McClung, 2009-02-16 When *Lady in the Dark* opened on January 23 1941 its many firsts immediately distinguished it as a new and unusual work The curious directive to playwright Moss Hart to complete a play about psychoanalysis came from his own Freudian psychiatrist For the first time since his brother George's death Ira Gershwin returned to writing lyrics for the theater And for migr composer Kurt Weill it was a crack at an opulent first class production Together Hart Gershwin and Weill with a little help from the psychiatrist produced one of the most innovative works in Broadway history With a company of 101 and an astronomical budget *Lady in the Dark* launched the career of a young nightclub performer named Danny Kaye and starred Gertrude Lawrence in the greatest triumph of her career With standees at many performances *Lady in the Dark* helped establish the practice of advance ticket sales on the Great White Way while Paramount Pictures bid for the film rights broke all records New York Times drama critic Brooks Atkinson hailed the production as splendid anointed Kurt Weill the best writer of theatre music in the country and worshiped Gertrude Lawrence as a goddess Though *Lady in the Dark* was a smash hit it has never enjoyed a Broadway revival and a certain mystique has grown up around its legendary original production In this ground breaking biography bruce mcclung pieces together the musical's life story from sketches and drafts production scripts correspondence photographs costume and set designs and thousands of clippings from the star's personal scrapbooks He has interviewed eleven members of the original company to provide a one of a kind glimpse into the backstage story The result is a virtual ticket to opening night the saga of how this musical play came to be and the string of events that saved the experimental show at every turn Although America was turned upside down by Pearl Harbor after the production was on the boards *Lady*
