The year was 1983 and a fateful trip to the hardware store changed the course of author Kathy Gardarian s life not to mention the shape of her soul Because of a faulty nozzle a woman who barely owned a hammer became CEO of a prosperous worldwide distribution and supply company whose main client Home Depot became a successful mecca of the tool belt crowd In Feet to the Fire Gardarian narrates her story This memoir tells a transformational tale about a woman who learned to find her soul while climbing the ladder of success Gardarian shares her lifelong business challenge to be a capable woman who proved her personal drive could create a highly successful company using openhearted love as her motivational tool She sought to defy the traditional male business influences who informed her she couldn t succeed without a man Feet to the Fire tells how she learned to be brave how to hold her feet to the fire and how to invite deep change while tolerating acute discomfort She had to keep her dreams and ambition alive in a world where strong women were often viewed with suspicion She had to practice patience Most of all she had to maintain faith and trust in the process until she reached a place not only of professional success but of spiritual abundance Using the tools of humility humor and wisdom Gardarian offers an alternate path to prosperity using feminine principals **The Humanist (Re)Turn: Reclaiming the Self in Literature**

Michael Bryson,2019-07-31 The exciting new book argues for a renewed emphasis on humanism contrary to the trend of post humanism or what Neema Parvini calls the anti humanism of the last several decades of literary and theoretical scholarship In this trail blazing study Michael Bryson argues for this renewal of perspective by covering literature written in different languages times and places calling for a return to a humanism which focuses on literary characters and their psychological and existential struggles not struggles of competition but of connection the struggles of fragmented incomplete individuals for integration wholeness and unity **Wildly Irresistible** TARA O,2015-04-28

Have you ever noticed that some women seem to have a certain something I m not talking about a pretty face or a killer outfit It s a whole lotta something else going on A glow a radiance An intoxicating yet effortless vibe that seems to magnetise people to them People listen take notice and relax around this woman She has a warm gentle presence and an authentic confidence even without makeup This woman sparkles laughs freely and holds herself within her own integrity yet there is a wildness an openness a playfulness to her that cannot be ignored And her external realities reflect all of this Wonderful relationships a job she rocks and a life created with love and happiness in mind What if I told you I could share with you the keys to becoming that very woman Yes you Radiating vibrant sensual and alive The happiest healthiest and sexiest you that you ve ever been in your entire life Interested It s

A Fire in His Soul Miles J. Unger, 2025-03-04 The fascinating story of Vincent van Gogh's two groundbreaking years

in Paris where he transformed himself from a provincial unknown into one of the world's great visionary artists. Vincent Van Gogh arrived in the French capital on the last day of February 1886, a month short of his thirty-third birthday. He was a man beaten down by life, half-starved and nearly broken psychologically. He was saved by his brother Theo, who provided him with room, board, and most crucially, emotional support while he attempted to master the difficult craft of painting. Thus far, Vincent's crude scenes of peasant life, rendered in murky shades of brown and gray, were both hackneyed and amateurish. Theo, a successful art dealer at a prestigious Parisian firm, dismissed them as gloomy, unappealing, and worst of all, unmarketable. By the time Vincent left Paris almost exactly two years later, he'd transformed himself into one of the most original artists of the age, turning out works of hallucinatory intensity in vivid hues and stamped with his own distinctive personality. *A Fire in His Soul* chronicles this remarkable transformation. It's a tale filled with tragedy and triumph, personal anguish and creative fulfillment, as Vincent, through sheer force of will, reinvents himself as a painter of unparalleled expressive power. Along the way, the reader will discover an unfamiliar Van Gogh, not the solitary genius of the popular imagination, shunned by an uncomprehending world and conjuring masterpieces from the depths of his lonely soul. In Paris, he was at the center of a community of like-minded seekers. Here, Van Gogh was able to engage in a lively dialogue with fellow artists, almost as daring as he was expanding his notion of what art could and should be. It was in the cafes and studios of Montmartre and in the grand galleries of the Louvre and Luxembourg that Van Gogh received his artistic education, a crash course that at first disoriented him but ultimately sparked his creative breakthrough. Working alongside such legendary figures as Gauguin, Toulouse-Lautrec, Seurat, and Signac, he found his voice and launched an artistic revolution.
