are they difficult Can I hope to reach the goal of health harmony and happiness I have found those answers to be as near as the heart that beats within us And equally as simple to understand This then is a path of healing Whether it is yourself you seek to heal or another for whom you pray It is a path so simple we have missed it as we sought through the maze of religious traditions and man made doctrines Let the Spirit and Love of God take you by the hand as your read through these pages and let Him lead you to freedom and safety This is the third book in a series concerning healing The first book Of Monkeys and Dragons Freedom from the Tyranny of Disease is a chronicle of my earliest tentative steps towards understanding principles necessary to achieve permanent healing of anything that afflicts mankind The second The God that We ve Created The Basic Cause of All Disease outlines the truths that must be known to counter what we have been taught throughout the centuries which has supported the pain and suffering of mankind And now this third book a simple how to for all who have followed this path
